### Discussion Items

1. Cupcakes and Conversation
  - Ed asked James to create a flyer to post at stations. Tiffany stated that she has already started to create a flyer and will share it.
  - Renesha suggested a ten-minute presentation explaining what JEDI is and the responsibility of the committee. Open it up to open dialogue. It may take a couple of rounds of these conversations for people to start talking.
    - James – How do you keep it away from operational issues and focus on the task?
    - Renesha – You may have issues that are operational involving JEDI.
  - Brittany – the presentation should start with JEDI and explain what each letter represents and provide an example/story for each one.
  - Dasia will create the script and present the first ten minutes.
  - Caitland – we should come up with them/topic based off of what DEI trainings we took and valuable information we gained. Unconscious bias training was interesting to me and will be theme for the first meeting.
  - We will have cupcakes and conversations on May 18, 2023, from 11:00 am to 1:00 pm. Our regular meeting will be on this date from 10:00 am to 11:00 am.

2. Send shirt sizes to Aldo by email. Renesha to provide a shirt size as well.
3. Dasia to create the script and present the first ten minutes of cupcakes and conversations.
