CHARLES COUNTY CONNECTED

Maryland State Connected Devices Program

What is the **CONNECTED DEVICES** Program?

The Connected Devices (MD-CDP) grant program is designed to assist in digital equity and inclusion efforts in Maryland. MD-CDP is intended to provide new, internet-enabled devices to families who are most at need. Qualifying households have an opportunity to receive one free Chromebook computer per address.

Each address, beneficiary name, device identification, and other necessary data for device distribution and program reporting purposes will be received at the time of eligibility determination and prior to distribution of the device.
