REDISTRICTING BOARD APPOINTMENTS

Seven Board Members were appointed by the Board of County Commissioners.

- Two (2) - Representatives of the Democratic Central Committee
- Two (2) - Representatives from the Republican Central Committee
- Three (3) - Charles County Residents

Reference: Charles County Code,
Chapter 27-1(B)

WHAT REDISTRICTING WILL NOT CHANGE

- At large voting-all registered Charles County voters can vote for all five Commissioners
- Designated polling places
- Election District lines or Precinct Lines
- School District Lines

REQUIREMENTS AND CONSTRAINTS

- Population of each district must be roughly equal; deviation can be +/- 5% from the ideal.
- Ideal is calculated by dividing the total County population by the number of districts (4). The ideal population for each district is 41,709.
- The *total* population is used.

REQUIREMENTS AND CONSTRAINTS

- Priority consideration must be given to “election district lines and demographics and geography.”
- Districts should be:
 - Reasonably equal in population
 - Contiguous
 - Relatively compact and regularly shaped
 - Not created to result in vote dilution for any minority group
 - Avoid changes in/crossing of precinct lines

TIMELINE OF EVENTS REQUIRED BY COUNTY CODE

- The Redistricting Board is established by the Board of County Commissioners.
- Tentative Commissioner District lines are established.
- Four (4) public hearings on the tentative plan are held – one hearing in each proposed Commissioner District.
- Redistricting Board submits their final Redistricting Plan to the Commissioners at which point it becomes law.

PUBLIC HEARING 2022 SCHEDULE

- District 1:
 - 6 PM Thursday, January 6, Virtual
- District 2:
 - 6 PM Tuesday, January 11, Virtual
- District 3:
 - 6 PM Thursday, January 13, Virtual
- District 4:
 - 6 PM Thursday, January 20, Virtual

METHODOLOGY

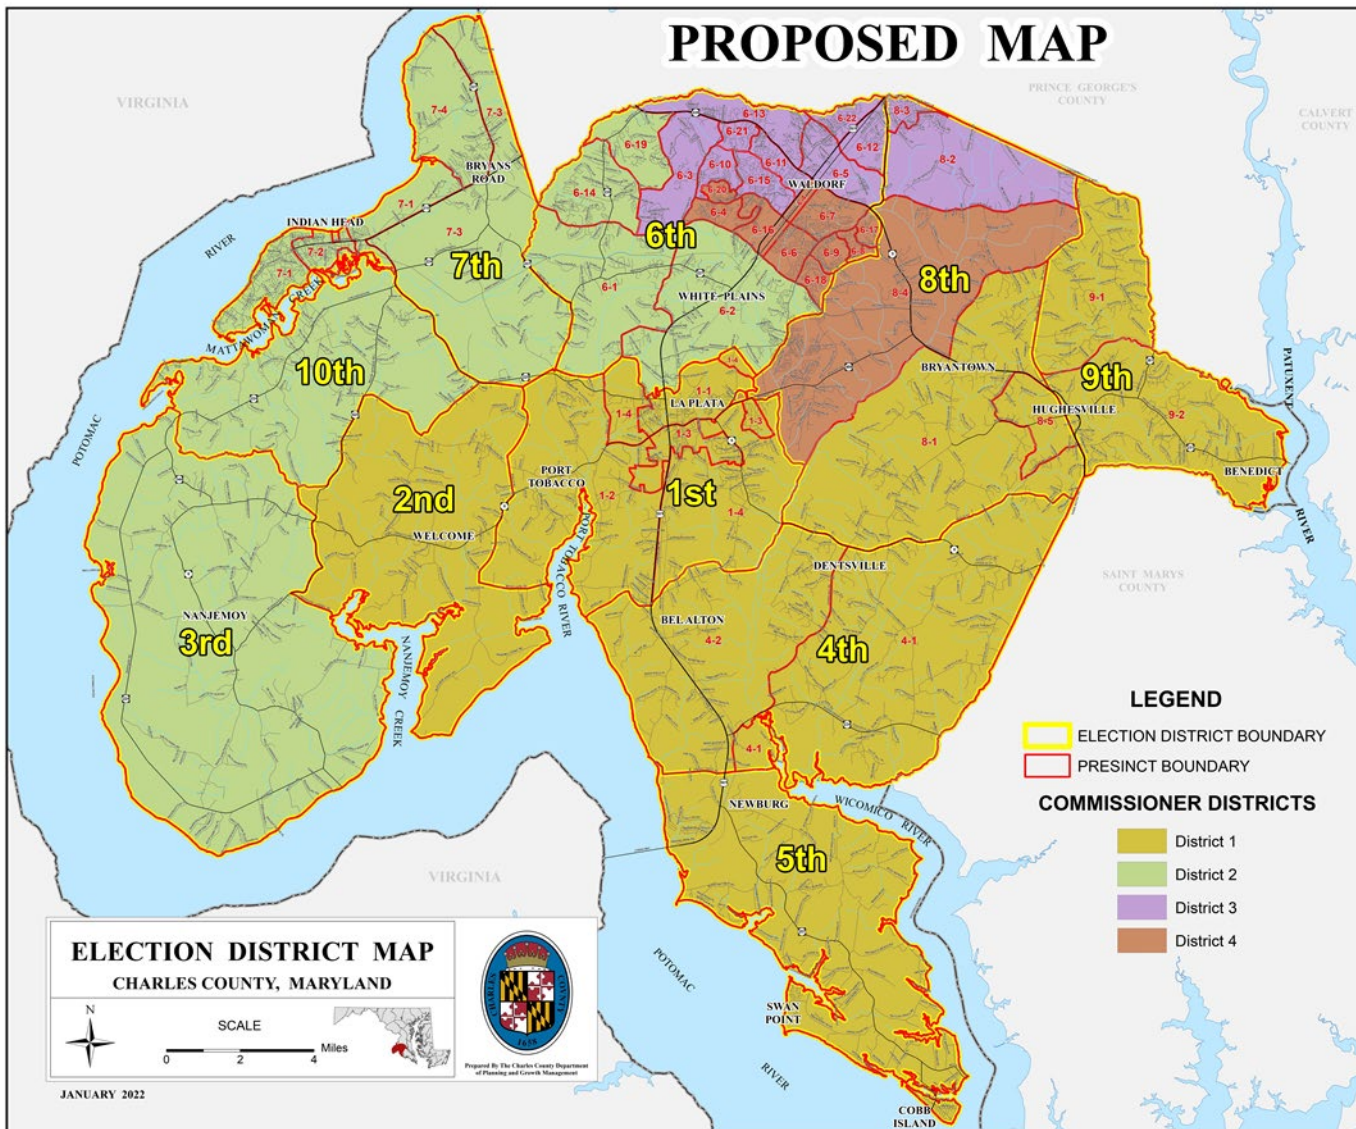

The Board met and discussed objectives and constraints. Board members were charged with working individually to produce notional scenarios. The scenarios were examined and analyzed. While all proposed maps met the criteria, by a unanimous vote one scenario met all criteria and received the full recommendation of the Board.
