3	– I DO NOT BELIEVE THAT Charles County needs a Charter Government, but I do believe that in the near future BOTH Fire and EMS service will need a paid chief and support staff, reorganization as a countywide system rather than all independent volunteer corporations, better planning and funding for future growth, and some paid response staffing based on need as determined by realistic metrics.	3/12/2024 9:57 AM

Charles County. I think these services are an effective use of tax payer dollars, and increasing the paid services when there are so many volunteer opportunities available would create havoc on taxpayers.

1	In our neighborhood we have to wait for an ambulance from Newburg 99% of the time.	3/12/2024 4:47 PM
2	However, I do think we could use more paid EMS people.	3/12/2024 2:50 PM
3	First let me say the volunteers have done a great job for decades, but the increasing number of calls and the increased hours of training make it difficult for them to keep up. Call load regularly overwhelms current units in some areas, long response times cause delayed service while many volunteer owned units sit in stations without adequate staffing to respond. There are more than enough volunteer ambulances available in the County, just not enough staffing. A metrics driven approach to planning is needed to address rapidly increasing population and resultant growth in call load. The recommendations of the Fire/EMS Comprehensive Study Report (Aug 2019) need to followed; the volunteers have no long-range plan for rapid growth and need for expansion. This does not require Charter Government!	3/12/2024 9:57 AM
4	have not had a need to call them, so am currently unable to answer this question.	3/11/2024 5:08 PM
5	I see Newburg Volunteer Rescue responding to calls in my area which should be covered by Cobb Island Rescue? I've often wondered why?	3/11/2024 12:22 PM
6	I choose to not use the medical supports in Charles because of the awful service at Charles Regional Hospital.	3/11/2024 10:30 AM
7	Too long of a wait	3/10/2024 8:29 PM
8	I have heard of volunteer and career having disagreements on the scene. Things like the fire department feeling like lift assist calls should be EMS only, and leaving EMS units on the	3/10/2024 2:51 PM

scene without offering assistance before they leave. Fire 3 is known to walk across the street when a lift assist comes out, so they don't have to run the call. As a paid fire fighter in a neighboring county, this infuriates me.

9	Paid EMS were moved off of Cobb Island recently, back to Newburg Fire House, 11 miles up the road. That has significantly impacted response times on Cobb Island.	3/10/2024 2:40 PM
10	Depends where you are in the county. Some fire houses are understaffed with volunteers as new residents are coming to Charles County are working folks, they are not able to volunteer during the day. The retirees and older population are carrying the fire houses during the day. What happens in a large emergency? The majority can drive the trucks, but they cannot physically be expected to manage the emergency like a large working fire.	3/10/2024 12:32 PM
11	not enough units in Waldorf. also the outlying areas like benedict and Najamoy are still all volly units without guaranteed staffing. there is no accountability to the volly units when it is not staffed. what's the ROI for multi million dollar stations and fully equipped apparatus (that costs millions also) when there is no one there to get it out and operate it?	3/10/2024 8:30 AM

20	EMS services are excellent!	3/7/2024 3:56 PM

22	But that's because the commissioners are doing nothing allowing developers to build more and more houses without the infrastructure.	3/7/2024 2:33 PM

25	I've only had paid employees respond	3/6/2024 12:12 PM

30	This county has grown in population and infrastructure at an alarming rate. In my opinion, public safety has tried to keep up, but it has been a struggle. Many stations are having trouble with filling, some even not having coverage some days.	3/5/2024 12:11 PM

35	Have not needed.	3/5/2024 10:51 AM
36	No one wants a charter government. The commissioners are already ruining this county, no need to further destroy it.	3/5/2024 10:46 AM
37	Unsure. To some extent I believe that citizens need to be less dependent on emergency services by understanding and using commercial urgent care facilities .	3/4/2024 8:48 PM
38	DES policy for transports does not measure up to those counties surrounding Charles. The medics are told they MUST transport if a 12-lead is done. This has multiple effects: it's not the intended tools purpose, it weakens skills and differential diagnosis, and waters the system down. Medic units are sitting on walls waiting for HOURS on low acuity calls. Medic crews should try and remain available to the best degree possible for emergent calls.	3/4/2024 8:11 PM
39	Need more EMS units due to volume of new residents and no public safety infrastructure enhancements.	3/4/2024 5:09 PM
40	Yes, but I often see both paid and volunteer EMS at the scene for a single patient.	3/4/2024 1:44 PM
41	Every body wants to put blame on the volunteers but no one is putting blame on these hospitals that are constantly having us stand on a wall for a minimum of three hours	3/4/2024 1:06 PM

45	I'm in the Bryan's area, and my mother needed medical attention and indian head medical emergency 🚑 had responded when Bryan's road emergency are like less than five minutes away from my home.	3/4/2024 12:33 AM
46	There is always room to improve and that is more difficult with a volunteer service. Trained experts expect to be compensated for their time.	3/3/2024 11:38 PM
47	Not sure. Is there a Fire Chief for Charles County Government who everyone reports to?	3/3/2024 10:48 PM
48	It is absolutely overworked for the amount of people in the county not to mention all of the town houses going up on the parkway. Our EMS system cannot handle the volume of people coming in.	3/3/2024 8:15 PM
49	Many times an ambulance is more than 30 minutes before they respond	3/3/2024 7:58 PM

55	Yes. Prior to my father's death, I had to call them out multiple times. No issues at all.	3/3/2024 3:34 PM

74	House fire on Kris dr the the closest fire house did not have staffing and did not come to help paid staff from pg county came to help	3/3/2024 10:18 AM
75	The volunteer EMS service has failed but commissioners do not acknowledge. Volunteer fire is right behind with already a documented Station 12 failing. We as citizens of Charles county are in danger.	3/3/2024 10:00 AM
76	There are not enough paid staff to handle the increased call volume and the volunteers don't have enough people to keep up	3/3/2024 9:42 AM

92	There has been one incident where I felt it took entirely too long for EMS to arrive to help my mother-in-law when she experienced a life threatening emergency.	3/2/2024 6:46 PM
93	You are building too many houses and don't have the hospitals or medical staff to help all these people. Wait times in the ER are over an hour which is ridiculous	3/2/2024 6:20 PM
94	N/A	3/2/2024 6:03 PM
95	Unsure. I haven't had to use any of the services.	3/2/2024 5:55 PM
96	I have not needed to use any of the above emergency services to be able to rate this question well. I will not for for charter.	3/2/2024 5:04 PM
97	Need career firefighters that are assigned to fire equipment. Not just EMS / Hazmat	3/2/2024 3:41 PM
98	Not always, frequently there are not enough staffed ambulances available to meet the number of calls in some sections of the county. This results in long response times and long waits for citizens in need of emergency assistance.	3/2/2024 2:31 PM
99	Volunteer companies are regularly getting out understaffed, late, or not at all. The county fire chief and chiefs around the county attempt to cover these statistics up. This counties lack of disciplined emergency service practices WILL result in the death of a citizen or emergency service personnel. (I am a Charles county volunteer firefighter giving my opinion)	3/2/2024 1:50 PM
100	The EMS failure to respond rate is unacceptable	3/2/2024 1:34 PM

102	Need to worry about more hospitals	3/2/2024 1:15 PM

105	Many of the stations are on double dispatch and the citizens are in danger.	3/2/2024 12:19 PM
106	The county should invest in growing the career EMS system.	3/2/2024 11:52 AM
107	Command staff need to be out on the street to supplement crews. There are numerous paramedics that sit in an office all day that do not saddle up when it gets busy. There is a serious management and leadership problem within DES.	3/2/2024 11:03 AM
108	Need more career units	3/2/2024 8:35 AM
109	Because they keep build homes in the county even though all of public safety recommends not to each time a new neighborhood is presented. So stop building homes and hire more EMS and we could be covered then	3/1/2024 10:17 PM
110	On the fire side	3/1/2024 1:59 PM
111	The county continually depletes southern EMS services to send units north when Waldorf and La Plata units are tied up. The current DES Duty Officers spend more time shopping, at Planet Fitness and attending meetings rather than responding to emergency calls. They also delay services from constantly being out of their response districts.	3/1/2024 1:06 PM

3	I am confused by this statement it makes it appear that Charles County has already voted for Charter Government. At the very least it seems that you think all citizens are for Charter Government. Everything I have watched and read about this charter government has indicated that the majority of the commissioner have made up their mind and the citizens have no say. I realize that anything else I have to say will be ignored because this is not what you want to hear.	3/12/2024 2:50 PM
4	put animal control back under the sheriff's office	3/12/2024 1:51 PM
5	I do not want a Charter Board.	3/12/2024 1:43 PM
6	Do you really think this charter board cares about anything residents have to say?	3/12/2024 12:44 PM
7	We need more of everything - Charles County is growing faster than Emergency Services (of all types, including police, fire department and EMS) can handle. We're already stretched to the breaking point as it is, with all resources frequently being tapped out by regular call volume, let alone if there's any kind of major incident. We desperately need more Emergency Services personnel of all types before we continue building more housing and bringing more citizens into the county, or we're going to end up in a situation where 911 calls go unanswered for minutes at a time due to a lack of call takers, and calls left holding for sometimes hours (which already happens fairly often, depending on the call type).	3/12/2024 10:15 AM
8	The volunteer system isn't working. We need career firefighters and EMS employees...and more of them. If you're going to develop the hell out of the county, the emergency services should be able to keep up. This includes the hospital. The hospital in La Plata is the worst. They don't give a damn. Much like the current commissioners.	3/12/2024 10:13 AM
9	The County Government Leadership needs to thoroughly read and follow recommendations of the Recommendations of the Comp. Study Report Aug. 2019. EMS needs to be taken over by County. Career personnel already respond to the majority of EMS calls in vol owned units out of vol owned stations. A combined service is still needed, but with adjustments. Early on the majority of calls were run by vols and supplemented by career, but now the majority of calls are run by career supplemented by volunteers. The County and the Volunteers need to recognize this and make adjustments to reflect this shift. The County should start buying their own units since they staff them 24/7/365 (standardization will improve safety and efficiency of personnel) and build new stations to replace old ones and to address growth and call increase. This does not require Charter Government!	3/12/2024 9:57 AM
10	No	3/12/2024 9:02 AM

17	There was a fire in Stonehaven last fall. The response time to the fire was far too long. The whole structure was gone by the time they got here - thankfully everyone got out. We need paid/career Fire and EMT. VFD has little to no diversity and is a good ole boys club. It's time to evolve like other large communities and have some real oversight for our public safety.	3/10/2024 10:37 PM

26	to know how much we get for the amount of money shelled out to the system we would need to know how often the unit is staffed and by how many (minimum staffing or above). to do this first step the unit should not be "in-service" unless staffed and we could then track hours above minimum staffing. This would also give us info on the times of day and days of the week that staffing is needed at which stations it is needed the most. with that information we could supplement staffing to the right station at the right time. we do not need full bore paid fire but most stations need help for only certain days or certain hours.	3/10/2024 8:30 AM
27	Not broken, don't fix.	3/9/2024 5:31 PM
28	Adding additional paid medics should be budgeted each physical year, to ensure ALS coverage at all volunteer stations. The county should give our citizens who volunteer and take the necessary classes to provide emergency care, a tax break on their property tax as incentive to continue to volunteer their time. This would keep the volunteer service running smoothly and keeping the expense of having a completely paid system out of the tax payers pockets. The volunteer system is also a great resource for the youth of our community, and could be expanded and provided a great avenue to keep our youth on the right path.	3/9/2024 1:46 PM
29	Paid Fire Service	3/9/2024 12:47 PM
30	No, please. Additional or alternate ideas would cost taxes payers more. The current system is sufficient and has been for a long time.	3/9/2024 11:34 AM
31	More incentives for volunteering - free college, greater LOSAP benefits.	3/9/2024 10:23 AM

34	I prefer to keep them as they are. They are working great	3/8/2024 7:26 PM
35	Despite a long and honorable history of volunteer services, I generally feel that people should be paid for the jobs they do, especially such critical ones.	3/8/2024 5:48 PM

49	No	3/7/2024 6:17 PM
50	The volunteer service save the county millions of dollars a year. Take the total number of volunteer hours given in the county and multiply by minimum wage just to get an idea. A large number of ambulances been used daily by DES have been purchased by the volunteer departments out of their budget. I would like to see a cost estimate from DES to purchase their own ambulances, build their own buildings, add the additional staff to cover the entire county 24/7 365 days a year. None of this information is being disclosed.	3/7/2024 6:06 PM
51	The miss use of emergency services. There's a career system where providers work in an office and never leave the office which at times has delayed patient care for advance resources. They all have license and certifications to respond on emergencies and instead abuse the desk and stay there.	3/7/2024 5:00 PM

81	Properly and fully fund the existing services. No need to expand or mess with something that works.	3/6/2024 2:10 PM
82	An animal control officer should be available in the evening hours and not just until 4:30 pm. Additionally, animal control officers or animal shelter staff should have a key and be available to respond to complaints about animals at the shelter.	3/6/2024 1:40 PM

97	I think the county emergency services are great and no need to change things (if it is not broke, why fit it).	3/5/2024 10:16 PM
98	LEAVE IT ALONE. A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:50 PM

161	Yes, the county is at a critical point when it comes to providing firefighters for emergency. We can no longer rely on volunteers when it come to protecting life and property.	3/5/2024 10:44 AM
162	Dont change what is working	3/5/2024 10:43 AM
163	I do not support the charter government however, if it does move forward I would recommend that police are excluded. I do not support the costs that would be associated with creating a new police department when the one we have now is frequently commended for its good work.	3/5/2024 10:42 AM

170	There is no need for the expansion of county services as it will result in tax increases for residents and businesses.	3/5/2024 9:08 AM
171	The charter board doesn't need to partake in any of Charles county fire and ems organization, the volunteer industry is aware of the increase in the population, new homes, new schools, and new businesses. The volunteers will continue to serve and protect there area with no additional help.	3/5/2024 7:50 AM
172	Leave these ares operational as they are now.	3/5/2024 7:18 AM
173	No charter	3/5/2024 6:15 AM
174	As the County grows, more paid EMS are needed. The volunteers are great, but we can't depend so much on them as growth has outpaced resources & not enough people volunteer (for ANYTHING) these days.	3/4/2024 10:23 PM

183	Provide more ambulance 's and crews	3/4/2024 3:57 PM
184	I would like the Charter Board to consider population growth reduction reduction as a method of sustaining emergency services.	3/4/2024 1:44 PM
185	We do not need any paid fire service in Charles county we need our county commissioners to want to work with us and actually understand how the volunteer system works maybe they would be willing to be open minded instead of close minded	3/4/2024 1:06 PM
186	Fund 911 center better, in particular the salaries of the employees. This center is looked at as a stepping stone and not a career.	3/4/2024 11:27 AM
187	Continue funding the volunteers	3/4/2024 11:00 AM

## Charter Board of Charles County Public Safety Survey

189	No. The charter board has no business breaking down departments.	3/4/2024 10:19 AM
190	The paid system instills professionalism and requires standardized fitness requirements. 100% call response and accountability. Currently volunteers can "scratch" for various reasons and because they are a "private" business the county has limited recourse.	3/4/2024 10:14 AM
191	Allocate more funding to the Newburg and Cobb Island VFDs so that they can provide the necessary life-saving services to the residents in these rural areas.	3/4/2024 9:21 AM
192	Have the town of Laplata contribute to the salary of ACO as well as communications since they currently do not and they utilize both emergency services	3/4/2024 9:06 AM

194	Animal control please, please, please 🙏 the amount of aggressive dogs roaming around unattended is ridiculous and very dangerous for neighbors living in the Strawberry Hills neighborhood. Please help!	3/4/2024 12:33 AM
195	Fully fund career EMS and Fire, volunteers no longer adequately serve county citizen needs	3/4/2024 12:22 AM
196	Make this an all paid service. The lives of those that reside in the county deserve to be taken seriously.	3/3/2024 11:38 PM

198	Business taxes	3/3/2024 10:48 PM
199	Give volunteer fire departments real world funding.	3/3/2024 10:47 PM
200	Every time government inserts itself into anything it becomes more expensive and less efficient, and stops serving the best interest of the public, and usually becomes corrupt. Less government is better.	3/3/2024 10:42 PM
201	No Charter!	3/3/2024 10:00 PM
202	Absolutely	3/3/2024 9:19 PM
203	Mobile Crisis Team like calvert has very helpful for things such as CPR calls for family or psychiatric calls that don't have a medical complaint.	3/3/2024 9:02 PM
204	Have the county take over family run departments who only care about themselves, what they can get and very little about the volunteers in their house.	3/3/2024 8:51 PM
205	We need more paid EMS on the streets, The volunteers do not get the ambulances out. It is all the paid crews	3/3/2024 8:15 PM

207	No	3/3/2024 8:00 PM
208	No to the charter board. period	3/3/2024 8:00 PM
209	They way the commissioners are allowing apartments and townhouses to be built we need to build the infrastructure. The hospital is over run and emergency services are also suffering	3/3/2024 7:58 PM
210	Response times in the western part of Charles county are historically long and concerning because of understaffed volunteer stations. Something needs to be addressed regarding other counties that are regularly using our hospital as a drop off location which is consistently taking more away from our few resources and only hospital!	3/3/2024 7:43 PM
211	Why do departments need to spend money on all the "bells and whistles " when a more cost efficient way can be had.	3/3/2024 7:36 PM
212	Charles County should have fully funded and PAID Career Fire and EMT services.	3/3/2024 7:24 PM
213	The fire tax has not been raised in 20 years and the cost of trucks,equipment , etc have raised 300 % or more , please riase the fire tax a little to help the volunteers	3/3/2024 6:58 PM
214	There should be more stations in the waldorf area.	3/3/2024 6:14 PM
215	Create the career service and the volunteers can report to the career service	3/3/2024 6:08 PM

## Charter Board of Charles County Public Safety Survey

216	If the Charter board is not official how can the charter board make decisions? The citizens should have control - No charter	3/3/2024 6:08 PM
217	I understand wanting to keep it a volunteer status but have they looked at the call long for each dept.? Not just ems but fire as well. Multiple times calls are being sent to another station or even multiple stations to fulfill the calls. You're seeing it everywhere. It's causing depts from other counties to come help. Essentially putting peoples lives at risk with the response time. People have DIED due to response times in this county but they don't see that.	3/3/2024 5:41 PM
218	Cobb island needs emts	3/3/2024 5:34 PM
219	Do not want charter	3/3/2024 4:47 PM
220	More people to help and respond faster.	3/3/2024 3:49 PM
221	Please add career fire. So many volunteer fire stations fail to go on calls and there are many gaps in their responses times.	3/3/2024 3:48 PM
222	You need to realize that Police Communications is separate from 911 communications. While that is the way it should be, access to funding, pay and other benefits are NOT equal even though the same certifications are rquires for both. Staffing and retention are an issue for both.	3/3/2024 3:44 PM
223	Career EMS staff	3/3/2024 3:43 PM
224	No to Charter! It was voted down about 9 years ago, and you are wasting our money trying to bring it back. Emergency services are great!	3/3/2024 2:34 PM
225	Please move EMS back to Cobb Island full time	3/3/2024 2:28 PM
226	I don't think the county should be paying for additional services.	3/3/2024 2:21 PM
227	We need paid fire	3/3/2024 2:19 PM
228	I don't want a charter board. AT ALL.	3/3/2024 2:14 PM
229	Pay increase for first responders. Full staffing for first responders. Government provided childcare for essential workers.	3/3/2024 2:13 PM
230	ALL stations within charles county needs at least 1 county staffed ambulance It's not fair that some areas are guaranteed EMS service and others are not that rely on volunteers that don't always staff their units. Every tax paying citizen should be entitled to the same privileges	3/3/2024 2:10 PM
231	ANIMAL CONTROL needs to be more visible. Dogs, especially aggressive breeds like pits bulls and huskies ALWAYS get loose. Residents use NEXTDOOR to find owners. ANIMAL CONTROL should start policing neighborhoods and communities on a regular basis.	3/3/2024 2:08 PM
232	Suck a dick.	3/3/2024 1:28 PM
233	I think the noted services, particularly EMS and Fire & Rescue deserve increased and consistent funding and pay. The trucks, equipment need updating and it should be priority 1 considering they save the lives of Charles County residents everyday. You cannot ask or expect the best of your not proving the money and best resources for them to do their job whether it volunteer or paid.	3/3/2024 1:28 PM
234	Increase staffing to 2024 levels. Volunteers need help.	3/3/2024 1:27 PM
235	Definitely NOT! Leave it alone!	3/3/2024 1:27 PM
236	I believe the county would benefit greatly with paid fighter fighters	3/3/2024 1:24 PM

238	Hire more career staff. Give them more authority than they have.	3/3/2024 1:16 PM
239	Wouldn't 24/7 fire and EMS improve overall delivery of those services to residents?	3/3/2024 1:11 PM
240	Add more career staffing and support the volunteers that show up more.	3/3/2024 1:10 PM
241	I prefer having professionals who receive wages and benefits to serve our county. This ensures stability within the workforce and is likely to improve response times and performance expectations.	3/3/2024 1:06 PM

248	No leave as is.	3/3/2024 12:12 PM
249	Fires burn hotter and faster than in the past due to modern building construction and the composition of many furnishings and other home goods being petroleum based. Occupants have less time than ever to escape a fire in their home. Volunteer companies that are understaffed, unstaffed, or reliant upon home response do not afford the best chance of survival for trapped victims and secondarily in preventing undue property damage due to delayed response and extinguishment.	3/3/2024 11:51 AM

	service is desperately needed.	
271	Yes career fire and ems with keeping volunteers but one county system not each station responsible for and accountable to it's citizens	3/3/2024 10:18 AM
272	I believe Charles county as a whole is doing what needs to be done as a fire and ems department.	3/3/2024 10:12 AM
273	Financial incentives, daycare possibilities, and/or other fringe benefits to spur community members to become active long term volunteers at VFD/VRS.	3/3/2024 10:08 AM
274	Need more paid services. Volunteers are few and far between and the truth is the volunteers aren't riding the ambulances. Staffing on the fire trucks is also getting slim. Need to start supplementing stations before they continue to not get out when needed	3/3/2024 10:05 AM
275	No	3/3/2024 10:03 AM
276	Need more paid paramedics to work with volunteer ems. Volunteers are essential.	3/3/2024 10:01 AM
277	Absolutely!! Volunteer EMS is gone, the average ACTIVE member at a station throughout the county is probably 5. Look up the stats, actually find out how many they have, not just "members on the list" but actual active members that physically run calls and can produce stats.	3/3/2024 10:00 AM
278	Stations are double dispatched due to not getting out on the regular. Units are constantly failing. There is a lack of standards throughout the county with no oversight. Yes on paper there is but there is no true accountability. Volunteer numbers are falling nation wide. This issue needs to be addressed before it becomes a bigger problem. I would feel much safer with paid firefighters	3/3/2024 9:56 AM
279	Nope	3/3/2024 9:55 AM
280	We definitely need more police and emergency response services here	3/3/2024 9:48 AM
281	There needs to be more accountability on how the current funding is spent by the volunteers. They have immaculate, huge buildings with lots of "parade ready" apparatus but nobody to staff the units. It seems the funding could be spend more responsibly.	3/3/2024 9:42 AM
282	Stop paying volunteers for answering up understaffed so they get paid and don't show a "scratch". Be more vigilant on overseeing the volunteers and how many people respond instead of the padded rosters they have in an attempt to keep their doors open.	3/3/2024 9:34 AM
283	100% Paid EMS with the opportunity to volunteer. Hold volunteers to the same standard that paid EMS is. Paid Fire for stations with staffing issues.	3/3/2024 9:34 AM

291	Combination Paid/Volunteer is the most cost effective for the county residents and service is satisfactory. A fully paid system will cost the taxpayers too much. Taxpayers are over taxed now. We don't need any increases.	3/3/2024 8:03 AM
292	No change needed	3/3/2024 7:54 AM
293	Presently Charles County is limited to dispatch outside the County. Especially during the Covid-19; have they done a study on the surrounding counties with the same situations? Have they come up with possible solutions on improvement?	3/3/2024 2:09 AM

294	I feel that all EMS/Fire services members should be provided with the necessary equipment and training to handle all emergency situations. All emergency personnel should be paid employees.	3/3/2024 12:20 AM
295	I believe each of these areas should be heavily funded to hire more employees to service a growing County.	3/3/2024 12:08 AM
296	Exploring alternative ideas are always a good idea.	3/3/2024 12:05 AM
297	Yes I've seen it take over 45 minutes for an ambulance to come to football field thankfully it wasn't life threatening BUT how would we know that in advance.	3/3/2024 12:03 AM
298	Emergency Services needs more funds = staffing. I am against Charter Government.	3/2/2024 9:38 PM
299	Fire apparatus and personnel should match the Counties population numbers.	3/2/2024 9:20 PM
300	Those who receive payment for their services definitely should be paid more! It's more than a job to them; it's a way to show their commitment to our community.	3/2/2024 9:08 PM
301	No, our county taxes are high enough as it is. If we implement a paid Fire and EMS service our taxes will be even higher.	3/2/2024 8:57 PM
302	no, it works as it is now. I see no reason to make any changes.	3/2/2024 8:45 PM

306	No to charter government	3/2/2024 7:08 PM
307	I would like to see an increase in paid positions for emergency services.	3/2/2024 7:02 PM
308	In addition, I have witnessed at least three occasions where residents allow their dogs to roam and they they are not tended to. They are aggressors towards other dogs who are on a leash with their owners. It's a shame that when residents want to take a walk around the neighborhood, they have to carry sticks or weapons for protection. We should be able to be proactive about our health and not have to worry about being attacked by dogs.	3/2/2024 6:46 PM

313	No .. never .. no!n	3/2/2024 6:20 PM
314	I disagree with the existence of a charter board. Charter board =crookedness and we already have enough of that	3/2/2024 6:20 PM
315	Supplement the current volunteers with paid drivers or officers on fire apparatus in the highly populated stations in the county	3/2/2024 6:19 PM
316	Animal control in particular is either woefully underfunded or mismanaged or both. Kill rates are abysmal and emergency response is inadequate to non existent.	3/2/2024 6:13 PM

322	I will not vote for charter. I do not trust the way the process came to fruition under the manipulation of of 3 commissioners that I do not trust and want to vote out of office.	3/2/2024 5:04 PM
323	I'm a fan of the combined services. Volunteer emergency service has a long, proud history in our country and our county. It provides opportunity for residents to use the skills they've learned to serve their neighbors while providing a place and organization for friendships and leadership development that makes our community all the more stronger for it. When the paid services fill the gaps of volunteer service, it ensures all are covered and cared for.	3/2/2024 4:46 PM
324	Leave it like it is.	3/2/2024 4:26 PM
325	Why dont we have around the clock fire /ems? the Vol system is a dying breed. How many stations are failing or barley getting out by the 5 min mark? How many times is another station alerted knowing that theres a high chance the closer station to the call just might fail to respond?	3/2/2024 3:41 PM
326	Skip the expansion of government that is Charter and use those funds instead to expand emergency services. I mean, you want to save lives and not advance a political agenda protected by those that protect racial hatred, right?	3/2/2024 3:36 PM
327	Paid fire service	3/2/2024 3:03 PM
328	The county is busting at the seems with most stations barely able to provide service adequately. It is time for fire service to join the ems where there is substation over site and fix to the staffing problems county wide.	3/2/2024 2:51 PM
329	More paid EMS. If volunteer continues, it should be regulated by the county. No individual stations. All stations under county government. County has the use of all stations, vehicles and equipment.	3/2/2024 2:43 PM
330	Increased number of career EMS personnel and County owned ambulances.	3/2/2024 2:31 PM
331	Think Charter will be too expensive less services	3/2/2024 2:24 PM
332	Paid firefighters	3/2/2024 2:10 PM
333	Budget needs to be increased and additional personnel hired	3/2/2024 2:10 PM
334	Properly fund and provide additional incentives to the volunteers we have in place now. Jurisdictions all over are having problems hiring First Reponders. Getting rid of the volunteers would be detrimental to this county's public safety	3/2/2024 1:54 PM
335	I don't think a Charter Govt is what the residents of Charles County needs. If there was a way to eliminate 911 from having to dispatch for non-emergencies it would help alleviate the system or build another hospital for all of the ignorant people who want to be transported.	3/2/2024 1:52 PM
336	Please consider application of FEMA's SAFER grant which would initiate the process to have paid Fire Department personnel.	3/2/2024 1:50 PM
337	Keep DES handling EMS only	3/2/2024 1:38 PM
338	Remove one engine and one ambulance funding from all stations. Distribute funding from those units to the remaining units. The unfunded units can remain in service but must be fund by not tax money. As some units already are.	3/2/2024 1:34 PM
339	No	3/2/2024 1:25 PM
340	Taxed too high as it is, don't add anything else until this gets under control. STOP BUILDING.	3/2/2024 1:15 PM
341	Would like to hear a clear explanation of the pros & cons of each and additional options. Those of us who aren't involved in this firsthand don't have much of a knowledge base to decide without that clarification, but we likely know the outcomes we want.	3/2/2024 1:08 PM
342	Paid fire service. More fire/ems stations. More 911 communications staff.	3/2/2024 12:53 PM
343	Hire more EMS personnel to staff ambulances	3/2/2024 12:53 PM
344	No charter board. Stop messing with ordinary people and their lives for your greed. Please.	3/2/2024 12:33 PM

from the emergency services. At the very least the current practice of every fire department is their own entity that makes up Charles County fire and EMS needs to be unified, the county needs to step in and establish leadership and logistics ie standardized gear and equipment. Current leadership is that of each station has a chief and other respective officers and rules/regulations and practices vary widely throughout the county

349	Maybe the government should encourage volunteering and stop throwing money at everything.	3/2/2024 11:41 AM
350	I think we need to staff emergency medical services with full-time paid staff members. We can supplement with volunteers, as a reserve staff, but not base the emergency services provided on those volunteers.	3/2/2024 11:26 AM
351	NO Charter.	3/2/2024 11:22 AM
352	Animal Shelter more centrally located to better serve the animals and people. White Plains is a good area. Climate controlled kennels and night drop area. TNR programs with managed colonies. Paid fire service to supplement the volunteers.	3/2/2024 11:18 AM

370	Half the people trying to "run this charter board" couldn't run a lemonade stand. You're listening to a washed up previous chief from PG county that's not even off probation at his Charles County volunteer department. Whom also ran his previous department into the ground, there's news articles on it. If the charter board is going to listen Mr. White and think that he is a good example of what to do then I want none of you deciding anything regarding our county's Emergency Services.	3/1/2024 3:35 PM

responsible, when they are on critical staffing and still have a dozen employees sitting in offices on Audie Lane. 1	Once you introduce paid crews you will lose a lot of the volunteers and still end up short staffed. Just look at Prince George's County.	3/12/2024 6:35 PM
2	No, because it has been shown in other counties not to work. If the Fire Chief position was funded would this person be voted in? How could the citizens be sure that the person put in this position has a fire background?	3/12/2024 3:06 PM
3	put paid in charge and the volunteers will go away just like P.G. county	3/12/2024 2:11 PM
4	I support ethical behavior from our elected officials. Accountability and Ethical behavior is always important. We ask for it. We expect it. We demand it. We march for it. Sadly, Accountability and Ethics only matter to many when it comes to holding others accountable. Why is that?!	3/12/2024 1:23 PM
5	Again, the volunteers have done a great job for decades, but the increasing number of calls the increased hours of training have started to make it difficult for them to keep up. Most companies do not need 24/7 paid staffing but some need staffing during times when vol are not typically available based on data. The need for additional stations to cover new development may well require paid staffing and County built stations with county owned apparatus. County Government Leadership needs to thoroughly read the recommendations of Comp. Study Report Aug. 2019. The current system has 14 independent incorporated volunteer departments. There needs to be one fire chief with authority over all companies. A County paid Chief is needed to develop metrics (response times and staffing, etc.) and measure performance, develop a strategic plan and request funding to deal with growth in the future, establish and enforce systemwide policies and procedures, all with input from the current	3/12/2024 9:59 AM

volunteer chiefs and association. The Paid Chief should assess the equipment needed and its location. Currently there is way more equipment than vol personnel to staff it and at least one company needs be disbanded and merged with a near by company as has been recommended by the last 2 Comp Studies. The County needs to plan for the future now, not wait until there is a crisis. This does not require Charter Government!

6	If volunteer base is not sufficient	3/12/2024 9:36 AM
7	We have enough Chiefs need more Indians in the EMS side only	3/12/2024 9:02 AM
8	This is actually a two fold question and should be broken down further, so that people can respond to 1-volunteer and paid fire service; 2-county funded Fire Chief position.	3/11/2024 5:30 PM
9	Do we really have a choice?	3/11/2024 4:27 PM
10	As long as the Paid Fire Chief has command and control over the volunteer's,budget and equipment allocation. The slow stations are getting too much and the busy stations are just getting by. Some stations have wasted equipment just sitting around with dry rotted tires.	3/11/2024 12:27 PM
11	Pay all of the workers. Volunteers should only be just those who choose to volunteer for service.	3/11/2024 10:32 AM
12	I think it should be 100% paid firefighters.	3/11/2024 7:51 AM
13	I believe we should give more incentives to Volunteers. This would get more to join. Keep taxes low.	3/10/2024 11:29 PM
14	I want help when I call 911. This isn't about what the volunteers want (or career), this is about what the county needs.	3/10/2024 2:52 PM
15	Only if volunteer staffing is not able to serve the population sufficiently	3/10/2024 11:50 AM
16	not in the same manner! The current EMS chief is not in control of volly staff. If there is 3 crews at one station and no volly crew or DES staff at a diferent station the ems chief cannot move them. she should be able to.	3/10/2024 8:45 AM

19	Saw it in PG; did not work then still does not work now.	3/9/2024 10:26 AM
20	No need. Your idea is a waste of money.	3/8/2024 10:40 PM
21	This will eventually lead to a full paid position and not having volunteers. Why pay for the position when the volunteers do an amazing job	3/8/2024 7:27 PM
22	The cost of a combined paid firefighting service would be extremely costly. The volunteers do a great job with limited funds to meet the current needs. A paid Fire Chief would do nothing but set up a dynasty that would be out of control. Look a PG County and other jusisdctions.	3/8/2024 2:34 PM
23	If this would raise our property taxes, no. Our taxes are amongst the highest in Maryland. With the amount of taxes we pay, there should already be an allotment for paid staff.	3/8/2024 5:56 AM

32	If you're gonna pay the volunteers, then yes. No charter government.	3/7/2024 2:58 PM
33	NO paid fire we do not need it	3/7/2024 2:54 PM
34	We already pay outrageous taxes now taxes would be raised to pay for.	3/7/2024 2:37 PM
35	I'm	3/7/2024 1:30 PM
36	Ems in my opinion is the issue. Staff Ems and leave the suppression to the volunteers.	3/6/2024 10:57 PM
37	The volunteer fire departments in this county do an excellent job responding to calls for service. There is no need for a county funded Fire Chief position. The coordination between the Emergency Services and volunteer fire departments is excellent. The current system is working well, volunteers take care of their equipment and their stations. There does not appear to be a need for changes.	3/6/2024 1:49 PM
38	Paid ems not paid Fire	3/6/2024 12:56 PM
39	Paid employees will guarantee someone responds in a timely manner, no waiting for a driver or waiting for a crew	3/6/2024 12:14 PM
40	under control of the Volunteer Chief not county	3/6/2024 8:03 AM
41	Leave Charles county all volunteer you'll be killing a legacy	3/6/2024 2:24 AM
42	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:52 PM
43	Don't want a charter government	3/5/2024 7:32 PM
44	No need to change what we have.	3/5/2024 6:11 PM
45	The volunteers do just fine. Unlike our elected officials, they care about their community and do not do it for the pay. This charter is just a way for some to get huge pay days at the taxpayers expense.	3/5/2024 4:05 PM
46	No changes to Fire and EMS....No new tax increases!!!	3/5/2024 12:59 PM
47	I am saying yes, however this will cost the tax payers a ridiculous amount of money, so the quantity and pay of these positions will have to be carefully planned.	3/5/2024 12:13 PM
48	If there is a paid fire chief for the county it will ruin the strong volunteer system which is currently in place. Look at our neighbors in pg and also king george to see how it ruined their once strong volunteer system	3/5/2024 11:54 AM
49	Yes, provided the volunteers are still allowed to run calls even when staffed by paid personnel. Other jurisdictions have not allowed this.	3/5/2024 11:10 AM
50	I believe this would be appropriate as long as the position description, duties, and tasks are there.	3/5/2024 11:07 AM
51	Anything that raises my already too high taxes, I am against.	3/5/2024 11:04 AM
52	Police Agency not included in this funding. They run efficiently now and does not need change.	3/5/2024 11:01 AM
53	No one wants a charter government. The commissioners are already ruining this county, no need to further destroy it.	3/5/2024 10:49 AM
54	Leave things as they are	3/5/2024 10:46 AM
55	No charter	3/5/2024 6:16 AM

57	If you want to destroy the system like they did in PG then vote for this nonsense.	3/4/2024 8:27 PM
58	The volunteers of Charles county are very strong and committed to serving their communities our biggest problem is funding and our county commissioners work against us and not with us	3/4/2024 1:12 PM
59	The only thing wrong with this system is they are not adequately funded nor are they funded 100%	3/4/2024 11:45 AM

## Charter Board of Charles County Public Safety Survey

60	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
61	Charles county needs to be primarily paid staff, however, volunteers can supplement paid staff, but should never been 100% volunteer.	3/4/2024 10:18 AM
62	Listen, our taxes in Charles County are through the roof.. please put our tax dollars into the hands that need it such as the Bryan's road area. Yes let's get this done.	3/4/2024 12:49 AM
63	This too should be an all paid department. If you are going to have a fire truck, you should have the staff for it 24/7. Trained experts must be compensated and respected. We must respect the level of education required to do the job well and fund them accordingly.	3/3/2024 11:43 PM
64	No to paid firemen	3/3/2024 10:52 PM
65	There should be a person that everyone reports to.	3/3/2024 10:49 PM
66	Those who serve in these capacities now are altruistically motivated to start.	3/3/2024 10:46 PM
67	No Charter!	3/3/2024 10:01 PM
68	Our fire volunteers have an amazing rate for being all volunteer. We do not need paid firefighters in our county. The volunteer firefighter system in our county works.	3/3/2024 8:21 PM
69	Yes, as I can see it now....there are to many "cooks in the kitchen " on how things should be done.	3/3/2024 7:39 PM
70	No to charter	3/3/2024 6:30 PM
71	Volunteer departments are not staffing stations	3/3/2024 6:16 PM
72	How does this question relate to switching to a Charter this decision should be done with citizen voting and district commissioner	3/3/2024 6:12 PM
73	The current hybrid system for EMS is effective. Too often fire equipment in less populated areas of the county is unstaffed in volunteer stations. Our volunteers are amazing, but supplementing them with career firefighters is a good thing for public safety. In addition, a paid county fire chief could bring much needed coordination and standardization	3/3/2024 4:42 PM
74	Why waste the money for a paid county fire chief when each department has it's own which are highly trained and familiar with their 1st due area.	3/3/2024 4:10 PM
75	Yes the volunteers are dangerously unorganized and the response times are terrifying. 30 minutes for the first fire engine to show up and I used to donate.	3/3/2024 3:52 PM
76	If it ain't broke, don't try and fix it.	3/3/2024 2:38 PM
77	I think the volunteer system works just fine, would rather use the money for EMS	3/3/2024 2:29 PM
78	You need to better explain what the "same manner as the current volunteer and paid EMS system" is for a citizen to make a decision	3/3/2024 1:42 PM
79	I think the noted services, particularly EMS and Fire & Rescue deserve increased and consistent funding and pay. The trucks, equipment need updating and it should be priority 1 considering they save the lives of Charles County residents everyday. You cannot ask or expect the best of your not proving the money and best resources for them to do their job whether it volunteer or paid.	3/3/2024 1:29 PM
80	With the understanding that a full time system would be the ultimate goal for the county	3/3/2024 1:14 PM
81	Its too much work to expect from an all volunteer force these days. Even if it just starts with a paid chief and some paid training coordinators/drivers.	3/3/2024 1:12 PM
82	I don't see any reason to create another high employee cost if the current system is working.	3/3/2024 1:03 PM
83	It's another thing for y'all to mess up	3/3/2024 11:22 AM
84	Career staff are needed. They are dependable, reliable and better performing than any volunteer department.	3/3/2024 11:22 AM
85	The fact this isn't a reality already is a travesty and marker that Charles County is FAR behind times. The citizens of Charles County deserve better! Volunteerism is dying Nation wide and	3/3/2024 11:17 AM

## Charter Board of Charles County Public Safety Survey

	we should have already been proactive in the adoption of a combination system	
86	Look at what happened in PG county with introduction of paid fire service. The volunteer system has just about died	3/3/2024 10:13 AM
87	Please please please!!!! I fear for the safety of my family and property if I needed Fire services in Charles county. They consistently fail to respond, severely delayed or have staffing levels of 1-2 per apparatus. This is completely unacceptable for the amount of taxes that I pay!!! I pay \$5600/yr and for what, a park... they're great, but now it's time to actually get what we deserve for the amount we pay. I demand career service and a Fire Chief to hold accountable in this county!!	3/3/2024 10:13 AM
88	There needs to be paid PROFESSIONAL Firefighters in Charles County! You have Fire Departments like Company 12 that get out driver only on calls and that is not only a disservice for the residents but a safety issue. Volunteer Fire and EMS is dying and not being replenished at the rate they are losing members.	3/3/2024 10:06 AM
89	It is inevitable and the County is already behind the 8 ball with this. If we don't start the process soon it will be a very hard lesson to learn and likely someone or multiple people will die in the process. The volunteer system is outdated, extremely volatile, and completely unreliable. For a service that is literally "life and death" there needs to be a guaranteed response. We don't have that.	3/3/2024 9:45 AM
90	We need well trained and professional fire/ems. Having fire that is well trained, and units that are fully staffed 100% of the time is a necessity. The safety our families should not be left up to chance, we deserve someone to respond fast every time.	3/3/2024 9:42 AM
91	Needed to ensure life safety for all. Even PG refused to stop aiding St 3 fire for a while because they are dangerous.	3/3/2024 9:40 AM
92	This question is somewhat misleading as it implies that there is already a county funded chief for the current volunteer and paid EMS system. This is not the case. For clarity, I would NOT support a combined volunteer and paid fire service. I do NOT support a county funded Fire Chief position	3/3/2024 6:44 AM
93	They do get a substantial tax break for their volunteer service.	3/3/2024 6:20 AM
94	Charles County is growing, population and demographics is changing. When that happens you should allow for that growth.	3/3/2024 2:22 AM
95	Many firefighters are older what is going to happen when they retire or die. Younger people cannot work for free.	3/3/2024 12:04 AM
96	The volunteer system is at a decline however the EMS system isn't currently properly funded therefore a paid fire system won't be properly funded. I am against Charter Government.	3/2/2024 9:41 PM
97	How much will this cost the taxpayers?	3/2/2024 8:07 PM
98	It will be unavoidable. The more rural areas may be able to continue with volunteers but the large residential developments won't be able to. Residents commute long distances and cannot commit to this service. They also don't really understand the history and community.	3/2/2024 7:37 PM
99	No to charter government	3/2/2024 7:08 PM
100	Not sure at this time. Would the Fire chief be an appointed position or an elected position?	3/2/2024 7:03 PM
101	I can barely afford to live in this county now.	3/2/2024 5:08 PM
102	Just look at the news reports from PG County and see the potential issues this combined approach would bring does not bode well for this idea. If, in the future, there are gaps that the volunteer service cannot meet, then it might make sense to fill those gaps, similar to the EMS system, with professional support. However, I am opposed to adding more layers of bureaucracy to the existing system.	3/2/2024 4:53 PM
103	Yes, the 14 independent fire companies need one person in charge to establish long range strategic plans, set policy, determine staffing needs and coordinate the location and amount of apparatus needed to deliver services.	3/2/2024 2:40 PM
104	We need paid firefighters, the volunteers are not responding and other jurisdictions such as PG are coming into the county to supplement Charles county lack of staffing.	3/2/2024 2:11 PM

## Charter Board of Charles County Public Safety Survey

105	In addition to a paid fire chief, accountability of the volunteers need to be implemented until they can be supplemented/replaced with career staffing.	3/2/2024 1:54 PM
106	I think the current volunteer organization is doing an exceptable job for the most part. Some of the spending should be looked at closer and justified	3/2/2024 1:43 PM
107	Look at Prince George's county, idiots. Keep driving us volunteers away and wanting paid crews. Not only will the QUALITY of public service go down, the charter government will too.	3/2/2024 1:37 PM
108	We do not need a paid fire department. The volunteers are amazing.	3/2/2024 1:32 PM
109	Want to hear what those currently running and working in the system think	3/2/2024 1:08 PM
110	I am against the charter altogether!!	3/2/2024 12:26 PM
111	I think this should be determined by the firefighters we currently have, not by any Joe Shmo off the street	3/2/2024 12:13 PM
112	Until they have trouble getting fire trucks out to calls I am just fine with volunteer fire service. What most don't realize is these volunteers are career officers on other departments and have great knowledge.	3/2/2024 11:44 AM
113	Same as my previous answer. I think we need to a fire department with full-time paid staff members. We can supplement with volunteers, as a reserve staff, but not base the fire department and services provided on those volunteers. Create and fund a Fire Department.	3/2/2024 11:29 AM
114	Do we have a paid rescue chief? We have been supplementing rescue with paid support for years. If we don't already have a paid rescue chief I see no reason why we should have a paid fire chief. We don't need EMS personnel fighting on scene like what happens in PG County due to the battle for control, recognition and funding. That's a charter FAIL	3/2/2024 11:22 AM
115	We should vote on charter after this cycle where we vote in our districts	3/2/2024 9:37 AM
116	The Charles County Volunteer Firemen's Association (CCVFA) should remain the governing body over all fire fighting services in Charles County. Meaning the CCVFA needs to be funded with a budget allowing the CCVFA to make decisions on when & where to start paying our volunteers for providing fire fighting services throughout Charles County. To include any Officer positions that should become paid in the future. Not a Charter Board or any other form of government.	3/2/2024 6:30 AM
117	No, because the back door deals are already in play for who's getting the position. If said individual is selected Charles County will turn into the dumpster fire like Prince George's County Fire and EMS.	3/1/2024 5:22 PM
118	That would be a huge tax increase	3/1/2024 3:47 PM
119	No to paid Fire!	3/1/2024 2:16 PM

2	Currently, they are only 80% funded, perhaps we could use the additional 20% that they don't get now.	3/12/2024 3:06 PM
3	none of the above .The volunteers are only getting 82% with no tax increase for the past 21 years. even with equipment cost , building cost increasing 30-50%	3/12/2024 2:11 PM
4	That is such an odd question to ask. Who wants there taxes to increase? Who wants to pay additional fees? No matter what residents say or think. At the end of the day, the only thing that matters is, if we pay our taxes or our fees that will be assessed on us, because of the need for some to have HAVE POWER!	3/12/2024 1:23 PM
5	Restructure the distribution of fire tax money by requiring all volunteer companies to submit budget request like other agencies. Additional personnel, equipment and stations could be handled by increased taxes and fees for developers. This does not require Charter Government!	3/12/2024 9:59 AM
6	Rethink how the county is currently spending its finances.	3/11/2024 5:30 PM
7	Such an odd question.	3/11/2024 4:27 PM
8	Figure it out! Don't raise our taxes just to have a paid firefighters do what volunteers have been doing.	3/10/2024 11:29 PM

18	You cannot use the current fire tax (which is used to just pay for operations and maintenance) and try and pay for a new service. County Career EMS funding currently is almost \$18 million for just 143 people. They do not pay for buildings, insurance, supplies, electric, water and other monthly costs. It all adds up.	3/8/2024 2:34 PM

At a time where people are hurting for money to fill up their gas tanks and buy groceries and utilities, there is very little left over, if any and it is not a good time to increase taxes or fees. helpful if the county included a public safety increase fee for all of the new homes that are coming into the county since All of those new homes are drastically, impacting our current resources, ability to do anything and successfully serve the county. done with the school tax on new construction homes

193	It is my belief that the fire tax has not been raised since the 80's. I would split this cost with the remaining half be funded by reduction of the haz mat team and emergency preparedness. Maybe go back to having the positions funded partially by fema. The haz mat team in my opinion is a waste of many dollars when I believe it is ok to have 1 person take care of the scene mitigation but we should at this time rely on mutual aide agreements from full teams all over the metropolitan area. Most fire departments in the county to count for adequate staffing means they all have at a min of haz mat awareness and operations. That means the immediate threat can be identified, secede can me secure and deny entry until. A proper team and contractors for clean up arrive. FEMA grants could supplement a temporary cost as well Finally take from the sheriffs department on the speed cameras and use 25% of the income to support the funding for fire department career staffing. I would say on both side of the fire stations across the county install a camera and that too can be used to supplement the cost.	3/2/2024 2:58 PM
194	Funding should be controlled by the county and distributed as needed by call volume per station. No more of these Taj Mahal stations that can't even man apparatus. Update the older stations, especially the busier stations with modern buildings and amenities.	3/2/2024 2:52 PM
195	Also establish greater control over the distribution of fire tax funds by requiring volunteer companies to provide an annual budget.	3/2/2024 2:40 PM

218	Charles County is already one of the highest taxed counties in the state so there is no reason to raise taxes simply use the current taxes better and stop funding things that money was not intended to fund like legal fees for a racist commissioner that should already have been removed from office and use the money collected in taxes for what it was ear marked for in the first place. The current Volunteer Fire budget does not get 100% of the current funding from taxes now. The Volunteer Fire Budget shall be funded 100% with no reductions and with any increase or decrease in the budget only coming from a request of the CCVFA.	3/2/2024 6:30 AM

1	Why do we need to pay more. Charles county keeps building so they will get more funds.	3/12/2024 6:35 PM
2	This county needs to look at the busier stations in the county and give them more money. Some of the stations in the southern part of the county have way too many pieces of apparatus and they spend too much money on things they don't need. Waldorf and LaPlata are the busiest areas and should get more yearly funding than any other stations because if you run the stats they run alot of calls monthly compared to a handful a month down south.	3/12/2024 4:50 PM
3	If the Volunteers were funded 100% instead of the 80% they are now funded at.	3/12/2024 3:06 PM
4	Let us be very clear/ This handpicked charter board was formed as a major power grab for corrupt sitting elected officials. They selected their friends and people they are extremely familiar with. The moment this was announced and the charter chair commented in support... many knew he would be selected to this board. He knew it also. The selection process was biased. The appearance of Improprieties were there and are there now. It is not a good look at all!!! It was also formed to lay the foundation, to make Waldorf a Municipality! This is why the conversations were started from the very beginning. Several that support charter has mentioned this a few times. Pay attention. I can guarantee you those that are supporting charter noun are going to lose their minds once their taxes start going up and they will go up!! Where will the staff be housed? Where good evening good is the money going to come from to support a new office building for the town of Waldorf? Police department?	3/12/2024 1:23 PM
5	No...current fire Tax that goes to volunteers is sufficient to purchase and maintain existing	3/12/2024 9:59 AM

stations, trucks, and equipment, but it is not sufficient for new stations in the future or replacement of older existing stations. Although the Fire Tax rate has not increased, the amount of money collects has gone up significantly due to number of buildings being built and the increase in property values. Also, Ch. 54 needs to be changed to require budget request from each volunteer company. The current formula driven distribution system that does not require budgets is 60 years old and out dated. It simply is a formula of how to divide whatever Fire Tax money that is collected between the volunteer companies. Using this method, some companies get too much and some get too little money based of the level of emergencies they respond to. This does not require Charter Government!

6	In order to own/buy a home, an individual must carry home owners insurance to cover the cost/loss of property. So why would additional funds be needed; especially given the fact that the county has increased the number of homes in the county and most are townhouses.	3/11/2024 5:30 PM
7	It does not matter if we support a tax increase or not.	3/11/2024 4:27 PM
8	I would support a small increase to cover the cost for paid fire service, but not additional monies to the volunteer service, due to questions about fiscal oversight.	3/11/2024 4:20 PM
9	Stop giving the volunteers money when they are no longer able to give back to their communities by properly staffing their units.	3/10/2024 8:31 PM
10	I have no problem supporting our local fire departments. But I have a problem with supporting their need to buy new apparatus with flashy chrome and looks. When new apparatus is procured it should be based on the needs and not the look. A lot of these fire departments buy for the new fireman's parade. Extra chrome does not fight a fire. Or driving the truck to ocean city for a fireman's parade. The wasted gas... make sure funds are staying at the fire house and utilized for the areas it serves.	3/10/2024 12:40 PM
11	I would consider an increase in taxes with more information on the amount of the increase and the exact language around the dissemination of funds.	3/10/2024 10:29 AM
12	but accountability for the tax dollars spent. If they were staffed 100% of the time give them 100% of the money that they are due. If they only are providing 50% coverage cut the funding in half. maybe then they will step up and cover more time if not then those funds can go to staffing. Also, i hope to see no more multi million dollar fire houses built with tax dollars. Where is the ROI on such extravagant purchases. \$50,000 bay doors at station 11 is a waste of money just for looks!	3/10/2024 8:45 AM

Replacement of apparatus has increased by almost 50% within last few years and buildings have increased over 100% for new construction. Protective equipment have increased over 40% within last few years and the buying power has reduced greatly. You cannot be continue to be penny wise and pound foolish.	3/8/2024 2:34 PM

33	We can barely pay our bills now.	3/7/2024 2:37 PM
34	Charles County has the highest property tax in the state already	3/7/2024 2:28 PM
35	Again tired of the increases. Nobody is going to be able to afford this county	3/7/2024 1:30 PM
36	This county is getting impossible to be able to live in.	3/7/2024 1:08 PM
37	Only if they stayed all volunteer	3/7/2024 1:06 PM
38	See answer to # 6. Homes are currently over valued because of inflation and the taxes are high enough. I do not support any new tax increases.	3/6/2024 1:49 PM
39	Spend that money on paid employees, more jobs, better structure and unified response and operating procedures.	3/6/2024 12:14 PM
40	Property taxes are already ridiculously high. Again, reallocate current tax revenue.	3/6/2024 10:53 AM
41	Move money from other entities that aren't as important or benefit all of the citizens of Charles county.	3/6/2024 10:18 AM
42	Tax has not increased for over 20 years	3/6/2024 9:15 AM
43	There needs to be tighter control of the existing funds. There have been irresponsible decisions made through politics and the good ole boy system. There needs to be a standard of cover analysis done and resources need to be moved accordingly.	3/5/2024 10:44 PM
44	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:52 PM
45	See above	3/5/2024 7:44 PM
46	As long as it wasn't a lot more than \$266 annually, our Property Taxes are already too much.	3/5/2024 7:08 PM
47	Embezzlement	3/5/2024 6:25 PM
48	Do not raise taxes	3/5/2024 5:20 PM
49	No matter what this survey results are, we already know the county won't listen. This is a waste of time.	3/5/2024 4:15 PM
50	Where you finding a house in Charles County for \$415K that isn't a dump?	3/5/2024 4:05 PM
51	Within reason.	3/5/2024 2:59 PM
52	Only to fund the volunteers to help with the cost of inflation.	3/5/2024 1:41 PM
53	We have a large influx of people living here with new communities being built at every turn which will generate no shortage of volunteers.	3/5/2024 1:19 PM
54	The firehouses look like mansions now.	3/5/2024 12:40 PM

## Charter Board of Charles County Public Safety Survey

55	Other county service budgets need to be reassessed and redistributed. The tax payers of Charles County are already over taxed. And with the growth of the county, there should be plenty of monies being collected to fund this.	3/5/2024 12:04 PM
56	I would not support any tax increase, I would support a reallocation of county funding and major oversight of what is being spent and how it is being spent.	3/5/2024 10:50 AM
57	The citizens of Charles pay enough taxes as is.	3/5/2024 10:48 AM
58	Leave things as they are	3/5/2024 10:46 AM
59	Why fix something that is not broken. Has there ever been a time that fire and medical service has not been provided	3/5/2024 10:42 AM
60	Only if the money goes to volunteer organizations.	3/5/2024 9:21 AM
61	We need to assist with funding these needed departments. Inflation has raised the cost of apparatus and training.	3/4/2024 8:27 PM
62	Apparatus costs have sky rocketed and you have done nothing to support volunteers.	3/4/2024 5:13 PM
63	.08 per 100	3/4/2024 4:05 PM
64	To support the volunteers only	3/4/2024 1:12 PM
65	As well as ensuring they receive 100% of their budget	3/4/2024 11:45 AM
66	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
67	Yes, IF the fire and EMS staff are 100% paid and held to professional standards.	3/4/2024 10:18 AM
68	ABSOLUTELY NOT	3/4/2024 8:44 AM
69	We are seniors and fell we have already gone beyond our means.	3/4/2024 8:10 AM
70	No Charter!	3/3/2024 10:01 PM
71	If a strong business case is rendered to support long term sustainability	3/3/2024 9:22 PM
72	The current Commissioners will use the money for their personal projects	3/3/2024 8:37 PM
73	Absolutely not	3/3/2024 8:21 PM
74	We are already taxed excessively.	3/3/2024 7:45 PM
75	I support our current form of government especially when the commissioner is elected only by members of their district	3/3/2024 6:12 PM
76	Reasonable	3/3/2024 4:57 PM
77	I am happy topay additional property tax, so long as the money ACTUALLY goes to the volunteer service.	3/3/2024 3:51 PM
78	Our taxes are already horrible. It should be taken from other departments.	3/3/2024 3:46 PM
79	Build more houses, get more tax money. No need to increase F&R tax.	3/3/2024 2:38 PM
80	I think you could find less into the volunteer stations and fund more into getting paid personnel. If the volunteers are not riding the apparatus they should not receive the money.	3/3/2024 2:13 PM
81	I would expect the County Government to evaluate current appropriations and determine the best way to move forward.	3/3/2024 1:42 PM
82	Don't take my money because you are broke.	3/3/2024 1:30 PM
83	Don't neighboring counties of similar size supplement those systems with much higher fire EMS taxes?	3/3/2024 1:14 PM
84	Reasonable tax increases. But also proportionately decrease the amount of money given to volunteer agencies.	3/3/2024 11:22 AM
85	Take the money from the volunteer budget	3/3/2024 10:54 AM

## Charter Board of Charles County Public Safety Survey

86	It should be increased, but the funds should go to paid staffing.	3/3/2024 10:43 AM
87	We are already taxed to death find another way!	3/3/2024 10:43 AM
88	If I can afford a 1/2 million dollar house. I'm sure I can scrape up \$300	3/3/2024 10:32 AM
89	Less money to VFD and more to EMS. Most fire service related calls are EMS based. Also use funding increase to pay for fringe benefits to volunteers.	3/3/2024 10:13 AM
90	Unless this funding was to go to career service. The increase in funding to volunteers would be pointless as they have accounts already with PLENTY of money in them and they CANNOT provide any additional services for the increase. They already cannot support the system with the staffing they have now, why would you give them more money to spend freely without consequences.	3/3/2024 10:13 AM
91	I would support an increase to allow a paid combination fire department.	3/3/2024 10:06 AM
92	I would support this if the funding went towards career staffing.	3/3/2024 9:45 AM
93	Only if this is used for PAID fire/EMS. Multimillion dollar fire stations filled with millions of dollars in apparatus that is not 100% staffed needs to end.	3/3/2024 9:42 AM
94	They should not get money for calls responded understaffed and should be held more accountable for their wasteful spending.	3/3/2024 9:40 AM
95	This I would support because it goes to directly to fire service that already is in place	3/3/2024 9:05 AM
96	that is always your answer raise a tax. Stop... We are over taxed right now and taxes should be cut!!!!	3/3/2024 8:09 AM
97	Before we start having increases in taxes for Fire and Rescue, we need a new hospital. Why pay for more Fire and Rescue folks to rush us to a hospital and still wait for 6- 8 hours??	3/3/2024 12:29 AM
98	The volunteers in this county do not get the funding they need. It amazes me how counties like Calvert and st Mary's can afford so much more for the volunteer fire departments but it's like Charles county does not care	3/2/2024 8:27 PM
99	I would to see all fire departments as paid. I think it would raise the level of accountability	3/2/2024 7:38 PM
100	No to charter government	3/2/2024 7:08 PM
101	No increase until an independent review of the current funding is reviewed.	3/2/2024 7:02 PM
102	Vote No to charter	3/2/2024 6:23 PM
103	Marginally, relative to services provided. Taxes are already ridiculous relative to minimal and inadequate services.	3/2/2024 6:14 PM
104	For the county we already pay too much taxes	3/2/2024 5:58 PM
105	Unsure	3/2/2024 5:57 PM
106	I annoy afford to spend more money on this as well as everything else that is going up.	3/2/2024 5:08 PM
107	I'm sure you all will find a bureaucrat to funnel those funds through who will require a 6-figure income and then cry about how they need the county to raise taxes again. Not a fan.	3/2/2024 4:53 PM
108	Yes only for the volunteers.	3/2/2024 4:29 PM
109	These funds need to go to the government department of emergency services for their personnel and equipment. Volunteer Stations are becoming a thing of the past and should not be receiving this money.	3/2/2024 2:52 PM
110	The current funds distribution system is outdated and needs to be replaced with a budget for each company. Currently some companies get too much money and others not enough. They use a distribution formula rather than true budgeting. Each of these companies represent multi million dollar incorporated not for profit businesses.	3/2/2024 2:40 PM
111	Absolutely not! Our taxes are already too much	3/2/2024 2:11 PM
112	Charles County already pays enough in property taxes, only to have it used on County Commissioners attorneys fees.	3/2/2024 2:01 PM

## Charter Board of Charles County Public Safety Survey

113	Volunteers need to have a higher property tax write off without a max AGI like Calvert County has.	3/2/2024 1:55 PM
114	Volunteer fire departments in the area spend money frivolously on fire apparatus that is not needed, volunteer banquets (10s of thousands of dollars) and programs that are over funded.	3/2/2024 1:54 PM
115	I believe there is a need to assess spending and distribution before increasing tax	3/2/2024 1:43 PM
116	Only if it stays as 100% volunteer service. I do not support a paid fire service	3/2/2024 1:41 PM
117	Support the busier companies by giving them the money the slower companies get. ITS THE SAME AMOUNT!	3/2/2024 1:37 PM
118	I'd love to give more money to my volunteer department. Not a paid department.	3/2/2024 1:32 PM
119	It depends	3/2/2024 1:08 PM
120	Stations that are on double dispatch (due to failed responses for service) they should be required to either forfeit funding from the county or pay a fine to the county for every failed or understaffed response. Stations that do not regularly respond to calls should be shut down or turned over to the county.	3/2/2024 12:56 PM
121	I am against the charter altogether!!	3/2/2024 12:26 PM
122	This County OVER TAXES its Citizens TOO much! aka: the new property assessments. The "leaders" who make these decisions are out of control & putting hardship on hard working, tax paying citizens. Lastly, these "leaders" & boards, counsils, committees mis-allocates the already received taxes to frivolous entities- aka: the legal fees of Commissioners who do FOUNDED wrongs against the citizens & employees of Charles County. Each & every "leader", department head, &/or authority in Charles County needs to reassess their spending of each & every dollar of tax money they request &/or granted with a prudent & conservative eye. The citizens of Charles County KNOW this doesn't happen, & they're sick & tired of it.	3/2/2024 11:37 AM
123	I would also support allowing EMS to have more fundraising opportunities. What happened to the Turkey Shoots?	3/2/2024 11:22 AM
124	The volunteers are not adequately funded and need a revenue increase.	3/2/2024 11:05 AM
125	Increase to support the system in place	3/2/2024 10:57 AM
126	As above raise fines and tax Mj in charles county	3/2/2024 9:37 AM
127	Maybe	3/2/2024 8:38 AM
128	Fund the current Volunteer Fire budget at 100% and stop reducing the budget to approximately 80% which has been down every year since the 1980s.	3/2/2024 6:30 AM
129	Increase in tax only to benefit volunteers- not to increase paid fire positions	3/1/2024 5:38 PM
130	Yes if goes to volunteers only.	3/1/2024 3:38 PM
131	If it goes to the volunteers than yes. If not, politicians can go pound sand.	3/1/2024 1:22 PM

#	RESPONSES	DATE
1	Keep the volunteers and offer a better incentive to volunteer.	3/12/2024 6:35 PM
2	Again, I do not think Charter Government is a good idea. As someone who has lived here all my life and did not think I would ever leave, and as a retiree Charter Government would seriously make me consider moving from Maryland because it will be too expensive to live here.	3/12/2024 3:06 PM
3	increase funding and provide tax credits with no income restrictions of the \$2500.00 dollars that is on the books that our commissioners cut to \$500.00 with restrictions	3/12/2024 2:11 PM
4	I DONT WANT A CHARTER BOARD	3/12/2024 1:44 PM
5	See all the above comments... None of this requires Charter Government!!!	3/12/2024 9:59 AM
6	From what I have seen on the questions provided in this survey, it appears that all the Charter Board is doing is looking for more ways to get money from the residents of this county. Not one thing in this survey has shown what the "Charter Board" is going to to to assist the people of this county.	3/11/2024 5:30 PM
7	We all understand why the Charter Board was created. The foundation is being laid to make Waldorf a Municipality. All those supporting this effort will have a change in their tune when taxes begin to rise and taxes will rise. How else will the town of Waldorf exist? Who will pay for the building to house the local government? Police force?	3/11/2024 4:27 PM
8	None.	3/10/2024 5:11 PM
9	Bring paid EMS back to Cobb Island	3/10/2024 2:41 PM
10	Provide incentives to volunteer.	3/10/2024 12:40 PM
11	Consider sharing information on already existing programs such as the retirement program and property tax credit.	3/10/2024 10:29 AM
12	From the top a Chief of DES then 3 branches Fire, EMS, SOD, all 3 chiefs in charge of career and volly staff. all staff held to the same training and appearance and safety standards.	3/10/2024 8:45 AM
13	There is money through county and State that never gets prioritized..extra in the kitty**.let say by an individual that passes away with no family..that money and or property goes where?? It should ultimately go to things such as Volunteer Fire dept. Why should State get it..and we never no where it goes.	3/9/2024 5:57 PM
14	Leave EMS alone.	3/9/2024 5:32 PM
15	The volunteer system is also a great resource for the youth of our community, and could be expanded and provided a great avenue to keep our youth on the right path. A small amount of paid firefighters would be needed and placed as a central location in our county. These personnel would be the trained in the Hazmat and other specific felids within the fire service to ensure these advanced skills are meet. Creating a large scale paid system is not necessary nor is desirable to raise the county tax any higher then they all already are!	3/9/2024 2:00 PM
16	How you going to pay for fire service.... It takes millions up to billions of dollars to start one... where's the money coming from... volunteer services has saved the county millions of dollars... I'm good with it... 100%..	3/9/2024 1:57 PM
17	There's no need for a "proposed Charter Government" to add or alternate anything. The government is fine the way it is and the Fire & EMS system is adequate as it operates now.	3/9/2024 11:41 AM

39	Leave it how it is	3/7/2024 2:54 PM
40	How about the commissioners stop allowing developers to put up these crackerjack toothpick houses. We don't have the infrastructure. They do all this damage then bring in the idea of Charter Gov. to fix it. No thanks	3/7/2024 2:37 PM

49	I do not want any additional or alternative ideas	3/7/2024 11:34 AM
50	Paid fire personnel should be focused in areas of specialized training I.e Hazardous Materials, confined space rescue etc. with being stationed in a central location in the county. The paid fire personnel would assist the well established volunteer system currently in place as needed	3/7/2024 9:54 AM

on calls for service, and create a 24 hour buffer for emergency personnel. The county doesn't need to dismantle or overtake a well established and functioning volunteer organization, and incur additional costs at the taxpayer expense.

## Charter Board of Charles County Public Safety Survey

82	no	3/5/2024 3:12 PM
83	Reliance on a 100% volunteer system as the county grows is not wise. Our volunteers do a wonderful job, but they have lives, jobs, and families. My understanding is that the volunteer ranks have not grown proportionally to the population, and over-reliance on volunteers may be dangerous.	3/5/2024 2:59 PM
84	Allow gambling/Slot machines for revenue	3/5/2024 2:36 PM
85	No charter government should be formed	3/5/2024 2:25 PM
86	The county does not have enough Fire calls to justify the need for a paid service, the increase in taxes for this program is unnecessary	3/5/2024 2:00 PM
87	Don't mess up a good thing for county taxpayers. Look for ways to encourage more volunteers by giving them more tax breaks to help compensate them for the job they do for free.	3/5/2024 1:41 PM
88	We need to keep our current form of government	3/5/2024 1:32 PM

114	There needs to be a study on mutual aid services provided to St. Mary's County and the financial burden it places on the Charles County emergency services system. Are our Charles County taxpayers funding their failed system? The next thing that needs to be considered is a reduced cost tuition to the University of Maryland to obtain a college degree for volunteers. The current system for volunteers and career personnel offers substandard incentives compared to other states and even other counties within Maryland. This results in those who have obtained training in Charles County to seek out other opportunities. The last thing that needs to be addressed is those who abuse the 911 system. Other jurisdictions put together action teams involving law enforcement and social services to address situations where 911 is being abused and it results in numerous ambulance calls to the same residence or facility. This is often a negligence situation that requires the intervention of social services and law enforcement. While the initial answer for the board may be to expand or change the services provided, the issues that plague the system need to be addressed. The last thing that needs to be addressed is failing fire departments. When bad leadership runs all of the volunteers out, the bad leadership needs to be removed. There needs to be outside oversight over failing fire & EMS department. Toxic leadership causes our military, law enforcement, and fire & ems departments to fail. This results in tax dollars needlessly being spent to recruit, retrain, and retain replacing those who've left failing organizations. Perhaps the board should consider surveys similar to this to identify broken institutions so that a correction can be made.	3/5/2024 9:21 AM

Why are there thousands more homes and residents but yet the local hospital has not grown to meet the increased demand. Frequent users of emergency services should be hard billed, they are a financial liability ro the rest of the taxpayers who use 911 as it was intended	3/4/2024 8:42 PM

157	You need to pay attention to minimum staffing levels in 911 and Police Communications. Currently minimum staffing for Police Communications is 3. That means one dispatcher for each channel, and a supervisor. That current call volume is about 700 to 1000 calls in 24 hours. The supervisor is left to answer phones, run tags and names, call tow trucks and more with minimum staffing at 3. This leaves no room for actual supervising. 4 would be better, 5 would be ideal. In todays society and economy the lack of interest as well as time has created a void in the quantitative (volume to staffing) and qualitative (quality to staffing) data of emergency calls being answered efficiently. 179	Charles county is a growing community. While volunteers have served the county well, nationally, volunteer recruitment is getting harder and harder. Our residents would be best served by a countywide staffed agency (staffed by a combination of volunteer and career members), able to plan for the future needs of the county. Big picture, long term, this may include relocating or building additional stations, coordinating purchase of specialty resources (ladder trucks, heavy rescue, other services), and supporting a growing county.	3/3/2024 10:59 AM

189	Truly take a look at the services that are provided within the county. The Public Safety service for Fire Suppression that I receive in this county as a tax paying citizen are disgusting! 192	A fire chief they reports to DES would be a good start. The Vol Stations should be accountable to the Fire Chief, Director of DES, Co Admin, and ultimately the County Commissioners. We don't need full career right now, but we need to be prepared for the future by aligning the oversight of the fire service now and in coordination with current volunteer leadership.	3/3/2024 9:51 AM
193	NO NO and NO to paid fire and a paid county chief	3/3/2024 9:45 AM
194	The safety and security of Charles County citizens should be paramount. The volunteer fire/ems service is not able to provide the service anymore. Combination volunteer/paid for both fire and EMS. I would suggest a Monday-Friday staff for fire departments to allow the volunteer system to still exist while providing staffing during times where there is not any at the volunteer stations.	3/3/2024 9:42 AM
195	Properly fund our under supported volunteer system. The current funding for new apparatus and operating budget is so outdated and underfunded that it leaves volunteer companies to struggle to keep up with surviving financially. As for staffing departments; Look at Calvert County they offer massive benefits to their volunteers to support their staffing to include, massive property tax breaks and assistance with childcare for volunteers which cause huge staffing benefits. This whole process hasn't been viewed at from what have been the flaws from the county causing volunteer stations to struggle. Also remember to ask yourself why is spending more money on an already struggling paid DES staffing. Struggling so bad that they allowed temporary employees to lighten the load of the beat down they were receiving and you want to make it worse by expanding the paid system?..... There has been little support from the county for the volunteers and that needs to change.	3/3/2024 9:42 AM

3	How will this be funded?	3/12/2024 1:24 PM
4	There is no articulable reason for a new police department in Charles County. Doing so is a mismanagement of tax funds that are already stretched thin.	3/12/2024 11:57 AM
5	NO NEED! SHERIFF is sufficient.	3/12/2024 11:42 AM
6	There's no reason to have a police department in this county at this time. Realistically, almost all of the personnel for a county police department would come from CCSO - which renders making the change effectively pointless. Charles County is not big enough to require a separate Sheriff's Office and Police Department, and we're already struggling to get enough officers in the first place. Before complicating things by introducing another agency to the county, we need to solve staffing issues with what we already have.	3/12/2024 10:31 AM

7	The CCSO does a great job...another police department with added cost for adminstraion and overhead is NOT NECESSARY. This does not require Charter Government!	3/12/2024 10:03 AM
8	The Sheriff Department is doing a great job. Why bring a Police Chief in to only report to elected officials. Again. Thw Sheriff is appointed by the people he/she serves.	3/10/2024 11:33 PM
9	Nothing wrong with CCSO other than understaffed.	3/10/2024 8:32 PM
10	No thanks. It's cool to have the freedom to vote for our sheriff.	3/10/2024 12:25 PM
11	Our sheriff's do an awesome job and need to be taken better care of.	3/10/2024 11:44 AM
12	With all the home building going on, we'll be another "Waldorf" very soon with all the traffic it generates! We'll need a full on police department to handle the problems that brings to LaPlata & surrounding areas!	3/10/2024 10:33 AM
13	CCSO is doing a good job.	3/10/2024 8:46 AM
14	Absolutely NOT!!!! This is completely not necessary, we have great law enforcement in our county, if any tax payer money that needs to be spent should be done to full support a well established and extremely well respected law enforcement agency.	3/9/2024 2:20 PM
15	Hell no 100%	3/9/2024 2:00 PM
16	Don't support a change. It's working just fine.	3/9/2024 11:49 AM
17	It'll cost tax payers more money.	3/9/2024 11:43 AM
18	We are just fine with the more than capable law enforcement that we have. If we can get bond commissioners and judges to hold those arrested instead of catch and release, there would be less repeat offenders.	3/9/2024 10:28 AM
19	CCSO is one of the best in the state and the Country. Why mess up a good thing? I'm sure Collins has a buddy he wants to appoint, but he needs to keep looking.	3/8/2024 10:42 PM
20	I don't want my government to be in control of the police department. I want to elect the police chief aka the sheriff. Stop trying to turn us into PG county	3/8/2024 7:54 PM
21	Horrible idea. Look at Prince George's County who has both, would you say they are doing great? No, me either. Why in the world would you want to model something like that and risk failure when our Sheriff's Office is doing great and is incredible. So you can have control??	3/8/2024 7:30 PM
22	additional departments would not benefit the community. The Sheriff's Office is currently providing the services we need without additional unnecessary bureaucracy further adding costs to the tax payers of the county while providing the same services. The system we have is not broken and does not need to be changed.	3/8/2024 7:10 PM
23	The Charles County Sheriff's Office is a fully functional police agency that handles all police functions to include court duties, civil process and detention. If it is not broken, don't try to fix it.	3/8/2024 5:51 PM
24	The Sheriff does an outstanding job!	3/8/2024 11:28 AM
25	The extremely high cost of starting a seperate police dept would be an unfair burden to the citizens. The sheriff's office does an outstanding job protecting the citizens. Additionally, the county is currently unable to hire and fund the sheriff's office so they can be fully staffed. We are not even keeping up with attrition. I do not see how the county would be able to support the sheriff's office and a seperate police department. The county govt should focus on supporting and funding the sheriff's office so they can reach full staffing.	3/8/2024 8:24 AM
26	However, would this mean an increase in our taxes?	3/8/2024 5:57 AM
27	This same process was done on prince George's county and does not work. We need to stop big developments by over population.	3/7/2024 7:51 PM

32	We already have a functional sheriff's office. Don't need more layers of high paid people.	3/7/2024 6:09 PM
33	The cost would be too much . The cost just for a new police chief, plus the search, would be in the mid 6 figures.	3/7/2024 5:45 PM
34	Our sheriff's dept is doing the job already	3/7/2024 5:29 PM
35	Crazy talk. Must be kept separate from political agendas.	3/7/2024 4:03 PM

38	Keep things the way they are! We need to have a voice in who is in office.	3/7/2024 3:28 PM
39	If you would prosecute per the constitution, there would be less crime and less criminals on the street, and therefore crime would go down, and we would not need any additional police force.	3/7/2024 3:00 PM
40	Leave it ALONE	3/7/2024 2:55 PM
41	No need for another police department. Fund the one we have properly.	3/7/2024 2:47 PM
42	Why break up the sheriff's office when they actually are doing a great job.	3/7/2024 1:31 PM
43	I believe that the system that is in place is great.	3/7/2024 1:00 PM
44	A police department is just another way for the County Commissioners to gain control. The Sheriff's Office does an excellent job as is and is underappreciated in this county. If you go to a police department, you will 100% lose many of the great police officers currently employed by the Charles County Sheriff's Office.	3/7/2024 12:56 PM
45	The current law enforcement system in place in our county is excellent. There is no reason to create another redundant system. If anything the county needs to plan increasing the Sheriff's Office size to match the growth of the county's population. Money used to fund a "police department" could be spent on matters such as overcrowded schools/ shortage of qualified teachers, the fact our county only has one hospital that is overcrowded, the increasing homeless population in our county / lack of mental health services Obviously the only logical reason to take on this extremely expensive task and dismantle an effective law enforcement agency is to take away the public's ability to choose its head law enforcement figure and give that power to a county executive.	3/7/2024 10:27 AM
46	The current Sheriff's Office does a great job already. We do not need a Charter Board.	3/7/2024 9:58 AM
47	We already have both, the Sheriffs Police. This system is working just fine. There is no need for double duty. Our county cannot support both.	3/7/2024 9:29 AM
48	Say no to the charter board.	3/7/2024 7:35 AM
49	Charles County does NOT need a police department! The Charles County Sheriff's Office is the best in the state of Maryland! I do NOT support a police department!	3/7/2024 7:29 AM
50	Our current Sheriff's office does an amazing job.	3/6/2024 8:11 PM
51	The Charles County Sherrifs office does a good job with public safety.	3/6/2024 4:24 PM
52	The Charles County Sheriff's Office is one of the largest and best Sheriff's Offices in the State of Maryland. They provide excellent services and the Sheriff serves at the pleasure of the voters, as does the county council. A county police department puts the police chief at the mercy of the county council and he's only accountable to 5 people. They can change who it is at will and this leads to disfunction, lack of continuity, and corruption in the county council as they control who the police chief is and are not accountable to law enforcement. See Jack Johnson in Prince George's County a number of years ago. The FBI had to get involved to set it straight. There was also a great deal of drama between Wayne Curry and the Sheriff of Prince George's County after Wayne Curry got elected. He had a grudge against the Sheriff who had previously caught him illegally carrying a gun into the courthouse while he was an attorney. He cut funding for the Sheriff's Office to the bone and service to the citizens suffered. At one point there were 45,000 unserved warrants and crime was rampant. Similar to my answer about the fire chief, the only reason for a police department and chief is to consolidate power at the county seat for the benefit of the council. Under the current system, the voters	3/6/2024 2:21 PM

elect the Sheriff, but the council must fund the Sheriff's Office. The council and Sheriff must work together professionally and council members are still subject to the rule of law. If the Sheriff does not perform his duties, then the voters get rid of him, not the council on a whim or perceived slight. Sheriff Berry served many years in internal affairs and keeps the Sheriff's Office running according to regulation. Bad apples don't last. Don't fix what isn't broken.

53	No broke don't touch	3/6/2024 12:57 PM
54	What a stupid question. Why would we need a police department when we already have good policing in Charles County?	3/6/2024 10:28 AM
55	Sheriff can handle, no need to increase size of government when it is not needed.	3/6/2024 9:18 AM
56	The current Sheriff's Office does a great job of protecting and serving this county. There is no need to raise taxes to bring in another department when we have town and county police.	3/6/2024 8:51 AM
57	There are already multiple law enforcement agencies operating within the county.	3/6/2024 8:29 AM
58	The sheriffs office does an outstanding job!!	3/6/2024 5:39 AM
59	The Charles County Sheriff's Office does a great job solving crime and preventing it. coming from a county where it take 15 to 20 mins just to get a 911 call in. Again, why would we add when they are going the job and doing it well without costing tax payers more.	3/5/2024 10:24 PM
60	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
61	If this is what a charter government is for, i don't want a charter government.	3/5/2024 7:53 PM
62	Having a separate police force makes it so the county commissioners cannot strong arm or make changes they deem necessary.	3/5/2024 7:48 PM
63	Don't want a charter government	3/5/2024 7:33 PM
64	The structure of the current law enforcement agency for the county, the Sheriff's Office, works. I DO NOT support changing from our current Sheriff's Office model. As county residence, we have the privilege to elect a new Sheriff every four years if we don't line the direction the elected sheriff is going we can vote them out. If the board elects to create a police department, it would no longer be a choice for the voter. Plus, the current Law Enforcement system if an elected Sheriff with a Sheriff's Office as the primary law enforcement for the county works, if you change that you break it. You don't have to look far at how it's failing in other jurisdictions like PG County, Montgomery County, Washington, DC. Folks from PG County and DC like our model so much they are moving to Charles County in droves.	3/5/2024 7:22 PM
65	Horrible idea. We have a great sheriffs office.	3/5/2024 6:44 PM
66	There is nothing wrong with the Sheriff's Office we have. The environment and working conditions are second to none. The Officers are dedicated employees. But this based on this people are saying a Charter Gov't will be no added expense. How can you have two police departments, but yet at no added costs?	3/5/2024 6:25 PM
67	Absolutely not. Why be different and change something that is not broken. CCSO handles all law enforcement, outside of La Plata without any issues.	3/5/2024 5:48 PM
68	Our sheriff office is considered one of the best, why are you looking to destroy that.	3/5/2024 5:45 PM
69	The Sheriff's Office is very good. An appointed police chief is a political position who doesn't do what's best for the county but what those who appoint him desire. I do not support the formation of a police department. Additional the cost or creating a police department out way any possible benefit. Keep the Sheriff's Office	3/5/2024 5:33 PM
70	I want my law enforcement head to be accountable to the people and not an individual executive. Answering to a county executive creates a higher possibility of unethical or corruption, look no further than the other counties with police departments, their politicians aren't policed by the police allowing for more corruption.	3/5/2024 5:33 PM
71	Law enforcement should be served and headed by an elected official who will lead the way the voters support. An appointed chief will serve the needs of his boss, which is not the electorate.	3/5/2024 5:21 PM
72	The sheriff's office is the best in the state.	3/5/2024 4:37 PM

73	The Chief law enforcement officer in the county needs to be voted in by the people.	3/5/2024 4:36 PM
74	The Charles County Sheriff's Office is a great law enforcement agency compared to any other agency in the state. This request for a Police Department sounds like a county executive who wants the power to dictate the path of a police department. Right now, as it should be, the Sheriff is elected to and responsible to the people in the county. Not one person. This is a power grab the new County Executive wants and there is no other reason for it.	3/5/2024 4:32 PM
75	NO	3/5/2024 4:17 PM
76	Why take accountability away from the taxpayers? So we'll have one guy/gal deciding our law enforcement? No thanks. Already have one racist on the board and a thief. I don't want them deciding on the chief law enforcement officer of the county.	3/5/2024 4:10 PM
77	The Charles County Sheriffs Office does an excellent job of handling all tasks given.	3/5/2024 4:06 PM
78	The work the Sheriff's Office is doing currently is working just fine. We do not need to add any new departments to the agency.	3/5/2024 3:46 PM
79	No, the Charles County Sheriff's Office is the best sheriff's office in the State. Do not destroy something that is not broken. We already have La Plata Town Police, Maryland State and CCSO - another police department is NOT needed.	3/5/2024 3:21 PM
80	bad idea	3/5/2024 3:13 PM
81	The sheriff's office does not have the approval to hire enough officers to keep up with the county's constant growth in neighborhoods and population. Adding another law enforcement agency would not solve this problem. Properly fund the law enforcement agency that is in place.	3/5/2024 2:49 PM
82	The current sheriffs office does an excellent job for the county	3/5/2024 2:27 PM

86	It would cost too much, and the Sheriff's Office is currently doing an outstanding job. There is no need or want for two police departments in the county.	3/5/2024 1:35 PM
87	Again I don't understand why you are trying to reinvent the wheel. What is the reason that you need to change a law enforcement institute that has had an outstanding reputation for serving its community. I moved here from an area that did not reflect the same reputation. 8. Having an elected official for Sheriff is more comforting than an appointed chief of police.	3/5/2024 1:27 PM
88	No what's wrong with the one we got now	3/5/2024 1:18 PM
89	Absolutely not!	3/5/2024 1:02 PM
90	It is a waste of public dollars to transfer to an additional law enforcement agency when all needs are being covered now.	3/5/2024 12:59 PM
91	Why pay for law enforcement services twice???	3/5/2024 12:59 PM
92	I like our Sheriffs Office	3/5/2024 12:39 PM
93	The Sheriff's Office has a proven record of providing excellent service and a police department would cost too much money and serve no additional purpose other than spending taxpayer money. I think we could use the money for better services.	3/5/2024 12:38 PM
94	Sheriff Troy Berry and the Charles County Sheriffs Office do an outstanding job policing and enforcing law in the county.	3/5/2024 12:35 PM
95	Why would we need 2 county police agencies? There is MSP and LPPD as well as CCSO. The board even says it, CCSO is a full service agency and does a fine job.	3/5/2024 12:19 PM
96	The Charles County Sheriff's Office is a full service Agency that takes care of all the needs you just listed. Why would anyone want to spend millions of additional tax dollars just so the Commissioners could control the Chief of Police. The Sheriff is elected directly by the residents of this county. There is no benefit to splitting up these duties and charging the	3/5/2024 12:16 PM

residents more in tax dollars just so the County Commissioners can grab more control!!! That would be ludicrous.....

97	the Sheriff's Office does a great job for the community.	3/5/2024 12:05 PM
98	The ccso is one of the best law enforcement agencies in the country. Making a police chief would take the policing decision out of the hands of an elected police official and into the hands of a politician.	3/5/2024 11:56 AM
99	The Sheriff is an EXPERIENCED AND SWORN LAW ENFORCEMENT OFFICIAL, elected by the citizens of Charles County. THE Sheriff answers to the citizens. The Sheriff has the ability to employ his/her experiences and skills for combating crime and improving the citizen's quality of life. The County Commissioners usually are not experienced with Law Enforcement. A Police Department has an Appointed Chief who does not answer to the public, but to the County Executive. This Sheriff's Office is sound and the best form of Law Enforcement around. The Charles County Sheriff's Office is also the best law enforcement agency in the state of Maryland. The counties which have a police department, are for a much larger population with large commercial infrastructures such as Montgomery County. And, it just doesn't work for the betterment of the voting citizens. We do not need another government entity in between an elected Sheriff and the voting citizens of Charles County.	3/5/2024 11:51 AM
100	The Sheriff's Office is very well-respected and operates effectively. The functions of the Sheriff's Office as is work appropriately, and there is no need to fix a system that is not broken.	3/5/2024 11:33 AM
101	The addition of a police department to Charles County would long term be detrimental to the citizenry of Charles County. Not that the problem is universal but in some areas with police chiefs or police superintendents who answer directly to a city or county council, administrator, mayor, executive, etc, they are having major issues with crime or in some cases being misused by the elected city or county officials to harass the citizens. The Charles County Sheriff's Office does a stellar job of working for and with the citizens of Charles County. If ANY additional funding is to be considered for Law Enforcement in CC, it should go to the Sheriff's Office and La Plata Town PD. The creation of an entire new countywide police force would be an immensely expensive project that Charles County is not ready for. The government would have to fund new facilities, personnel, firearms, vehicles, equipment, training facilities, etc. What is currently available is adequate and could honestly use MORE financial support from the county... not a entirely new police department. Do not try to fix something that is NOT broken.	3/5/2024 11:26 AM
102	We have a first class law enforcement agency already!	3/5/2024 11:25 AM
103	I do not support this in the least. There are over 300+ Officers on a fully operational Sheriff's Office now, in addition to countless support personnel, and those within specialty units ranging from Forensic Science, Drone Operations, Digital Forensics, K9, Criminal Investigations, and School Resources. The entire law enforcement infrastructure is in place - and the idea would be to what, make them responsible for court and detention? This seems completely ineffective.	3/5/2024 11:22 AM
104	Charles County has one of the best Sheriff's Office in the vicinity. We already have a small Town PD that still defers to CCSO on most calls. Overall satisfied with current operations of the Sheriff's Office	3/5/2024 11:17 AM
105	Our law enforcement is currently accountable to the voters and taxpayers and this should not change. If we do not like the direction our law enforcement is going, we can elect a new leader. With a chief he/she is only accountable to the county executive. You are attempting to fix something that is not broke.	3/5/2024 11:12 AM
106	DON'T FIX WHAT ISN'T BROKEN!	3/5/2024 11:02 AM
107	Adding a police department poses no benefit to the people as we already have the Sheriff's office who does a great job. Adding an additional department only causes for more cost with no true benefits.	3/5/2024 11:01 AM
108	Those duties are being handles well already. The implication would be a burden to the tax payer.	3/5/2024 10:59 AM

110	The Sheriff's Office has done well by this county. A Police department would only allow the "Charter Members" to have control and added much needed, unnecessary taxes on citizens. This idea is ridiculous.	3/5/2024 10:54 AM
111	The Sheriff's Office functions now just fine. I like that I can elect my Sheriff. I like that its ONE unit. It makes things less confusing for an average citizen, they go to ONE place. I also don't think you'd find enough employees to staff ANOTHER agency.	3/5/2024 10:54 AM
112	Why would you want to ruin one of the oldest Sheriff's departments?	3/5/2024 10:54 AM
113	I want my law enforcement official accountable to the the people not a county executive. No police department	3/5/2024 10:52 AM
114	What we have is working very well.	3/5/2024 10:51 AM
115	We do not need a police department. The Sheriffs office needs more officers since the county is constantly expanding and bringing more houses and crime to the county. Better pay equals better candidates for both police and correctional officers.	3/5/2024 10:51 AM
116	Charles County has the best sheriff's office in the state and there is no reason to destroy something that isn't broken.	3/5/2024 10:48 AM
117	This always turns into a department where everyone is unhappy and swamped with bureaucratic hurdles where nothing gets done. Moral always drops, and crime increases.	3/5/2024 10:48 AM
118	The Sheriff's Office serves the needs of the county just fine. The sheriff is also elected by the people. Not controlled by the government.	3/5/2024 10:45 AM
119	Why incur the additional expense when we have a law enforcement function that is outstanding.	3/5/2024 10:44 AM

121	We don't need a police dept. ccso is the best	3/5/2024 10:41 AM
122	The sheriffs office provides excellent law enforcement services and the county does not require a police department. If the county goes to create a county police department it will go the way that Prince George's and Montgomery has, where the residents get fed up with the county service and hire town police to patrol their jurisdictions. When this happens, the county will lose tax revenue and be forced to cut their services, which are often viewed as substandard in those jurisdictions. Take Bowie City for example. The residents there do not under any circumstances want Prince George's County Police patrolling or investigating in their city. What the county officials must ask, is do they want Charles County to be filled with townships and cities with municipal police and fire departments? Mark my words, this is what will happen. Additionally, the county commissioners will have to deal with a police union. The sheriffs office often keeps police unions at bay. Is Charles County ready to deal with a law enforcement officers labor organization that's more vocal on how things are running?	3/5/2024 9:32 AM

139	Absolutely unnecessary. I don't want council members or county executives hand picking a puppet police chief	3/3/2024 5:48 PM
140	Our county sheriffs department is enough.	3/3/2024 4:11 PM
141	This seems like a good idea, but there is no need for it. Besides, CCSO can barely stay staffed, how in the worls would you staff a whole new department?	3/3/2024 3:55 PM
142	The Power of the Elected Sheriff is Omnipotent - Degrading the Sheriff would be a shame	3/3/2024 2:50 PM
143	We have a Sheriff who is doing a great job. Why spend more money on a police department? It doesn't make sense.	3/3/2024 2:43 PM
144	No. But please add to the existing Sheriff department. We never see any law enforcement on Cobb Island.	3/3/2024 2:31 PM
145	"addition of police department " to do what? Most of the deputies and police officers in Charles county are friends or associates with residents and they don't uphold the law. Charles county has slowly became a run-down, drug and crime infested place. Despite the number of new businesses, Charles County is starting to have the same crime problems of neighboring DC and Baltimore. Hire law enforcement personnel of INTEGRITY who will put the law first instead of law enforcement personnel who "hook up" and "watch out for" their friends, partners, homeboys, and neighbors.	3/3/2024 2:23 PM
146	Our sheriff dept already does a great job	3/3/2024 2:14 PM
147	Again, you need to better explain how this new police department and what it's pros and cons are. I don't understand why a new police department is needed if the current CCSO serves this function.	3/3/2024 1:44 PM
148	I think the current structure works fine.	3/3/2024 1:33 PM
149	There is nothing wrong with the Sheriff's office	3/3/2024 1:18 PM
150	I do not support more politics in law enforcement. A PD would have a Chief appointed by a politician/political body. That could mean a police state or selective law enforcement based on the whims of the appointing authority. I prefer the elected Sheriff for law enforcement. No need to create another high paying government employee. The voters will determine whether a Sheriff is doing an acceptable job. Creating a PD only creates some duplication of duties and more cost to the taxpayers.	3/3/2024 1:18 PM
151	I wasn't aware that CCSO was failing to meet the law enforcement needs of the county.	3/3/2024 1:16 PM
152	I dont want the county politics to be able to destory another efficient agency. At least the sheriff doesnt have to kiss the counties politicians asses	3/3/2024 1:15 PM
153	There is no need for this.	3/3/2024 12:15 PM

154	Leave as is	3/3/2024 12:03 PM
155	Better oversight	3/3/2024 10:59 AM
156	Only if the court system will stop letting criminals out. More police doesn't mean a better justice system.	3/3/2024 10:49 AM
157	Enhance what we have	3/3/2024 10:45 AM
158	Or get volunteer sworn police officers??? There's a reason the states don't have volunteer police. They have auxiliary police. Hence the reason we should have paid Firefighters that are supplemented by the volunteer system.	3/3/2024 10:35 AM
159	The ccso has been very good to this community.	3/3/2024 10:27 AM
160	Keep the Sheriff, this type of position should be elected not selected.	3/3/2024 10:15 AM
161	Already have CCSO	3/3/2024 10:14 AM
162	Sheriff does a great job. Just support them.	3/3/2024 9:08 AM
163	Another tax & control issue. No, No, No...	3/3/2024 8:11 AM
164	I see this option as just more bureaucracy, personnel, and cost with no net increase in public safety	3/3/2024 6:50 AM
165	Perhaps in the future. Population matters too. Income matters too. Is the County receiving the correct funding that's needed for our citizens?	3/3/2024 2:37 AM
166	The more officers the better! It will also provide additional opportunities for local students to serve their communities.	3/3/2024 12:44 AM
167	Nah I think they already don't understand the lines and cross them to many times now.	3/3/2024 12:05 AM
168	Again, our taxes are high enough already.	3/2/2024 9:02 PM
169	Our Sheriff is doing a fabulous job. We do not need a Police Department.	3/2/2024 8:14 PM
170	There are a lot of facets to this. Not a yes/no question.	3/2/2024 7:37 PM
171	No to charter government	3/2/2024 7:08 PM
172	Nothing wrong with what we have .	3/2/2024 7:03 PM
173	What happened to the police station that was set up behind the local Burger King in Bryans Road? That presence needs to be here.	3/2/2024 6:50 PM
174	I don't believe that Charles County is in need of a police department. Our Sheriff's Department has done and is doing a great job. Don't try to fix something that's not broken. What we really need is additional FTEs for the department to keep up with our growth!	3/2/2024 6:48 PM
175	No to Charter Govt	3/2/2024 6:24 PM
176	It is very much needed.	3/2/2024 5:59 PM
177	I think it needs to stay a separate entity. Stop trying to make county government bigger and more expensive. I think a county executive will have too much power. Charter board is not what the people want and not what we voted for.	3/2/2024 5:12 PM
178	The sheriff department has served us well since it's inception. The sheriff needs to be accountable to the residents not the politicians and bureaucrats. There is no need for two departments with split duties. This would just be another expense that we, the tax payers would have to pay for.	3/2/2024 4:59 PM
179	What we have is adequate. It's the court system that needs attention. The police do their job but then the court system fails to punish offenders	3/2/2024 3:09 PM
180	Where do you think the funds are coming from to support this?	3/2/2024 2:12 PM
181	We already have a good Sheriff's office. If people here want two then move back to wherever they came from. I've lived here 53 years and we don't need Charter Govt.	3/2/2024 2:04 PM

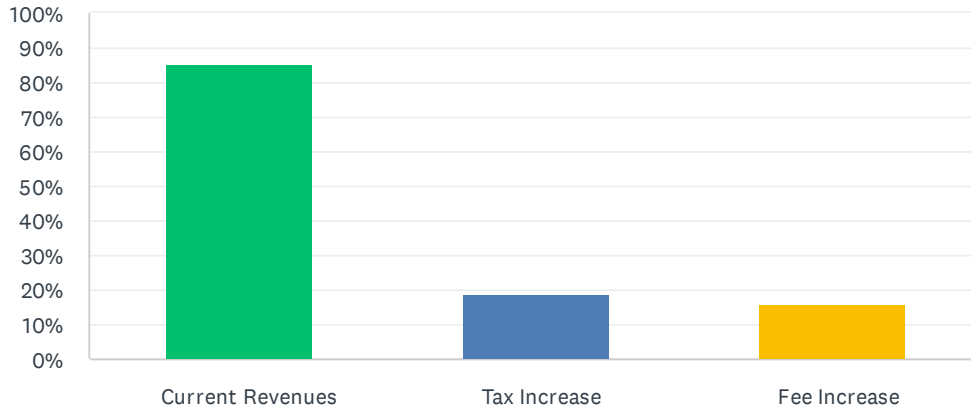

## Charter Board of Charles County Public Safety Survey

182	An elected sherriff works for the people to enforce the constituional law. A police department works for one executive and enforces policy with no commitment to the constitution of this country.	3/2/2024 2:00 PM
183	I do not know what the benefit would be, so it's impossible to say whether or not I would support this.	3/2/2024 1:25 PM
184	The CCSO is fine just as it is.	3/2/2024 1:20 PM
185	Have you thought about how much it is going to cost the county's tax payers to have another police department? Are you out of your fucking minds. Say no to charter.	3/2/2024 12:37 PM
186	I am against the charter altogether!!	3/2/2024 12:26 PM
187	ONLY if the monies are taken from the tax funded legal fees the Commissioners enjoy.	3/2/2024 11:53 AM
188	The Sheriff's office has done a great job and continues to do a great job day in and day out. This is just a power grab by local government to have control of the Chief. The sheriff does not answer to local government, he answers to the public in which he serves.	3/2/2024 11:51 AM
189	With an increase in crime that many residents seem to complain about, an additional police force would be welcomed. La Plata currently has a Police Department, County Sheriff Department, and Maryland State Police. That seems to work for them.	3/2/2024 11:40 AM
190	The cost to add a police department will be expensive. It would add additional executive staff salaries, additional buildings needed as well as additional officers with no guarantee the current CCSO officers would transition to a police dept.	3/2/2024 11:03 AM
191	In time yes, but let's get the charter structure in place first and in the future voters can choose to add a police department as the need becomes more clear	3/2/2024 9:08 AM
192	Why?	3/2/2024 8:40 AM
193	The Sheriff is elected by the citizens of Charles County and is not appointed by some corrupt government entity. There is to much government overreach in Charles County now we do not need to add any additional government agencies especially an armed force solely run and operated by the government. The Charles County Sheriff's office is more than sufficient in providing law enforcement to the county. There is absolutely no reason to have an additional police force that would be 100% government owned and operated. Any funding that was or is being considered for any additional Police force needs to go to the Charles County Sheriff's office 100%.	3/2/2024 7:04 AM
194	They are doing a great job no need to	3/1/2024 3:48 PM
195	Not needed. Where will the money come from to create such a department. Our taxes are high enough as it is.	3/1/2024 2:28 AM

## Q9 If this change is implemented under charter, how would you suggest Charles County pay for the additional costs? (Check all that apply)

3	No reason for a police department when the Sheriff's Office is doing a good job at this point. Provide the necessary funds for the current Sheriff's Office to provide adequate manpower to accomplish the mission.	3/12/2024 11:57 AM
4	NO CHANGE!	3/12/2024 11:42 AM
5	POLICE DEPT. NOT NEEDED!! NO ADDED COSTS BUT TO INCREASE CCSO AS NEEDED. See question above.	3/12/2024 10:03 AM
6	We don't support another police department	3/12/2024 9:41 AM
7	I do not support this even in the event the Charter should take over. We already has state and Charles County Sheriffs office working for us. Adding yet one more police agency to work at maintaining law and order does not better the community. Why can't more police be added to the current Sheriffs office. Two different police agencies within one county will only confuse resident and will provide redundant services for which the residents will have to provide additional funding.	3/11/2024 5:38 PM

assessment here in Charles County just doubled this year. Even proposing this additional expense on the taxpayers of this county, in such a time of high inflation, high interest rates, shows a very sad disconnect in our leadership. Hard working residents of this county are struggling to buy housing, groceries, and cover their monthly bills..

47	none	3/7/2024 7:44 AM
48	I do not support the implementation of a police department. The services currently provided by the Charles County Sheriff's Office are more than satisfactory and our county does not need this additional expense.	3/7/2024 7:38 AM
49	NO POLICE DEPARTMENT!	3/7/2024 7:29 AM

54	Do not raise taxes. There is no need for a police department and it would be a waste of tax payers money	3/6/2024 2:14 PM

67	DONT DO IT!	3/5/2024 10:24 PM
68	Dumbest idea ever!	3/5/2024 8:10 PM
69	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
70	I do not want this there fore I shouldn't have to pay for it. It is hard enough to staff the sheriffs office. Where do you suppose this new force will come from. The Detention Center is over 40 officers short. Do something about that.	3/5/2024 7:48 PM

75	Do not do it and not worry about having to pay for it.	3/5/2024 6:25 PM
76	There is not a need to change our government. Our Sheriff's office is the finest around and this whole idea of changing things is nothing but a power grab.	3/5/2024 6:12 PM
77	Don't raise taxes for something that is not needed.	3/5/2024 5:55 PM
78	Non of the above. It is honestly a horrible idea.	3/5/2024 5:48 PM
79	Do not raise taxes. A police department is a waste of tax payer money	3/5/2024 5:45 PM
80	No police department. It's needless use of tax payer money	3/5/2024 5:33 PM
81	If it's not broke don't try to fix it. There for leave it as it is,	3/5/2024 5:32 PM
82	I don't want a police department. The sheriffs office is fine the way it is.	3/5/2024 5:21 PM
83	Do not support	3/5/2024 5:21 PM
84	If left as it currently is, there would not be a need to increase taxes.	3/5/2024 4:46 PM
85	Residents should not be additionally taxed for a new department that is not needed. The Sheriff is elected by the people to serve the people. This is a power grab for a new county executive and relates to Rueben Collins not getting along with Sheriff Berry because he cant tell him what to do.	3/5/2024 4:32 PM
86	Stop taxing us and trying to grow our government.	3/5/2024 4:17 PM
87	Always looking for ways to tax us. Just once, I'd like a decrease. When there is surplus, it should be given back to the taxpayers.	3/5/2024 4:10 PM
88	The Sheriff's office does a great job already. They just need more officers and an increased budget.	3/5/2024 3:57 PM
89	Again, I do not support a Charter for the policing of Charles County	3/5/2024 3:46 PM
90	This change should NOT be implemented. The citizens are happy with the way things are now. We pay alot in taxes as it is, probably one of the highest taxed counties in the immediate area. Stop robbing the citizens with taxes and leave the Sheriff's Office alone. It's a strong organization and servicing the citizens wonderfully.	3/5/2024 3:21 PM
91	bad idea	3/5/2024 3:13 PM
92	Allow gambling/slots	3/5/2024 2:37 PM

95	Politician salaries	3/5/2024 1:48 PM
96	Don't change it	3/5/2024 1:42 PM
97	DO NOT CHANGE IT. There is no need for an additional police force. Give the Sheriff's Office more money to hire more police.	3/5/2024 1:35 PM
98	The amount of money required to start up a brand new law enforcement agency has got to be large. If you want to seriously purpose this, I wouldn't do a survey, but a day that the community can meet and hear why it is you want these changes so earnestly.	3/5/2024 1:27 PM
99	I do not suppoert a Police Department	3/5/2024 1:14 PM

## Charter Board of Charles County Public Safety Survey

105	I think this would be a detriment to Charles County and would be a great cost to the residence of Charles County!	3/5/2024 12:35 PM
106	DO NOT IMPLEMENT THIS CHARTER FORM OF LAW ENFORCEMENT.	3/5/2024 12:16 PM
107	I don't support the additional costs of another county police department at all.	3/5/2024 12:10 PM
108	No way the county can afford to do this without a tax and fee increase.	3/5/2024 12:05 PM
109	No Change is needed.	3/5/2024 11:53 AM
110	If the current form of government was left alone, there would be no need to increase fees or taxes to fund "extra costs". To go to a Charter Government and create a Police Department, this will cost the county residents hundreds of millions of dollars extra, which will drive up taxes tremendously.	3/5/2024 11:51 AM
111	No more money, aren't we the highest taxed County in the Stsye.	3/5/2024 11:25 AM
112	The cost of establishing a fully functional police department from the ground up, plus recruiting officers at a time when no one wants to work in law enforcement, is crazy. How does the Charter expect the citizens of Charles County to pay for this when some cannot even afford to pay for their electric bill, or their enormous property tax bill? Why not consider putting more resources into the law enforcement agency that you current have????	3/5/2024 11:22 AM
113	NO NEW TAXES!! You take enough of our money.	3/5/2024 11:12 AM

117	If the government wishes to add another law enforcement agency then it should not be the people's responsibility to fund a second law enforcement agency	3/5/2024 11:01 AM
118	Wouldn't change it. There's no reason to.	3/5/2024 10:59 AM
119	No need for a police department	3/5/2024 10:58 AM
120	I would like to see an amount that it would cost the citizens because i feel this would be astronomical.	3/5/2024 10:54 AM

128	no this will cost far too much money for the tax payers	3/5/2024 10:44 AM
129	No increases.	3/5/2024 10:43 AM
130	Doesn't need to happen. Police chiefs appointed by elected officials are just the politicians puppets and don't do the right job.	3/5/2024 10:42 AM
131	Do not do this.	3/5/2024 9:35 AM
132	I do not support a county police department. I do not support unnecessary tax increases to pay for additional county agencies.	3/5/2024 9:32 AM

## Charter Board of Charles County Public Safety Survey

136	N/A, no duplicate systems should be created. We already have Sheriffs, La Plata Town Police, and State Troopers. It's inefficient & very expensive to operate multiple law enforcement agencies.	3/4/2024 10:27 PM
137	As need would arise for police chief/dept Coubty would HOPEFULLY have raised the tax base to add more Non residential tax paying entities.	3/4/2024 8:59 PM
138	Do not do it the current law enforcement system works fine	3/4/2024 8:43 PM
139	We don't need a government funded police force. CCSO is sufficient	3/4/2024 8:28 PM
140	DO NOT SUPPORT	3/4/2024 5:14 PM
141	The county can't afford anything as it is and everyone works against us this plan will fail	3/4/2024 1:18 PM
142	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
143	Just say NO!	3/4/2024 10:22 AM
144	DONT DO IT	3/4/2024 9:07 AM
145	No more taxes	3/4/2024 8:05 AM
146	Give those tickets in town for going 1mph over in a 25 that cost like \$110....	3/3/2024 11:46 PM
147	No increased taxes or fees for the government to waste.	3/3/2024 11:19 PM
148	It's not needed	3/3/2024 11:00 PM
149	None. This is not needed	3/3/2024 10:49 PM
150	No Charter!	3/3/2024 10:02 PM
151	None of the above. We pay enough taxes and fees as is. Taking more out of current revenues is a waste of money that could be going toward other needs. Charter seems to be a money suck for residents.	3/3/2024 9:36 PM
152	Combination of the above.	3/3/2024 9:24 PM
153	N/A	3/3/2024 8:53 PM
154	No taxes for current residence. If it had to be done, Attack should be in, increased to all new homeowners coming into our community	3/3/2024 8:26 PM
155	No charter	3/3/2024 8:09 PM
156	Again we can't keep raising taxes. Listen to the citizens.	3/3/2024 7:56 PM
157	Don't do it. Pretty simple.	3/3/2024 6:21 PM
158	I think as high as our property taxes already are you should have plenty of money to pay for it.	3/3/2024 6:19 PM
159	NONE - Sheriff's Department is doing just fine; no need to add an additional "department"	3/3/2024 6:14 PM
160	Completely unnecessary	3/3/2024 5:48 PM
161	I don't support it	3/3/2024 5:00 PM
162	Leave the system as it is with the Sherrifs	3/3/2024 4:58 PM
163	No change	3/3/2024 4:52 PM
164	Do not implement it.	3/3/2024 3:55 PM
165	We have better things to spend money on. This is a supremely bad idea.	3/3/2024 3:55 PM
166	I suggest NO to Charter just due to it not being necessary. It seems it's pretty darn easy for this politically-appointed Charter Board to think up ways to spend more citizen tax money.	3/3/2024 2:43 PM
167	It would have to be current revenue since taxes are already high in Charle County	3/3/2024 2:30 PM
168	We already pay one of the highest tax rates in the state. I can't pay more, or I'll be forced to move.	3/3/2024 2:17 PM

## Charter Board of Charles County Public Safety Survey

169	Don't want the change implemented	3/3/2024 1:33 PM
170	Yall broke	3/3/2024 1:31 PM
171	DONT! LEAVE LAW ENFORCEMENT TO LAW ENFORCEMENT!	3/3/2024 1:29 PM
172	Another no good answer for the question	3/3/2024 1:18 PM
173	Anything to keep Charles County from getting less safe and secure should be explored.	3/3/2024 1:16 PM
174	It shouldn't be implemented.	3/3/2024 12:15 PM
175	No change	3/3/2024 11:43 AM
176	No	3/3/2024 11:29 AM
177	No	3/3/2024 11:22 AM
178	Again, don't implement and no funding is required	3/3/2024 10:52 AM
179	Charging criminals and making them "work" to pay the fees.	3/3/2024 10:49 AM
180	No	3/3/2024 10:48 AM
181	Charge builders not homeowners.	3/3/2024 10:45 AM
182	Do not support a charles county police department	3/3/2024 10:43 AM
183	None	3/3/2024 10:38 AM
184	We do not need another police agency	3/3/2024 10:37 AM
185	THIS SHOULDN'T CHANGE. KEEP IT THE WAY IT IS.	3/3/2024 10:36 AM
186	Pay your current police better and give them good health care when they retire	3/3/2024 10:31 AM
187	Stop making increases. We are already one of the highest taxed countries in the state.	3/3/2024 10:27 AM
188	N/a	3/3/2024 10:15 AM
189	No change needed as what we have works perfectly fine.	3/3/2024 10:15 AM
190	Don't need it.	3/3/2024 10:07 AM
191	I don't support it	3/3/2024 9:43 AM
192	Leave CCSO as is.	3/3/2024 9:41 AM
193	Decrease the representatives salary.	3/3/2024 9:27 AM
194	No need for change	3/3/2024 9:08 AM
195	No charter Govt	3/3/2024 8:59 AM
196	No Tax increases or new Taxes	3/3/2024 8:11 AM
197	None	3/3/2024 7:46 AM
198	If implement this should be covered by existing revenues. If you can show multiple studies where the increased costs result in increased public safety, then consider tax increased but Charles County residents are already over taxed.	3/3/2024 6:50 AM
199	Speed cameras, and the revenues from the fines. There is a huge problem with street car, racing, aggressive, drivers, and speeding. Sufficient to have more cameras helping to regulate dangerous driving.	3/3/2024 6:22 AM
200	Income based. Hasn't it been said Charles County has the highest income in the nation? That should account for something.	3/3/2024 2:37 AM
201	Don't do it.	3/2/2024 9:02 PM
202	Use the funds that would be paid to Charter Board members.	3/2/2024 8:52 PM
203	Do not raise our taxes!	3/2/2024 8:14 PM

## Charter Board of Charles County Public Safety Survey

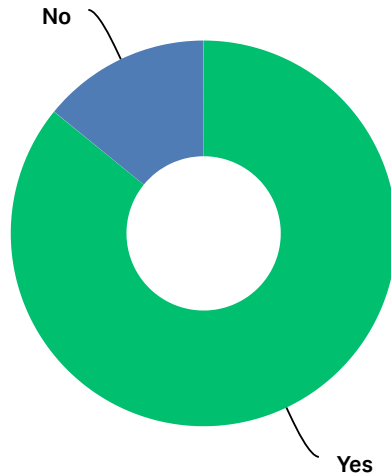

204	I don't support. Charles County is much smaller in comparison and residents already pay too much in taxes.	3/2/2024 7:41 PM
205	No tax increases! No police force! The Sheriff's department does an excellent job.	3/2/2024 7:39 PM
206	There is only one answer	3/2/2024 7:37 PM
207	No to county police	3/2/2024 7:08 PM
208	Happy with what we have	3/2/2024 7:03 PM
209	No	3/2/2024 6:26 PM
210	Put more money toward community and health services. The police do not protect average citizens. They protect the interests of the ruling class.	3/2/2024 6:19 PM
211	Not in favor of increased policing.	3/2/2024 5:35 PM
212	I hope that charter board is not voted fir by the people. The more I learn about it the more I think we cannot afford it.	3/2/2024 5:12 PM
213	Out of the pockets of the protocols and Charter Board members. You want it, you fund it. Leave the rest of us alone.	3/2/2024 4:59 PM
214	None of the above	3/2/2024 3:25 PM
215	None	3/2/2024 3:09 PM
216	No	3/2/2024 2:58 PM
217	Charge for Non-emergency 911 calls that were answered.	3/2/2024 2:52 PM
218	Keep Sheriffs Department	3/2/2024 2:42 PM
219	Too expensive	3/2/2024 2:26 PM
220	Let the Charter Board pay for it if they want it. You are driving people out of this county by what you're doing.	3/2/2024 2:04 PM
221	NO	3/2/2024 1:41 PM
222	Only fans	3/2/2024 1:39 PM
223	Don't.	3/2/2024 1:26 PM
224	unknown. Wouldn't a police for be redundant?	3/2/2024 1:25 PM
225	Again, too much to love here as it is. I don't support this.	3/2/2024 1:20 PM
226	Don't support	3/2/2024 1:07 PM
227	Once again, tax increase. You people need to stop messing with the citizens kf Charles County.	3/2/2024 12:37 PM
228	I am against the charter altogether!!	3/2/2024 12:26 PM
229	See answer in #8.	3/2/2024 11:53 AM
230	Use the council members salaries.	3/2/2024 11:51 AM
231	Again, stop throwing money at problems that don't exist	3/2/2024 11:49 AM
232	Don't need a police department	3/2/2024 11:44 AM
233	I don't want to see a change, the cost is too high	3/2/2024 11:03 AM
234	I don't want to see a change in the law enforcement in Charles County	3/2/2024 10:07 AM
235	Tax Mj in county Raise fees on all driving and Swinford people smoking dope in cars and public	3/2/2024 9:39 AM
236	Not supporting	3/2/2024 8:40 AM
237	No additional police force is needed in Charles County....	3/2/2024 7:04 AM

## Charter Board of Charles County Public Safety Survey

238	Not necessary. Our current Sheriffs Office does everything needed.	3/2/2024 12:05 AM
239	Nothing	3/1/2024 4:00 PM
240	None of above	3/1/2024 3:48 PM
241	Stop trying to make this PG county and the rest that have charter government. They suck at providing services to their citizens and their government is more corrupt with embezzlement issues and misappropriating funds. It's no secret.	3/1/2024 3:42 PM
242	Do not think Charles County needs a Police Department, County is served very well by the Sheriff's Office.	3/1/2024 12:32 PM
243	DO NOT RAISE TAXES	3/1/2024 2:28 AM

1	We have a speeding problem on Cobb Island and no one wants to write the speeders tickets. This county can benefit by giving out tickets and using that money to help with funding.	3/12/2024 4:54 PM
2	Many break ins. Not too many patrols	3/10/2024 11:39 PM
3	YES, they are being meet! So thankful to live in this county, instead of county with a "Police Department" with extremely high crime. Look at the crime rates in surrounding areas with police departments. How can you justify a need to take away from what is working here in our county???	3/9/2024 2:20 PM
4	Law Enforcement - yes. Courts - absolutely not; need to curtail catch and release.	3/9/2024 10:28 AM
5	CCSO is amazing!	3/8/2024 10:42 PM
6	Too much lawlessness. Drivers using turning lanes to bypass traffic then cut in front, teenagers allowed to harass neighborhoods. They need to enforce all laws more	3/8/2024 8:05 PM
7	The officers now are overwhelmed and underpaid. The more residents you drive in from PG county the worse crime is getting. I don't see how you people don't see the correlation. As well as the blatant disrespect for any person of authority. But go ahead and keep building your houses. Also go ahead and keep letting criminals off out into the streets. The judges around here already suck. Charles county would not be safe with any commissioner in power of the police department. All of these people are untrustworthy and abusive of their power.	3/8/2024 7:54 PM
8	100% by the most trusted agency I have ever been serviced by. They are great.	3/8/2024 7:30 PM
9	Charles County Sheriff's Office go above and beyond to perform their duties while serving the communities within.	3/8/2024 5:51 PM

## Charter Board of Charles County Public Safety Survey

10	routine community patrols are needed for visibility and deterrence for youth how continue to smoke weed openly, gambling, and destroy public property	3/8/2024 4:51 PM
11	Yes, currently. However more population will require a change. Limit the population by stopping all the new homes in the county.	3/7/2024 7:20 PM
12	Cc Sheriff's Office is the best of the best.	3/7/2024 7:14 PM
13	Our police are great. Problem is the legal system. Catch and release approach needs to stop.	3/7/2024 4:03 PM
14	There seems to be a good presence of policing in the county	3/7/2024 3:45 PM
15	Because we don't let them do their jobs.	3/7/2024 3:20 PM
16	Hire more sheriffs deputies. Having we do not need larger government involvement, just fund what we have!	3/7/2024 11:30 AM
17	Yes! I am well traveled for my work. Our Sheriff's Office is excellent. I have seen dysfunctional and corrupt police departments, and want no part of this having a possibility to occur where me and my family live.	3/7/2024 10:27 AM
18	The Sherrifs do a good job in Charles County.	3/6/2024 4:24 PM
19	Need more police	3/5/2024 9:58 PM
20	Charles County has one of the best trained and best LE services in the country, a police dept would ruin that and bring in union officers that protect bad cops and hurt good cops, hurt response times and citizen/officer relations. Let the people choose their top cop not a board!!! A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
21	Don't want a charter government	3/5/2024 7:33 PM
22	Yes, they have been met and exceeded. That's why I find this hard to believe the thought of this County wants another Police Dept.	3/5/2024 6:25 PM
23	Never an issue with CCSO.	3/5/2024 5:48 PM
24	Absolutely, compared to police departments in the state we have one of the finest law enforcement agency in the state. Why are you looking to destroy that. Police department fall under the authority of a county executive not the people that elect him/ her. That creates a more favorable atmosphere for unethical behavior and 3 of our current commissioners have shown questionable ethical behavior. The most ethical politician we have is our sheriff, we need that to balance the power.	3/5/2024 5:45 PM
25	A police department is a waste of tax payer money and would allow for greater unethical behavior by our government officials.	3/5/2024 5:33 PM
26	The do a fine job.	3/5/2024 5:32 PM
27	Sheriff Berry is an honorable man unlike our current BOC. Bowling and Stewart at least try, the rest are garbage. Yes, I said garbage.	3/5/2024 4:10 PM
28	Need more officers	3/5/2024 4:04 PM
29	Absolutely!!	3/5/2024 3:46 PM
30	The CCSO provides excellent service.	3/5/2024 1:55 PM
31	Have you taken a look at everything they do, and to maintain favor in the community is amazing. Look north and see what messes exist.	3/5/2024 1:27 PM
32	I picked yes, but the way some juveniles act is concerning.	3/5/2024 1:02 PM
33	The Charles County Sheriff's Office is doing a great job!	3/5/2024 12:59 PM
34	Don't tax the citizens with something that's not needed, just because you have no control over another elected official!	3/5/2024 12:50 PM
35	The Sheriff's Office provides great service.	3/5/2024 12:38 PM

## Charter Board of Charles County Public Safety Survey

36	The Charles County Sheriff's Office is a top notch agency and an example for other agencies around the county to model themselves after.	3/5/2024 12:35 PM
37	Like with the EMS/fire... this county is growing exponentially, and all first responders are struggling to keep up. Maybe stop the growth of housing and dangerous intersections, and work on keeping crime out to put less force on the police agencies in this county.	3/5/2024 12:19 PM
38	The Charles County Sheriff's Office is a premiere Law Enforcement Agency in this state and throughout the country. What is really going on with the County Commissioners that they would want to change something that has worked for more than 370 years? It's not broken, leave it alone.	3/5/2024 12:16 PM
39	The Sheriff's department does an outstanding job. They need the support of the commissioners to stop letting criminals go without penalty.	3/5/2024 12:10 PM
40	Compared to other counties, our crime is significantly lower. Serious crimes are solved faster and investigated thoroughly. The sheriff's office is doing a great job, better than most police departments in the area. I do not see the needs to implement a police department when the one we have is efficient and effective. Also, the cost to create a new department will only increase the cost to live in the county.	3/5/2024 11:41 AM
41	I am extremely pleased with the services being provided by my Sheriff's Office.	3/5/2024 11:22 AM
42	Other than incarcerated individuals being released either by the Commissioner or Courts (since COVID to current) for charges they should be held in jail, the officers are doing their job appropriately	3/5/2024 11:17 AM
43	The sheriff's office is top notch. As stated before why would we want them accountable to an elected official and not the voters and taxpayers? PG Co is a mess and it looks like some want more government. That is the last thing we need as too much government is the reason we are in a this mess now.	3/5/2024 11:12 AM
44	We need more officers	3/5/2024 11:10 AM
45	More than met	3/5/2024 10:54 AM
46	I HAVE FULL FAITH IN MY SHERIFFS OFFICE. Those men/women do an awesome job - don't fix something that isn't broken!!!	3/5/2024 10:54 AM
47	Absolutely sheriff Berry has been the most ethical politician we have in the county. He needs to be the law enforcement official in the county. No police department	3/5/2024 10:52 AM
48	We have an awesome Sheriff's Department and do not need to add to the County	3/5/2024 10:51 AM
49	Charles County has the best sheriff's office in the state and there is no reason to destroy something that isn't broken.	3/5/2024 10:48 AM
50	Charles County Sheriff's Office does a fantastic job.	3/5/2024 10:46 AM
51	Again has there ever been a service failure of the sheriffs office and providing services	3/5/2024 10:44 AM
52	Sheriff Troy Berry and prior sheriff Rex Coffey have provided quality law enforcement services to the citizens of our county for decades. Why are we going to try and fix what isn't broken?	3/5/2024 9:32 AM
53	This is a hard question, yes they are doing their best with what they have. But more is needed. More officers for sure.	3/4/2024 8:44 PM
54	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
55	Yes, with a caveat, you cannot lower standards to bring in more officers. Pay and benefits needs to be addressed, and most importantly, support and back the sheriff's department officers!! The "defund" movement is a complete and utter FAILURE!	3/4/2024 10:22 AM
56	Law enforcement are doing their job; the judicial system is not.	3/4/2024 8:12 AM
57	Bryans Road area is always being neglected In all areas of CHARLES COUNTY.	3/4/2024 12:58 AM
58	We never see them in the community	3/3/2024 10:50 PM
59	No Charter!	3/3/2024 10:02 PM

## Charter Board of Charles County Public Safety Survey

60	Increased presence needed in communities.	3/3/2024 9:24 PM
61	Absolutely Charles County sheriff department does an amazing job with police presence, response, time, and community events that focus on engaging with the community and the youth. More importantly, our resource officers doing an amazing job in the schools helping keep our school safe.	3/3/2024 8:26 PM
62	No to charter	3/3/2024 6:31 PM
63	It takes to long for deputies to get to my address.	3/3/2024 6:17 PM
64	I have never used CC law enforcement. So I am not equipped to respond to this question	3/3/2024 6:11 PM
65	The Sheriffs Office does a great job. Why pay more to fund two different departments to do the same work? It's not broken. Don't fix it. The VOTERS should pick their law enforcement leader, and keep the ability to vote them out if we aren't satisfied. If the public wants one thing, but the council and executive want another, which one will do the people's will? And which one will do what will keep their paycheck? NO POLICE DEPARTMENT OR POLICE CHIEF!	3/3/2024 5:48 PM
66	Have not had need	3/3/2024 2:31 PM
67	The county is too lax in handling juvenile crime	3/3/2024 2:30 PM
68	People with nothing to lose come from urban areas trying to break into cars and homes. Noise complaints aren't addressed, but instead laughed off. Single mothers leave elementary school aged children home unattended for extended (up to 3 hours or longer) periods of time. People who don't live in communities, park their cars in communities and get high.	3/3/2024 2:23 PM
69	Definitely not. They suck. They only care for themselves and do not help anyone.	3/3/2024 1:31 PM
70	CCSO is doing a great job. Give them more positions.	3/3/2024 1:29 PM
71	Generally yes. If I have a problem, the current Sheriff adequately addresses it. He has to do so to keep the voters confidence to be reelected. A Police Chief may not be as accommodating.	3/3/2024 1:18 PM
72	Could still use more officers.	3/3/2024 1:15 PM
73	Try hire enough officer don't need another department.	3/3/2024 11:45 AM
74	I'm creased call volumes, greater response times lack of paid officers on duty.	3/3/2024 11:13 AM
75	For now.	3/3/2024 10:45 AM
76	THEY DO MORE FOR SO LITTLE.	3/3/2024 10:36 AM
77	They need to be better taken care of when they retire	3/3/2024 10:31 AM
78	Yes	3/3/2024 10:27 AM
79	Stop building and bringing in trash residents and low income housing.	3/3/2024 10:07 AM
80	CCSO leadership does not do a good job of ensuring that they are engaged in the whole operation. They are very silo-ed and doesn't coordinate well with other responder agencies. My recommendation is to create the police dept, strip the majority of funding from CCSO for the police dept. This dept needs to be accountable to Co Admin and Commissioners.	3/3/2024 9:56 AM
81	It's been said "Charles County does not have high number of crimes."	3/3/2024 2:37 AM
82	I would like to see community policing especially in elderly communities and especially on the western county side.	3/3/2024 12:44 AM
83	Yes but I live in La Plata so I'm ok with the towns police officers.	3/3/2024 12:05 AM
84	Yes	3/2/2024 9:41 PM
85	Sheriff Troy Berry is doing a fabulous job!!	3/2/2024 8:14 PM
86	Excellent sheriff's department generally. The laws are too soft on criminals, especially juveniles.	3/2/2024 7:39 PM
87	No to charter government	3/2/2024 7:08 PM

## Charter Board of Charles County Public Safety Survey

88	Sometimes. The current agency works great but there are times where i wish there was more patrol officers in communities.	3/2/2024 6:25 PM
89	Catch & release back on the street is BS why should tax payers absorb this	3/2/2024 6:22 PM
90	N/A	3/2/2024 6:06 PM
91	Unsure as I haven't needed to use the services.	3/2/2024 5:59 PM
92	However I don't see as much police presence in some areas. For instance in district 4 the Smallwood village shopping center has a lot of people hangout around stores. I contacted the owner of the property they have security the drives around the shopping center. I was told that they offered the Sheriff department an office space that they could use that would have police presence on the premises. They declined. What a missed opportunity.	3/2/2024 5:35 PM
93	Our law enforcement does a great job in our county.	3/2/2024 5:12 PM

1	This county is full of aggressive and speeding drivers. also alot of people text while driving, last time I checked no texting while driving. Officers start writing tickets you can make alot of money.	3/12/2024 4:54 PM
2	Why do you provide this block for law enforcement but you did not provide the same block for Fire and EMS? Strange.	3/12/2024 11:57 AM
3	The crime in Waldorf seems to be getting out of hand with the growing development. Where are the cops? There needs to be more of a police presence. Hire more cops. Patrolling the neighborhoods. Interacting with citizens and businesses.	3/12/2024 10:32 AM
4	I would like to see more traffic control. Overall I think we have a fine Sheriff's Department with good men and women who care about our county.	3/12/2024 9:41 AM

6	They keep adding housing but not supporting that crime is also growing	3/10/2024 5:48 AM
7	Not enough law enforcement on the roads. They are being dispatched too often for canine detail versus being in our communities building teust and ensuring our safety. Also too many panhandling now in shopping centers etc. parking lots in our local grocery stores are scary.	3/9/2024 9:03 PM
8	N/A, Give the Sheriff's Office more resources to build upon the great job they are doing already!!!! You should be standing by the Sheriff and sporting him and highlighting the good work him and his employees do!	3/9/2024 2:20 PM
9	To many robberies, no one receiving traffic violations, not a lot of police patrolling the areas	3/9/2024 2:10 PM
10	Too much lawlessness. Drivers using turning lanes to bypass traffic then cut in front, teenagers allowed to harass neighborhoods. They need to enforce all laws more. Billingsley and mattawoman intersection is the worst, need a permanent cop there every morning fining all these reckless dangerous drivers	3/8/2024 8:05 PM

109	We have an elected sheriff chosen by the people. A chief, appointed by politicians, can be used as the scape goat for failed policy. The sheriff on the other hand can speak out against foolish or poorly written law/policy and doesn't have to bow down to a politician to keep their job.	3/2/2024 11:49 AM
110	We need to have more of a police presence in areas that are experiencing an increase in crime.	3/2/2024 11:40 AM
111	Residents have little to no input through their Charles County govt or elected officials on how police resources are allocated across communities.	3/2/2024 9:08 AM
112	Why??? Because of the political landscape in the county with Sheriff's office not being allowed to do their job to the fullest extent anymore. For instance not being allowed to chase and apprehend the individuals on dirt bikes, four wheelers or any other none road worthy vehicle that is being operated on the roadways in the county. 1	I don't want the Charter either. Take your "bright" ideas back to all the other counties you have destroyed with Charter Government.	3/12/2024 6:38 PM
2	Again the above statement makes it seem that the Charter Government is a done deal and I as a citizen have no say, this disturbs me greatly.	3/12/2024 3:14 PM
3	Charles County does not need or want charter government	3/12/2024 2:18 PM
4	NO TO CHARTER GOVERNMENT.	3/12/2024 2:00 PM
5	Additional funding for law enforcement in Charles County NOW! The amount of building going on in the county at this time is not keeping up with the amount of county services being provided. Changing the shape or form of government is not going to change your present course of action.	3/12/2024 11:57 AM
6	Increase the police presence and have community involvement. Bring back the bicycle cops in the neighborhoods. The mall should have a better police presence. Inside and out. Maybe increase their pay so they give a damn.	3/12/2024 10:32 AM
7	Devote more resources to CCSO so they can properly hire and fill out critical positions within the agency (as well as retain those hired), especially in sections like Communications, which is critically low on staffing at this point.	3/12/2024 10:31 AM
8	Charles County does not need a Charter Government!	3/12/2024 10:03 AM
9	See above response. This question is acting on the assumption that the Charter Board will be approved.	3/11/2024 5:38 PM
10	Leave the Sheriff Department alone. They are doing a great job	3/10/2024 11:33 PM

15	Our county needs things such as, more schools with qualified teachers to staff them, another hospital to help the only over run one we have, More resources for mental health, and the every increasing homeless population in our county, that every one see daily while driving through our county. You are taking about creating new and adding very expensive things without fixing the problems that effect every citizen of this county every day first. PLEASE !!!! do not destroy something that is working, only to give you more power and control. It is very apparent this is the only reason this would be considered.	3/9/2024 2:20 PM
16	No to charter...	3/9/2024 2:00 PM
17	No, the "Proposed Charter Government" do not need to add or alter any thing. Our government is fine the way it is and our law enforcement is sufficient as is.	3/9/2024 11:43 AM

23	Fund the sheriff's office so they are able to reach full staffing. Then added more authorized positions to them so they can be properly staffed to keep up with the increase in the counties population. An additional law enforcement agency for the county is unnecessary. Any thing that would require an increase to county taxes would unfairly burden the citizens who struggle to keep up with inflation and increased cost for daily life.	3/8/2024 8:24 AM
24	Stay in your lane! Leave our law enforcement and emergency services and tax dollars alone!!!!	3/8/2024 6:14 AM

28	Take care of your current sheriff's department and allow them to do their jobs.	3/7/2024 7:39 PM
29	Recommendation for the charter board: consider disbanding and considering not fixing something that is not broken. Power should not be consolidated to one County executive. Our current government is fine.	3/7/2024 7:37 PM
30	Keep the SHERIFF and let him do his job unhindered by frivolous political strifes.	3/7/2024 7:25 PM

37	Charles county knows where they are problem areas are and need to step up police presence in those areas, that is an easy solution	3/7/2024 3:45 PM
38	I do not want a charter government. I think it's a bad idea. Law enforcement now needs a raise. We do not need to spend money on supporting those who don't do their job, those who commit crimes and people, not worthy of my tax money and miss appropriated, tax money, clean up the act now No Charters	3/7/2024 3:00 PM

60	Sheriff Troy Berry is one of the most ethical politician in the county. He should be and remain the head law enforcement official in the county. A police chief would have to answer to politician and not directly to the people that elected him/her. Keep the sheriff office as the only law enforcement agency in the county.	3/6/2024 2:14 PM

66	What you are not telling people is that a charter government would impact the current Sheriff's Office as it falls under the county government. It's not right to mislead people. All the people answering they are satisfied with current services should be told that all those providing these services may have to reapply for their positions which will impact the services they are happy with.	3/6/2024 8:29 AM

70	Add more officers to the current sheriff's office!!!	3/5/2024 8:10 PM
71	Charles County has one of the best trained and best LE services in the country, a police dept would ruin that and bring in union officers that protect bad cops and hurt good cops, hurt response times and citizen/officer relations. Let the people choose their top cop not a board!!! A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM

74	Leave it alone.	3/5/2024 7:31 PM
75	Please keep the current law enforcement model the way it is with an elected Sheriff (every four years). The only thing I'd like to see change is for you to increase their staffing levels.	3/5/2024 7:22 PM
76	I believe this is a waste of taxpayer funds. Are we trying to emulate Prince Georges County? I hope not. Their form of Govt is a laughing stock, and I do not want to be like PG. If I did I would move and work in that County.	3/5/2024 6:25 PM
77	Do not change our current system.	3/5/2024 6:12 PM
78	Stop trying to destroy what's working. Our law enforcement is one of the most ethical agencies in the state. Plus an elected sheriff answers to the people they served not a politician with questionable ethics.	3/5/2024 5:55 PM

87	Stop trying to fix stuff that isn't broke. This is just a power grab by some. Collins hates the fact he cannot tell the elected sheriff what to do. Let the taxpayers and voters have their say with our law enforcement. Collins has already proven he can't be trusted as he used his county issued credit card for personal use. Anyone else would have been charged with a crime. Can't wait to move from this disaster you created.	3/5/2024 4:10 PM

POLICE. WHY ARE YOU PUSHING THIS IDEA SO HARD? DON'T TRY TO FIX IT IF ITS NOT BROCKEN...

104	Leave the Sheriffs Office as the primary law enforcement agency for the county.	3/5/2024 12:43 PM
105	Leave Sheriff's Office alone to provide safety to county and don't muck up a combination of law enforcement agencies. Seems silly.	3/5/2024 12:38 PM
106	It's not broke, leave it alone. The residence should continue to vote on who will be the Chief law enforcement officer of the county not someone who is appointed working at the pleasure of an administrator.	3/5/2024 12:35 PM
107	No need for another law enforcement agency in Charles County. We already have La Plata Town Police and the Sheriff's Office. One more police agency will mean citizens being ticketed for the same infraction across multiple agencies for simply driving from Waldorf to LaPlata.	3/5/2024 12:30 PM
108	CCSO is an amazing agency. They care about the community, they are actively community policing. They are trying their absolute hardest in the schools, despite the ridiculously relaxed laws. The "catch and release" cycle of arresting and the criminals being released is exhausting, but they still stop the "bad guys" ... Between CCSO, MSP, and LPPD in this county, along with the MdTA, why would there need to be more? These agencies work together amazingly.	3/5/2024 12:19 PM
109	Leave Law Enforcement alone in Charles County, it works as it was designed. There is nothing to gain for the citizens; only the Commissioners.	3/5/2024 12:16 PM
110	Support the law enforcement of this county when they do their job. When a criminal is charged and found guilty, hold them accountable. Our county would have less crime if fewer criminals were on the streets.	3/5/2024 12:10 PM
111	Go away this is not PG county Charles County is already too expensive and the schools are a Joke ! We do not need a jobs program for carpet baggers !!!!	3/5/2024 12:09 PM
112	me and my family do not wish and change to law enforcement. They are doing a great job.	3/5/2024 12:05 PM
113	I support adding more personnel to the existing Sheriff's Office, but there's no need to add a separate Police department and divide responsibilities.	3/5/2024 12:01 PM
114	Leave it the way it is.	3/5/2024 11:56 AM
115	The Charter Government can do as other counties which are larger then Charles County (Hartford and Fredrick) who have kept their Sheriff's Office as the primary body of Law Enforcement. There is no need for a County Police when the Sheriff's Office is doing a sufficient job.	3/5/2024 11:53 AM

120	Keep as is.	3/5/2024 11:26 AM
121	As mentioned above, additional funding and modernization efforts for both the Charles County Sheriff's Office AND La Plata Town PD would be the best solution.	3/5/2024 11:26 AM
122	Instead of devoting time and attention to starting a Police Department, why not invest in developing the current infrastructure of the Sheriff's Office? It seems that there is an inefficient use of resources being dedicated to one idea, but not the other. If someone is unhappy with the current state, why not look to improve rather than completely start over?	3/5/2024 11:22 AM
123	Don't fix something that is not broken. Look around the country and see how these carpetbagging chiefs make their way around the circuit. The sheriff is elected by the people who pay their salary, why take this away?? And how much is this going to cost? I guess it's easy when it's other people's money. Shameful.	3/5/2024 11:12 AM
124	Leave law enforcement alone. If it is not broken, don't fix it.	3/5/2024 11:04 AM

129	Overall two of your ideas is to raise taxes which is astounding figuring Charles County pays one of the higher taxes in the state. Also the saying goes Don't touch something that isnt broke. All EMS/Fire/Police operate pretty efficiently. The biggest issue is you the government allowed a population influx and wont fund the proper gears.	3/5/2024 10:54 AM

142	A county police department would be an awful idea and accomplish nothing. Instead of establishing a new department, try supporting the department that currently exists.	3/5/2024 10:47 AM
143	The sheriffs office isn't broken, so don't try to fix it. We have officers from all other agencies, including out of state agencies that come here because they have a better quality of life with the agency. We already have a hiring issue in the county because no one wants to become the police because of how badly they're treated. We WILL NOT have enough applicants to have a sheriffs office AND a police department. This plan is ridiculous. Keep what you have.	3/5/2024 10:46 AM

154	The county should focus on continuing to have a mixture of county sheriffs and state law enforcement to continue to patrol the county. It has worked for decades. Implementing a system that has failed Prince George's, DC, and Montgomery Counties will not improve the quality of life. Charles County doesn't need more or less law enforcement. It needs quality law enforcement. The Maryland State Police and Charles County Sheriffs provide quality law enforcement as it stands now.	3/5/2024 9:32 AM

Charles County is one of the richest counties in Maryland - we should be, we're taxed outrageously. There SHOULD be money for these needs IF the County was/had been responsible in allocating tax dollars in the first place. Go back "to the drawing board", Board. 252	If you really want to deal with law enforcement issues, vote for legislators who support holding people responsible for their actions instead of bowing down to constituents by telling them nothing is their fault. Their ad kids are their fault. Their poor decision making that gets them arrested is their fault and their inability to get a job because they are always breaking the law is their fault. Not the schools, not the police and not the government.	3/2/2024 11:49 AM

259	Residents should think beyond who the current Sheriff is and instead think longer-term about how institutions that serve us regardless of the people in place. Police Chiefs and Police Officers are respected across the state of Maryland. And those positions are more accountable to residents if wrong doing occurs. The elected Sheriff in Frederick is facing federal gun charges and refused to step down for the good of the county. Residents in Frederick have no recourse. In contrast, qualified, trained police officers can be appointed by and executive and confirmed by a council. If wrong doing, poor policing, or questions arise, those departments have to answer public questions from the Executive and the Council on behalf of residents. That is more accountability for the public	3/2/2024 9:08 AM
