

Charles County Advocacy Council for Children, Youth, and Families

Charles County's Local Management Board

Parenting Empowerment Program: provides parenting classes using the evidence based "Active Parenting" model (one model for under 12 and one model for teens) offered virtually 6 sessions to complete the course.

Provider: Parent's Place of Maryland

Video: <https://youtu.be/fXBevBaqhoU>

Website: <https://www.pppmd.org/>

Youth Intervention & Engagement: for youth 16-24 who need linkage to employment and education. There is also a clinical component to this program and the services are at no cost to participants.

Provider: Center for Children

Website: <https://www.mdcoalition.org/>

Youth Mentoring: (for boys and girls age 12-18)

Provider: Stella's Girls

Video: <https://www.youtube.com/watch?v=-LCjkRrytfY>

Website: <https://www.stellasgirls.org/journey-to-manhoo>

<https://www.stellasgirls.org/the-sunflower-project.html>

Local Care Team: Team of child serving agencies that meet to review the needs of a youth with mental health or behavioral challenges. Team reviews case with parent/guardian present and makes recommendations for resources.

Provider: Charles County Government

Video: <https://www.youtube.com/watch?v=bJ094ktOlfA>

Website: <https://www.charlescountymd.gov/services/health-and-human-services/charles-county-advocacy-council-for-children-youth-and-families>

Healthy Families: Home visiting program for "at risk" parents that starts prenatal and goes until the child is 5

****this is a great program for pregnant persons with substance use concerns.***

Provider: Center for Children
