DPW1	<b>Charles County Landfill</b>			
DPW23	<b>Tire Disposal</b>			
	Tire Recovery Charge	<b>NEW</b>	<b>\$40 per tire</b>	Landfilling of tires is prohibited under COMAR. Commercial haulers must separate all tires. (Cecil County landfill has a similar charge.)
DPW34	<b>Environmental Service Fees</b>			
DPW39	Per Mattress or Box Spring	<b>NEW</b>	<b>\$10</b>	Mattresses and box springs deplete limited landfill space, create flammable air pockets, and damage equipment used at landfills. Mattresses are a significant and growing problem for waste management and the environment making mattress recycling the needed solution. Prince George's Landfill does not accept mattresses, which has resulted in an influx of mattresses delivered to the county facility.

DPW15	Open Top Roll-Off Container	\$101	\$115 ton/\$15 minimum charge	Bulky material received from open roll-off containers is more costly to handle. DPW31	On/Off Rim	\$250 per ton	<b>\$250 per ton/\$15 minimum fee</b>	Description states per tire, but fee states per ton. Corrected description to state per ton. Minimum fee added for consistency with other rates. Landfilling of tires is prohibited under COMAR. Commercial haulers must separate all tires. If a tire is illegally deposited at the landfill, staff must recover the tire from the waste stream. This recovery creates a safety risk for staff and a potential permit violation.
