7	I know that this handpicked charter board with selected by self-serving individuals.	3/12/2024 12:44 PM
8	- I DO NOT BELIEVE THAT Charles County needs a Charter Government, but I do believe that in the near future BOTH Fire and EMS service will need a paid chief and support staff, reorganization as a countywide system rather than all independent volunteer corporations, better planning and funding for future growth, and some paid response staffing based on need as determined by realistic metrics.	3/12/2024 9:57 AM

13	It is working; do not change. If anything, give more incentives to volunteers.	3/9/2024 10:23 AM
14	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:50 PM
15	Don't want a charter government	3/5/2024 7:29 PM
16	I am aware of the combination of paid and volunteer services provided to the citizens of Charles County. I think these services are an effective use of tax payer dollars, and increasing the paid services when there are so many volunteer opportunities available would create havoc on taxpayers.	3/5/2024 11:02 AM
17	No one wants a charter government. The commissioners are already ruining this county, no need to further destroy it.	3/5/2024 10:46 AM

18	Thankfully, I haven't needed emergency medical services personally, so I can not answer that question specifically. However, I have observed neighbors/residents needs for emergency services and have observed what seemed to be an appropriate response.	3/19/2024 10:51 AM

20	Too long to get an ambulance sometimes, and I live right across from the Waldorf station.	3/18/2024 1:04 PM
21	I'm not sure how the fire tax is set up, but according to the fire rescue board meeting video, the Waldorf Volunteer Fire requested 3 new ambulances at the cost of 412,000 each. That's over 1.2 million for ambulances that will likely be staffed by career personnel. Then there's the costs of insuring and fueling. Then there station 58. Is that still being funded? They don't have any personnel. Everyone is struggling gaining new members, maybe it's time the county takes over EMS.	3/18/2024 1:59 AM
22	I have a serious concern! I called police on yesterday, man approached me in my yard and stood out side my car asking me for money and cigarettes, I advised him to leave my yard, he walked over on the stood and came back and proceeded to go up my deck steps! I yelled and told him to get off my steps, he hesitated and went and stood over in Park field. I was terrified! My husband wasn't at home, I didn't know if I should get out the car! He just kept standing there! I drove off called my husband, took of him and the non emergency number, when they arrived they advised me another police officer had him around the corner questioning him, she told that he is known to them for a while, he is not all there in the head! That terrified me! But she said she could not arrest him, as long as he left my property! I was terrified again! When she left he walked the neighborhood for quite a while asking people for money and cigarettes! Just to think you live your house with people like that just walking around all day and night!! How do you feel safe?? I'm a woman come home sometimes by myself? Why do we just have to deal! They proactive the act after someone has been harmed scared, feel uncomfortable terrified! Why? Lock him up so he won't do this to no one else! Why do we have to live in fear in our own house! My name is Kimberly Williams, 98 Thompson lane	3/14/2024 6:59 PM
23	In our neighborhood we have to wait for an ambulance from Newburg 99% of the time.	3/12/2024 4:47 PM
24	However, I do think we could use more paid EMS people.	3/12/2024 2:50 PM
25	First let me say the volunteers have done a great job for decades, but the increasing number of calls and the increased hours of training make it difficult for them to keep up. Call load regularly overwhelms current units in some areas, long response times cause delayed service while many volunteer owned units sit in stations without adequate staffing to respond. There are more than enough volunteer ambulances available in the County, just not enough staffing. A metrics driven approach to planning is needed to address rapidly increasing population and resultant growth in call load. The recommendations of the Fire/EMS Comprehensive Study Report (Aug 2019) need to followed; the volunteers have no long-range plan for rapid growth and need for expansion. This does not require Charter Government!	3/12/2024 9:57 AM
26	have not had a need to call them, so am currently unable to answer this question.	3/11/2024 5:08 PM
27	I see Newburg Volunteer Rescue responding to calls in my area which should be covered by Cobb Island Rescue? I've often wondered why?	3/11/2024 12:22 PM
28	I choose to not use the medical supports in Charles because of the awful service at Charles Regional Hospital.	3/11/2024 10:30 AM
29	Too long of a wait	3/10/2024 8:29 PM
30	I have heard of volunteer and career having disagreements on the scene. Things like the fire department feeling like lift assist calls should be EMS only, and leaving EMS units on the scene without offering assistance before they leave. Fire 3 is known to walk across the street	3/10/2024 2:51 PM

Charter Board of Charles County Public Safety Survey

when a lift assist comes out, so they don't have to run the call. As a paid fire fighter in a neighboring county, this infuriates me.

31	Paid EMS were moved off of Cobb Island recently, back to Newburg Fire House, 11 miles up the road. That has significantly impacted response times on Cobb Island.	3/10/2024 2:40 PM
32	Depends where you are in the county. Some fire houses are understaffed with volunteers as new residents are coming to Charles County are working folks, they are not able to volunteer during the day. The retirees and older population are carrying the fire houses during the day. What happens in a large emergency? Thr majority can drive the trucks, but they cannot physically be expected the manage the emergency like a large working fire.	3/10/2024 12:32 PM
33	not enough units in Waldorf. also the outlying areas like benedict and Najamoy are still all volly units without guaranteed staffing. there is no accountability to the volly units when it is not staffed. what's the ROI for multi million dollar stations and fully equipped apparatus (that costs millions also) when there is no one there to get it out and operate it?	3/10/2024 8:30 AM
34	I think so	3/9/2024 10:47 AM
35	But we can always do better.	3/9/2024 10:23 AM
36	Current services are exemplary	3/8/2024 10:38 PM

38	Luckily I have not needed their services	3/7/2024 7:48 PM
39	Fortunately I have not required their services	3/7/2024 7:30 PM
40	N/A have not needed to use them as a new resident	3/7/2024 6:26 PM
41	County is expanding too fast without the infrastructure in place.	3/7/2024 5:39 PM
42	EMS services are excellent!	3/7/2024 3:56 PM
43	Have not call on	3/7/2024 3:31 PM
44	But that's because the commissioners are doing nothing allowing developers to build more and more houses without the infrastructure.	3/7/2024 2:33 PM
45	You are overworking your paid and volunteer services by continuously building without the infrastructure to support it.	3/7/2024 12:52 PM
46	Need more paid EMS	3/6/2024 12:54 PM
47	I've only had paid employees respond	3/6/2024 12:12 PM
48	I believe they are met, however all emergency medical services should be paid. Better services will be provided and better qualified candidates will be more likely to have interest if paid.	3/6/2024 10:51 AM

50	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:50 PM
51	Don't want a charter government	3/5/2024 7:29 PM
52	This county has grown in population and infrastructure at an alarming rate. In my opinion, public safety has tried to keep up, but it has been a struggle. Many stations are having trouble with filling, some even not having coverage some days.	3/5/2024 12:11 PM
53	they do a great job	3/5/2024 11:59 AM
54	Closest volunteer station doesn't have a paramedic and they are not staffed 24/7	3/5/2024 11:50 AM
55	Increased crime has made County facilities short-staffed to respond	3/5/2024 11:07 AM
56	My emergency needs are being met with the combination of paid and volunteer services. I have never noticed anything to the contrary. I think there is excellent coordination of services by dedicated men and women within our County.	3/5/2024 11:02 AM

Charter Board of Charles County Public Safety Survey

57	Have not needed.	3/5/2024 10:51 AM
58	No one wants a charter government. The commissioners are already ruining this county, no need to further destroy it.	3/5/2024 10:46 AM
59	Unsure. To some extent I believe that citizens need to be less dependent on emergency services by understanding and using commercial urgent care facilities .	3/4/2024 8:48 PM
60	DES policy for transports does not measure up to those counties surrounding Charles. The medics are told they MUST transport if a 12-lead is done. This has multiple effects: it's not the intended tools purpose, it weakens skills and differential diagnosis, and waters the system down. Medic units are sitting on walls waiting for HOURS on low acuity calls. Medic crews should try and remain available to the best degree possible for emergent calls.	3/4/2024 8:11 PM
61	Need more EMS units due to volume of new residents and no public safety infrastructure enhancements.	3/4/2024 5:09 PM
62	Yes, but I often see both paid and volunteer EMS at the scene for a single patient.	3/4/2024 1:44 PM
63	Every body wants to put blame on the volunteers but no one is putting blame on these hospitals that are constantly having us stand on a wall for a minimum of three hours	3/4/2024 1:06 PM
64	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:27 AM
65	Volunteer services blatantly "pick and chose" which calls they want to run.	3/4/2024 10:14 AM
66	Need more police patrolling the streets	3/4/2024 2:56 AM
67	I'm in the Bryan's area, and my mother needed medical attention and indian head medical emergency 🚑 had responded when Bryan's road emergency are like less than five minutes away from my home.	3/4/2024 12:33 AM
68	There is always room to improve and that is more difficult with a volunteer service. Trained experts expect to be compensated for their time.	3/3/2024 11:38 PM
69	Not sure. Is there a Fire Chief for Charles County Government who everyone reports to?	3/3/2024 10:48 PM
70	It is absolutely overworked for the amount of people in the county not to mention all of the town houses going up on the parkway. Our EMS system cannot handle the volume of people coming in.	3/3/2024 8:15 PM
71	Many times an ambulance is more than 30 minutes before they respond	3/3/2024 7:58 PM
72	Need more career EMS and Police. No need for paid Fire. The volunteer Fire Department has in the 90+% Success rate. No need to continue to raise citizens tax's for career fire	3/3/2024 7:04 PM
73	It took the crew 20 mins to get to my house.	3/3/2024 6:14 PM
74	I have never used CC EMS. So I am not equipped to respond to this question.	3/3/2024 6:06 PM
75	Our Emts were closer and were moved to newburg	3/3/2024 5:34 PM
76	We need better medical and fire protection from this county. I see og county units over here every day	3/3/2024 4:11 PM
77	Yes. Prior to my father's death, I had to call them out multiple times. No issues at all.	3/3/2024 3:34 PM
78	Fortunately we have not had to use any emergency services, however I am extremely concerned that our closest EMS is now 20 minutes away instead of around the corner on Cobb Island. Did not make sense to take it away from us.	3/3/2024 2:28 PM
79	The hospital is one of the worst I've ever seen. The providers are terrible and the choices are slim. EMS do their best with a broken system	3/3/2024 2:14 PM
80	No, there is no guaranteed staffed EMS unit in the area I live (Indian Head)	3/3/2024 2:10 PM
81	I don't know.	3/3/2024 2:08 PM
82	DES is bad. They fuck it all up.	3/3/2024 1:28 PM

86	We need more staffing readily available.	3/3/2024 1:16 PM

89	It's always a DES ambulance crew that comes to my house	3/3/2024 12:12 PM
90	We need career staffing. I expect the service to be timely, well trained and effective.	3/3/2024 11:21 AM
91	Response times seem to be greater when stations are staffed 24-7	3/3/2024 11:11 AM
92	I haven't used 911 in years but we need to get ahead of the curve. Volunteerism is declining and we need to be proactive, not reactive	3/3/2024 11:10 AM
93	N/A	3/3/2024 11:06 AM
94	They may be now but with all of the development, I hardly feel that they will be able to meet them in the future and I will most likely have to rely on surrounding counties.	3/3/2024 10:39 AM
95	Need more of them	3/3/2024 10:28 AM
96	House fire on Kris dr the the closest fire house did not have staffing and did not come to help paid staff from pg county came to help	3/3/2024 10:18 AM
97	The volunteer EMS service has failed but commissioners do not acknowledge. Volunteer fire is right behind with already a documented Station 12 failing. We as citizens of Charles county are in danger.	3/3/2024 10:00 AM
98	There are not enough paid staff to handle the increased call volume and the volunteers don't have enough people to keep up	3/3/2024 9:42 AM
99	Volunteer EMS is almost non existent. Paid service runs most of the calls. This means I have to wait for a paid crew to respond to my house that is near a volunteer department.	3/3/2024 9:34 AM
100	Presently but concerned that county growth will outpaxe volunteers	3/3/2024 9:24 AM
101	There have been a lot of concerns regarding emergency services not being adequate to support Charles County growth - and I share those concerns - but I have not seen that data.	3/3/2024 8:57 AM
102	Never used these services.	3/3/2024 8:13 AM

106	I would never call for an ambulance and I hope I never have to use the fire department.	3/3/2024 12:03 AM
107	The EMS system and the local ER system are both severely understaffed and underfunded. I am against Charter Government.	3/2/2024 9:38 PM
108	Need paid EMS in every station so that the volunteers can focus their efforts on the fire service	3/2/2024 8:24 PM

mother-in-law when she experienced a life threatening emergency.

115	You are building too many houses and don't have the hospitals or medical staff to help all these people. Wait times in the ER are over an hour which is ridiculous	3/2/2024 6:20 PM
116	N/A	3/2/2024 6:03 PM
117	Unsure. I haven't had to use any of the services.	3/2/2024 5:55 PM
118	I have not needed to use any of the above emergency services to be able to rate this question well. I will not for for charter.	3/2/2024 5:04 PM
119	Need career firefighters that are assigned to fire equipment. Not just EMS / Hazmat	3/2/2024 3:41 PM
120	Not always, frequently there are not enough staffed ambulances available to meet the number of calls in some sections of the county. This results in long response times and long waits for citizens in need of emergency assistance.	3/2/2024 2:31 PM
121	Volunteer companies are regularly getting out understaffed, late, or not at all. The county fire chief and chiefs around the county attempt to cover these statistics up. This counties lack of disciplined emergency service practices WILL result in the death of a citizen or emergency service personnel. (I am a Charles county volunteer firefighter giving my opinion)	3/2/2024 1:50 PM
122	The EMS failure to respond rate is unacceptable	3/2/2024 1:34 PM
123	The paid professionals who have more training and expertise are 30 minutes from my home.	3/2/2024 1:22 PM
124	Need to worry about more hospitals	3/2/2024 1:15 PM
125	Ambulance and fire responses take too long if you dont live in a more populated area. The volunteer system does not keep up with the booming population.	3/2/2024 12:53 PM
126	I am against the charter altogether!!	3/2/2024 12:26 PM
127	Many of the stations are on double dispatch and the citizens are in danger.	3/2/2024 12:19 PM
128	The county should invest in growing the career EMS system.	3/2/2024 11:52 AM
129	Command staff need to be out on the street to supplement crews. There are numerous paramedics that sit in an office all day that do not saddle up when it gets busy. There is a serious management and leadership problem within DES.	3/2/2024 11:03 AM
130	Need more career units	3/2/2024 8:35 AM
131	Because they keep build homes in the county even though all of public safety recommends not to each time a new neighborhood is presented. So stop building homes and hire more EMS and we could be covered then	3/1/2024 10:17 PM
132	On the fire side	3/1/2024 1:59 PM
133	The county continually depletes southern EMS services to send units north when Waldorf and La Plata units are tied up. The current DES Duty Officers spend more time shopping, at Planet Fitness and attending meetings rather than responding to emergency calls. They also delay services from constantly being out of their response districts.	3/1/2024 1:06 PM

2	Yes, I believe the Charter Board should consider additional or alternate ideas regarding government funded emergency services. I see as being beneficial to the residents of Charles County and it will improve the economics by generating more jobs and income within the county.	3/25/2024 4:57 PM
3	I would like to see the County help to recruit more volunteers, not paid staff. The costs are enormous with paid staffing.	3/25/2024 12:00 PM
4	Need additional 24/7 urgent care...does no good being closed at 10pm or earlier. Hospital needs an upgrade or an additional outpatient surgical center. Use more telehealth	3/24/2024 12:51 PM
5	Leave it as need Find it as needed	3/23/2024 5:46 PM
6	No charter	3/23/2024 5:43 PM
7	I see no need to alter the current system unless a problem is identified.	3/22/2024 8:16 PM
8	I would prefer to leave things the way they are. I would prefer the commissioners we have elected start to work for the people of the county and stop working for personal gain. The more people that are put in the mix, the greater chance for corruption and discrimination. No charter board	3/22/2024 7:25 PM

46	Not if it includes a charter government! Secondly, the housing and population is exploding. Property taxes are unreasonable already. A charter government will more than likely increase taxes and fees similar to PG County. It is unlikely that a retired person can stay in this county and not live in poverty. Everything I have watched and read about this charter government has indicated that the majority of the commissioner have made up their mind and the citizens have no say. I realize that anything else I have to say will be ignored because this is not what you want to hear.	3/12/2024 2:50 PM

75	We need more of everything - Charles County is going faster than Emergency Services (of all types, including police, fire department and EMS) can handle. We're already stretched to the breaking point as it is, with all resources frequently being tapped out by regular call volume, let alone if there's any kind of major incident. We desperately need more Emergency Services personnel of all types before we continue building more housing and bringing more citizens into the county, or we're going to end up in a situation where 911 calls go unanswered for minutes at a time due to a lack of call takers, and calls left holding for sometimes hours (which already happens fairly often, depending on the call type).	3/12/2024 10:15 AM
76	The volunteer system isn't working. We need career firefighters and EMS employees...and more of them. If you're going to develop the hell out of the county, the emergency services should be able to keep up. This includes the hospital. The hospital in La Plata is the worst. They don't give a damn. Much like the current commissioners.	3/12/2024 10:13 AM

Charter Board of Charles County Public Safety Survey

77	The County Government Leadership needs to thoroughly read and follow recommendations of the Recommendations of the Comp. Study Report Aug. 2019. EMS needs to be taken over by County. Career personnel already respond to the majority of EMS calls in vol owned units out of vol owned stations. A combined service is still needed, but with adjustments. Early on the majority of calls were run by vols and supplemented by career, but now the majority of calls are run by career supplemented by volunteers. The County and the Volunteers need to recognize this and make adjustments to reflect this shift. The County should start buying their own units since they staff them 24/7/365 (standardization will improve safety and efficiency of personnel) and build new stations to replace old ones and to address growth and call increase. This does not require Charter Government!	3/12/2024 9:57 AM

It's time to evolve like other large communities and have some real oversight for our public safety.	3/10/2024 10:37 PM

94	to know how much we get for the amount of money shelled out to the system we would need to know how often the unit is staffed and by how many (minimum staffing or above). to do this first step the unit should not be "in-service" unless staffed and we could then track hours above minimum staffing. This would also give us info on the times of day and days of the week that staffing is needed at which stations it is needed the most. with that information we could supplement staffing to the right station at the right time. we do not need full bore paid fire but most stations need help for only certain days or certain hours.	3/10/2024 8:30 AM
95	Not broken, don't fix.	3/9/2024 5:31 PM
96	Adding additional paid medics should be budgeted each physical year, to ensure ALS coverage at all volunteer stations. The county should give our citizens who volunteer and take the necessary classes to provide emergency care, a tax break on their property tax as incentive to continue to volunteer their time. This would keep the volunteer service running smoothly and keeping the expense of having a completely paid system out of the tax payers pockets. The volunteer system is also a great resource for the youth of our community, and could be expanded and provided a great avenue to keep our youth on the right path.	3/9/2024 1:46 PM

201	1. The "assist the citizen" calls are taxing fire/EMS. A patient care advocate system needs to be devised that controls the "priority" response. Mobile Integrated Health isn't cutting it! Does False Alarm Reduction even work? Bottom line is government created such sprawl in this county that resources cannot keep up.	3/5/2024 12:41 PM

239	The charter board doesn't need to partake in any of Charles county fire and ems organization, the volunteer industry is aware of the increase in the population, new homes, new schools, and new businesses. 277	They way the commissioners are allowing apartments and townhouses to be built we need to build the infrastructure. The hospital is over run and emergency services are also suffering	3/3/2024 7:58 PM
278	Response times in the western part of Charles county are historically long and concerning because of understaffed volunteer stations. Something needs to be addressed regarding other counties that are regularly using our hospital as a drop off location which is consistently taking more away from our few resources and only hospital!	3/3/2024 7:43 PM
279	Why do departments need to spend money on all the "bells and whistles " when a more cost efficient way can be had.	3/3/2024 7:36 PM
280	Charles County should have fully funded and PAID Career Fire and EMT services.	3/3/2024 7:24 PM
281	The fire tax has not been raised in 20 years and the cost of trucks,equipment , etc have raised 300 % or more , please riase the fire tax a little to help the volunteers	3/3/2024 6:58 PM

285	I understand wanting to keep it a volunteer status but have they looked at the call long for each dept.? Not just ems but fire as well. Multiple times calls are being sent to another station or even multiple stations to fulfill the calls. You're seeing it everywhere. It's causing depts from other counties to come help. Essentially putting peoples lives at risk with the response time. People have DIED due to response times in this county but they don't see that.	3/3/2024 5:41 PM
286	Cobb island needs emts	3/3/2024 5:34 PM

289	Please add career fire. So many volunteer fire stations fail to go on calls and there are many gaps in their responses times.	3/3/2024 3:48 PM
290	You need to realize that Police Communications is separate from 911 communications. While that is the way it should be, access to funding, pay and other benefits are NOT equal even though the same certifications are rquires for both. Staffing and retention are an issue for both.	3/3/2024 3:44 PM
291	Career EMS staff	3/3/2024 3:43 PM
292	No to Charter! It was voted down about 9 years ago, and you are wasting our money trying to bring it back. Emergency services are great!	3/3/2024 2:34 PM
293	Please move EMS back to Cobb Island full time	3/3/2024 2:28 PM
294	I don't think the county should be paying for additional services.	3/3/2024 2:21 PM
295	We need paid fire	3/3/2024 2:19 PM
296	I don't want a charter board. AT ALL.	3/3/2024 2:14 PM
297	Pay increase for first responders. Full staffing for first responders. Government provided childcare for essential workers.	3/3/2024 2:13 PM
298	ALL stations within charles county needs at least 1 county staffed ambulance It's not fair that some areas are guaranteed EMS service and others are not that rely on volunteers that don't always staff their units. Every tax paying citizen should be entitled to the same privileges	3/3/2024 2:10 PM
299	ANIMAL CONTROL needs to be more visible. Dogs, especially aggressive breeds like pits bulls and huskies ALWAYS get loose. Residents use NEXTDOOR to find owners. ANIMAL CONTROL should start policing neighborhoods and communities on a regular basis.	3/3/2024 2:08 PM
300	Suck a dick.	3/3/2024 1:28 PM

Charter Board of Charles County Public Safety Survey

301	I think the noted services, particularly EMS and Fire & Rescue deserve increased and consistent funding and pay. The trucks, equipment need updating and it should be priority 1 considering they save the lives of Charles County residents everyday. You cannot ask or expect the best of your not providing the money and best resources for them to do their job whether it volunteer or paid.	3/3/2024 1:28 PM
302	Increase staffing to 2024 levels. Volunteers need help.	3/3/2024 1:27 PM
303	Definitely NOT! Leave it alone!	3/3/2024 1:27 PM
304	I believe the county would benefit greatly with paid fighter fighters	3/3/2024 1:24 PM
305	Paid fire	3/3/2024 1:18 PM
306	Hire more career staff. Give them more authority than they have.	3/3/2024 1:16 PM
307	Wouldn't 24/7 fire and EMS improve overall delivery of those services to residents?	3/3/2024 1:11 PM
308	Add more career staffing and support the volunteers that show up more.	3/3/2024 1:10 PM
309	I prefer having professionals who receive wages and benefits to serve our county. This ensures stability within the workforce and is likely to improve response times and performance expectations.	3/3/2024 1:06 PM
310	A better salary/retirement program to encourage career spans in lieu of leaving for better salary/retirement for the listed personnel.	3/3/2024 12:40 PM

312	Full career control of EMS, Fire, and all other emergency services	3/3/2024 12:31 PM
313	Charles County Government needs to fund DES for the full budget requests that they have asked for	3/3/2024 12:24 PM
314	No. It will increase taxes 3 fold, and it won't stop there. Police will be run like PG and Baltimore counties.	3/3/2024 12:19 PM
315	Establish a career/professional fire department. The volunteers are great, but people work jobs and their services are unreliable	3/3/2024 12:18 PM
316	No leave as is.	3/3/2024 12:12 PM
317	Fires burn hotter and faster than in the past due to modern building construction and the composition of many furnishings and other home goods being petroleum based. Occupants have less time than ever to escape a fire in their home. Volunteer companies that are understaffed, unstaffed, or reliant upon home response do not afford the best chance of survival for trapped victims and secondarily in preventing undue property damage due to delayed response and extinguishment.	3/3/2024 11:51 AM
318	Do what is best for the citizens and have 24/7 career staffing	3/3/2024 11:45 AM
319	Do not raise taxes. You have a system in place that needs to be fixed by reducing the number of calls such as public assist, Fire alarms that are repeat do to non compliance and maintenance.	3/3/2024 11:41 AM
320	More career EMS and more stipulations and training standards for volunteer EMS.	3/3/2024 11:36 AM

324	24-7 paid staffing and allow the volunteers to supplement	3/3/2024 11:11 AM
325	Career fire service	3/3/2024 11:05 AM

338	The fire and emergency services needs to be professionalized and fully paid. The current system has lacking for staffing and maintaining adequate training consistently. A fully paid service is desperately needed.	3/3/2024 10:21 AM
339	Yes career fire and ems with keeping volunteers but one county system not each station responsible for and accountable to it's citizens	3/3/2024 10:18 AM
340	I believe Charles county as a whole is doing what needs to be done as a fire and ems department.	3/3/2024 10:12 AM
341	Financial incentives, daycare possibilities, and/or other fringe benefits to spur community members to become active long term volunteers at VFD/VRS.	3/3/2024 10:08 AM
342	Need more paid services. Volunteers are few and far between and the truth is the volunteers aren't riding the ambulances. Staffing on the fire trucks is also getting slim. Need to start supplementing stations before they continue to not get out when needed	3/3/2024 10:05 AM
343	No	3/3/2024 10:03 AM
344	Need more paid paramedics to work with volunteer ems. Volunteers are essential.	3/3/2024 10:01 AM
345	Absolutely!! Volunteer EMS is gone, the average ACTIVE member at a station throughout the county is probably 5. Look up the stats, actually find out how many they have, not just "members on the list" but actual active members that physically run calls and can produce stats.	3/3/2024 10:00 AM
346	Stations are double dispatched due to not getting out on the regular. Units are constantly failing. There is a lack of standards throughout the county with no oversight. Yes on paper there is but there is no true accountability. Volunteer numbers are falling nation wide. This issue needs to be addressed before it becomes a bigger problem. I would feel much safer with paid firefighters	3/3/2024 9:56 AM
347	Nope	3/3/2024 9:55 AM
348	We definitely need more police and emergency response services here	3/3/2024 9:48 AM
349	There needs to be more accountability on how the current funding is spent by the volunteers. They have immaculate, huge buildings with lots of "parade ready" apparatus but nobody to staff the units. It seems the funding could be spend more responsibly.	3/3/2024 9:42 AM
350	Stop paying volunteers for answering up understaffed so they get paid and don't show a "scratch". Be more vigilant on overseeing the volunteers and how many people respond instead of the padded rosters they have in an attempt to keep their doors open.	3/3/2024 9:34 AM
351	100% Paid EMS with the opportunity to volunteer. Hold volunteers to the same standard that paid EMS is. Paid Fire for stations with staffing issues.	3/3/2024 9:34 AM
352	I would like a more stable system. The volunteer system is outdated and extremely volatile.	3/3/2024 9:17 AM

354	All services should be provided a study for evaluation of staffing, benefits, and salary in comparison to the needs of the county as well as comparable services in surrounding agencies to create a competitive workforce and provide recruitment and retention. Consider additional grants for funding to supplement costs for the county government.	3/3/2024 9:07 AM

358	Hire more career staff	3/3/2024 8:41 AM
359	Combination Paid/Volunteer is the most cost effective for the county residents and service is satisfactory. A fully paid system will cost the taxpayers too much. Taxpayers are over taxed now. We don't need any increases.	3/3/2024 8:03 AM
360	No change needed	3/3/2024 7:54 AM
361	Presently Charles County is limited to dispatch outside the County. Especially during the Covid-19; have they done a study on the surrounding counties with the same situations? Have they come up with possible solutions on improvement?	3/3/2024 2:09 AM
362	I feel that all EMS/Fire services members should be provided with the necessary equipment and training to handle all emergency situations. All emergency personnel should be paid employees.	3/3/2024 12:20 AM
363	I believe each of these areas should be heavily funded to hire more employees to service a growing County.	3/3/2024 12:08 AM
364	Exploring alternative ideas are always a good idea.	3/3/2024 12:05 AM
365	Yes I've seen it take over 45 minutes for an ambulance to come to football field thankfully it wasn't life threatening BUT how would we know that in advance.	3/3/2024 12:03 AM
366	Emergency Services needs more funds = staffing. I am against Charter Government.	3/2/2024 9:38 PM
367	Fire apparatus and personnel should match the Counties population numbers.	3/2/2024 9:20 PM
368	Those who receive payment for their services definitely should be paid more! It's more than a job to them; it's a way to show their commitment to our community.	3/2/2024 9:08 PM
369	No, our county taxes are high enough as it is. If we implement a paid Fire and EMS service our taxes will be even higher.	3/2/2024 8:57 PM
370	no, it works as it is now. I see no reason to make any changes.	3/2/2024 8:45 PM

374	No to charter government	3/2/2024 7:08 PM
375	I would like to see an increase in paid positions for emergency services.	3/2/2024 7:02 PM
376	In addition, I have witnessed at least three occasions where residents allow their dogs to roam and they they are not tended to. They are aggressors towards other dogs who are on a leash with their owners. It's a shame that when residents want to take a walk around the neighborhood, they have to carry sticks or weapons for protection. We should be able to be proactive about our health and not have to worry about being attacked by dogs.	3/2/2024 6:46 PM
377	Yes	3/2/2024 6:40 PM
378	Say no to charter govt	3/2/2024 6:32 PM
379	More collaboration with DMV, Federal, and independent agencies and resources	3/2/2024 6:31 PM

383	Supplement the current volunteers with paid drivers or officers on fire apparatus in the highly populated stations in the county	3/2/2024 6:19 PM

388	Paid fire/EMS services for the county because of growth of Charles County is putting a strain on public service, hospitals, and the school system.	3/2/2024 5:39 PM
389	Build that new damn animal shelter. I'm tired of waiting for our county to catch up to Calvert. How embarrassing.	3/2/2024 5:09 PM
390	I will not vote for charter. I do not trust the way the process came to fruition under the manipulation of of 3 commissioners that I do not trust and want to vote out of office.	3/2/2024 5:04 PM
391	I'm a fan of the combined services. Volunteer emergency service has a long, proud history in our country and our county. It provides opportunity for residents to use the skills they've learned to serve their neighbors while providing a place and organization for friendships and leadership development that makes our community all the more stronger for it. When the paid services fill the gaps of volunteer service, it ensures all are covered and cared for.	3/2/2024 4:46 PM
392	Leave it like it is.	3/2/2024 4:26 PM
393	Why dont we have around the clock fire /ems? the Vol system is a dying breed. How many stations are failing or barley getting out by the 5 min mark? How many times is another station alerted knowing that theres a high chance the closer station to the call just might fail to respond?	3/2/2024 3:41 PM
394	Skip the expansion of government that is Charter and use those funds instead to expand emergency services. I mean, you want to save lives and not advance a political agenda protected by those that protect racial hatred, right?	3/2/2024 3:36 PM
395	Paid fire service	3/2/2024 3:03 PM
396	The county is busting at the seams with most stations barely able to provide service adequately. It is time for fire service to join the ems where there is substation over site and fix to the staffing problems county wide.	3/2/2024 2:51 PM
397	More paid EMS. If volunteer continues, it should be regulated by the county. No individual stations. All stations under county government. County has the use of all stations, vehicles and equipment.	3/2/2024 2:43 PM
398	Increased number of career EMS personnel and County owned ambulances.	3/2/2024 2:31 PM
399	Think Charter will be too expensive less services	3/2/2024 2:24 PM
400	Paid firefighters	3/2/2024 2:10 PM
401	Budget needs to be increased and additional personnel hired	3/2/2024 2:10 PM
402	Properly fund and provide additional incentives to the volunteers we have in place now. Jurisdictions all over are having problems hiring First Responers. Getting rid of the volunteers would be detrimental to this county's public safety	3/2/2024 1:54 PM
403	I don't think a Charter Govt is what the residents of Charles County needs. If there was a way to eliminate 911 from having to dispatch for non-emergencies it would help alleviate the system or build another hospital for all of the ignorant people who want to be transported.	3/2/2024 1:52 PM

405	Keep DES handling EMS only	3/2/2024 1:38 PM
406	Remove one engine and one ambulance funding from all stations. Distribute funding from those units to the remaining units. The unfunded units can remain in service but must be fund by not tax money. As some units already are.	3/2/2024 1:34 PM

410	Paid fire service. More fire/ems stations. More 911 communications staff.	3/2/2024 12:53 PM
411	Hire more EMS personnel to staff ambulances	3/2/2024 12:53 PM
412	No charter board. Stop messing with ordinary people and their lives for your greed. Please.	3/2/2024 12:33 PM
413	I am against the charter altogether!!	3/2/2024 12:26 PM
414	We need a paid Fire & Ems system to ensure we get highly competent and timely responses from the emergency services. At the very least the current practice of every fire department is their own entity that makes up Charles County fire and EMS needs to be unified, the county needs to step in and establish leadership and logistics ie standardized gear and equipment. Current leadership is that of each station has a chief and other respective officers and rules/regulations and practices vary widely throughout the county	3/2/2024 12:19 PM

417	Maybe the government should encourage volunteering and stop throwing money at everything.	3/2/2024 11:41 AM
418	I think we need to staff emergency medical services with full-time paid staff members. We can supplement with volunteers, as a reserve staff, but not base the emergency services provided on those volunteers.	3/2/2024 11:26 AM
419	NO Charter.	3/2/2024 11:22 AM
420	Animal Shelter more centrally located to better serve the animals and people. White Plains is a good area. Climate controlled kennels and night drop area. TNR programs with managed colonies. Paid fire service to supplement the volunteers.	3/2/2024 11:18 AM
421	Animal Control is running blue lights on their vehicles which is illegal. EMS Division command staff should be required to run one shift a month on the street.	3/2/2024 11:03 AM

438	Half the people trying to "run this charter board" couldn't run a lemonade stand. You're listening to a washed up previous chief from PG county that's not even off probation at his Charles County volunteer department. Whom also ran his previous department into the ground, there's news articles on it. If the charter board is going to listen Mr. White and think that he is a good example of what to do then I want none of you deciding anything regarding our county's Emergency Services.	3/1/2024 3:35 PM
439	Provide more support to the current system	3/1/2024 3:27 PM
440	I'm gonna vote no against the charter, we moved from PG county to get away from the toxicity the charter government brings. We love our volunteers in this county and these questions seem like they want to push them out.	3/1/2024 2:13 PM
441	Place additional EMS units in service on the east and south sides of the county. Hold DES responsible, when they are on critical staffing and still have a dozen employees sitting in offices on Audie Lane. Provide support to the volunteers to continue their success in response and recruiting. Provide more incentives for county residents to volunteer/serve. The property tax break that was approved is a joke, especially when DES employees are receiving a larger break.	3/1/2024 1:06 PM
442	More funding for the Volunteer Fire and EMS organizations within the County.	3/1/2024 12:30 PM
443	I do not want a Charter Government!	3/1/2024 2:22 AM

Q4 Charles County residents are served by 100% volunteer fire service. Would you support supplementing the volunteer fire service with a combined paid and volunteer fire service which would also include a county funded Fire Chief position, in the same manner as the current volunteer and paid EMS system?

13	Having adequate access to emergency services sounds expensive until your house is on fire	3/19/2024 6:41 PM
14	It would cost millions of dollars. Almost 100k for each paid fire fighter.	3/19/2024 12:18 PM
15	What is the difference? I would like to see a complete breakdown of the cost and difference. There must be a reason we have volunteers correct? So why are we not paying them initially?	3/19/2024 11:19 AM
16	By way of donation, yes.	3/19/2024 10:55 AM
17	Taxes are high enough unless you figure out a different way to allocate the money. All these homes popping up wherever there is a blade of grass, but no additional businesses to help with taxes, it's ridiculous.	3/19/2024 10:28 AM
18	Fire response is currently adequate and beefing up the volunteer system will only help to ensure it remains that way.	3/19/2024 10:23 AM
19	Possibly- The volunteer input and cooperation is critical. Take lessons from PG!	3/19/2024 10:19 AM
20	Our taxes are already outrageous. I trust volunteers much more than government employees.	3/18/2024 1:30 PM
21	I think this would create consistency; such as PG county and other counties that have proven to succeed.	3/18/2024 1:06 PM
22	We need guaranteed responses, the out of control building in this county is increasing the call volumes without increasing the services like fire, police, EMS, hospitals.	3/18/2024 2:03 AM
23	No need and costs would be too high. We also already know alternate board member michael is looking to be made the chief.	3/15/2024 2:53 PM
24	I'm not sure, I need to better understand what's not getting done with an all-volunteer fire service, what other counties are doing to address issues like ours and options for funding.	3/15/2024 6:44 AM
25	This will increase already high taxes	3/14/2024 9:34 PM
26	Absutely we need it	3/14/2024 7:03 PM
27	Once you introduce paid crews you will lose a lot of the volunteers and still end up short staffed. Just look at Prince George's County.	3/12/2024 6:35 PM
28	No, because it has been shown in other counties not to work. If the Fire Chief position was funded would this person be voted in? How could the citizens be sure that the person put in this position has a fire background?	3/12/2024 3:06 PM
29	put paid in charge and the volunteers will go away just like P.G. county	3/12/2024 2:11 PM
30	I support ethical behavior from our elected officials. Accountability and Ethical behavior is always important. We ask for it. We expect it. We demand it. We march for it. Sadly, Accountability and Ethics only matter to many when it comes to holding others accountable. Why is that?!	3/12/2024 1:23 PM
31	Again, the volunteers have done a great job for decades, but the increasing number of calls the increased hours of training have started to make it difficult for them to keep up. Most companies do not need 24/7 paid staffing but some need staffing during times when vol are not typically available based on data. The need for additional stations to cover new development may well require paid staffing and County built stations with county owned apparatus. County Government Leadership needs to thoroughly read the recommendations of Comp. Study Report Aug. 2019. The current system has 14 independent incorporated volunteer departments. There needs to be one fire chief with authority over all companies. A County paid Chief is needed to develop metrics (response times and staffing, etc.) and measure performance, develop a strategic plan and request funding to deal with growth in the future, establish and enforce systemwide policies and procedures, all with input from the current volunteer chiefs and association. The Paid Chief should assess the equipment needed and its location. Currently there is way more equipment than vol personnel to staff it and at least one company needs be disbanded and merged with a near by company as has been recommended by the last 2 Comp Studies. The County needs to plan for the future now, not wait until there is a crisis. This does not require Charter Government!	3/12/2024 9:59 AM

34	This is actually a two fold question and should be broken down further, so that people can respond to 1-volunteer and paid fire service; 2-county funded Fire Chief position.	3/11/2024 5:30 PM
35	Do we really have a choice?	3/11/2024 4:27 PM
36	As long as the Paid Fire Chief has command and control over the volunteer's,budget and equipment allocation. The slow stations are getting too much and the busy stations are just getting by. Some stations have wasted equipment just sitting around with dry rotted tires.	3/11/2024 12:27 PM
37	Pay all of the workers. Volunteers should only be just those who choose to volunteer for service.	3/11/2024 10:32 AM
38	I think it should be 100% paid firefighters.	3/11/2024 7:51 AM
39	I believe we should give more incentives to Volunteers. This would get more to join. Keep taxes low.	3/10/2024 11:29 PM
40	I want help when I call 911. This isn't about what the volunteers want (or career), this is about what the county needs.	3/10/2024 2:52 PM
41	Only if volunteer staffing is not able to serve the population sufficiently	3/10/2024 11:50 AM
42	not in the same manner! The current EMS chief is not in control of volly staff. If there is 3 crews at one station and no volly crew or DES staff at a diferent station the ems chief cannot move them. she should be able to.	3/10/2024 8:45 AM
43	It's going to be like PG county... a train wreck... it's doesn't take a rocket scientist to figure that out...I think I need to join a volunteer service...	3/9/2024 1:57 PM
44	It'll cost more money	3/9/2024 11:41 AM
45	Saw it in PG; did not work then still does not work now.	3/9/2024 10:26 AM
46	No need. Your idea is a waste of money.	3/8/2024 10:40 PM
47	This will eventually lead to a full paid position and not having volunteers. Why pay for the position when the volunteers do an amazing job	3/8/2024 7:27 PM
48	The cost of a combined paid firefighting service would be extremely costly. The volunteers do a great job with limited funds to meet the current needs. A paid Fire Chief would do nothing but set up a dynasty that would be out of control. Look a PG County and other jusisdictions.	3/8/2024 2:34 PM
49	If this would raise our property taxes, no. Our taxes are amongst the highest in Maryland. With the amount of taxes we pay, there should already be an allotment for paid staff.	3/8/2024 5:56 AM

51	Stop adding Government positions and costs.	3/7/2024 7:49 PM

53	Government funded equals tax payer funded. Our taxes are already too high.	3/7/2024 7:35 PM
54	No to Charter	3/7/2024 7:34 PM
55	I would support it as long as my property taxes are not increased to fund this new project.	3/7/2024 5:26 PM
56	Maybe depending on cost	3/7/2024 4:00 PM
57	Fire Chief should not be a paid position working amongst volunteers	3/7/2024 3:38 PM
58	If you're gonna pay the volunteers, then yes. No charter government.	3/7/2024 2:58 PM
59	NO paid fire we do not need it	3/7/2024 2:54 PM

63	The volunteer fire departments in this county do an excellent job responding to calls for service. There is no need for a county funded Fire Chief position. The coordination between the Emergency Services and volunteer fire departments is excellent. The current system is working well, volunteers take care of their equipment and their stations. There does not appear to be a need for changes.	3/6/2024 1:49 PM
64	Paid ems not paid Fire	3/6/2024 12:56 PM
65	Paid employees will guarantee someone responds in a timely manner, no waiting for a driver or waiting for a crew	3/6/2024 12:14 PM
66	under control of the Volunteer Chief not county	3/6/2024 8:03 AM
67	Leave Charles county all volunteer you'll be killing a legacy	3/6/2024 2:24 AM
68	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:52 PM
69	Don't want a charter government	3/5/2024 7:32 PM
70	No need to change what we have.	3/5/2024 6:11 PM
71	The volunteers do just fine. Unlike our elected officials, they care about their community and do not do it for the pay. This charter is just a way for some to get huge pay days at the taxpayers expense.	3/5/2024 4:05 PM
72	No changes to Fire and EMS....No new tax increases!!!	3/5/2024 12:59 PM
73	I am saying yes, however this will cost the tax payers a ridiculous amount of money, so the quantity and pay of these positions will have to be carefully planned.	3/5/2024 12:13 PM
74	If there is a paid fire chief for the county it will ruin the strong volunteer system which is currently in place. Look at our neighbors in pg and also king george to see how it ruined their once strong volunteer system	3/5/2024 11:54 AM
75	Yes, provided the volunteers are still allowed to run calls even when staffed by paid personnel. Other jurisdictions have not allowed this.	3/5/2024 11:10 AM
76	I believe this would be appropriate as long as the position description, duties, and tasks are there.	3/5/2024 11:07 AM
77	Anything that raises my already too high taxes, I am against.	3/5/2024 11:04 AM
78	Police Agency not included in this funding. They run efficiently now and does not need change.	3/5/2024 11:01 AM
79	No one wants a charter government. The commissioners are already ruining this county, no need to further destroy it.	3/5/2024 10:49 AM
80	Leave things as they are	3/5/2024 10:46 AM
81	No charter	3/5/2024 6:16 AM
82	Charter should def have a provision to hire at a time when statistically justified. Not sure it is needed at this time.	3/4/2024 8:54 PM
83	If you want to destroy the system like they did in PG then vote for this nonsense.	3/4/2024 8:27 PM
84	The volunteers of Charles county are very strong and committed to serving their communities our biggest problem is funding and our county commissioners work against us and not with us	3/4/2024 1:12 PM
85	The only thing wrong with this system is they are not adequately funded nor are they funded 100%	3/4/2024 11:45 AM

89	This too should be an all paid department. If you are going to have a fire truck, you should have the staff for it 24/7. Trained experts must be compensated and respected. We must respect the level of education required to do the job well and fund them accordingly.	3/3/2024 11:43 PM

93	No Charter!	3/3/2024 10:01 PM
94	Our fire volunteers have an amazing rate for being all volunteer. We do not need paid firefighters in our county. The volunteer firefighter system in our county works.	3/3/2024 8:21 PM
95	Yes, as I can see it now...there are to many "cooks in the kitchen " on how things should be done.	3/3/2024 7:39 PM
96	No to charter	3/3/2024 6:30 PM
97	Volunteer departments are not staffing stations	3/3/2024 6:16 PM
98	How does this question relate to switching to a Charter this decision should be done with citizen voting and district commissioner	3/3/2024 6:12 PM
99	The current hybrid system for EMS is effective. Too often fire equipment in less populated areas of the county is unstaffed in volunteer stations. Our volunteers are amazing, but supplementing them with career firefighters is a good thing for public safety. In addition, a paid county fire chief could bring much needed coordination and standardization	3/3/2024 4:42 PM
100	Why waste the money for a paid county fire chief when each department has it's own which are highly trained and familiar with their 1st due area.	3/3/2024 4:10 PM
101	Yes the volunteers are dangerously unorganized and the response times are terrifying. 30 minutes for the first fire engine to show up and I used to donate.	3/3/2024 3:52 PM
102	If it ain't broke, don't try and fix it.	3/3/2024 2:38 PM
103	I think the volunteer system works just fine, would rather use the money for EMS	3/3/2024 2:29 PM
104	You need to better explain what the "same manner as the current volunteer and paid EMS system" is for a citizen to make a decision	3/3/2024 1:42 PM
105	I think the noted services, particularly EMS and Fire & Rescue deserve increased and consistent funding and pay. The trucks, equipment need updating and it should be priority 1 considering they save the lives of Charles County residents everyday. You cannot ask or expect the best of your not proving the money and best resources for them to do their job whether it volunteer or paid.	3/3/2024 1:29 PM
106	With the understanding that a full time system would be the ultimate goal for the county	3/3/2024 1:14 PM
107	Its too much work to expect from an all volunteer force these days. Even if it just starts with a paid chief and some paid training coordinators/drivers.	3/3/2024 1:12 PM
108	I don't see any reason to create another high employee cost if the current system is working.	3/3/2024 1:03 PM
109	It's another thing for y'all to mess up	3/3/2024 11:22 AM
110	Career staff are needed. They are dependable, reliable and better performing than any volunteer department.	3/3/2024 11:22 AM
111	The fact this isn't a reality already is a travesty and marker that Charles County is FAR behind times. The citizens of Charles County deserve better! Volunteerism is dying Nation wide and we should have already been proactive in the adoption of a combination system	3/3/2024 11:17 AM
112	Look at what happened in PG county with introduction of paid fire service. The volunteer system has just about died	3/3/2024 10:13 AM
113	Please please please!!!! I fear for the safety of my family and property if I needed Fire services in Charles county. They consistently fail to respond, severely delayed or have staffing levels of 1-2 per apparatus. This is completely unacceptable for the amount of taxes that I pay!!! Charter Board of Charles County Public Safety Survey

we deserve for the amount we pay. I demand career service and a Fire Chief to hold accountable in this county!!

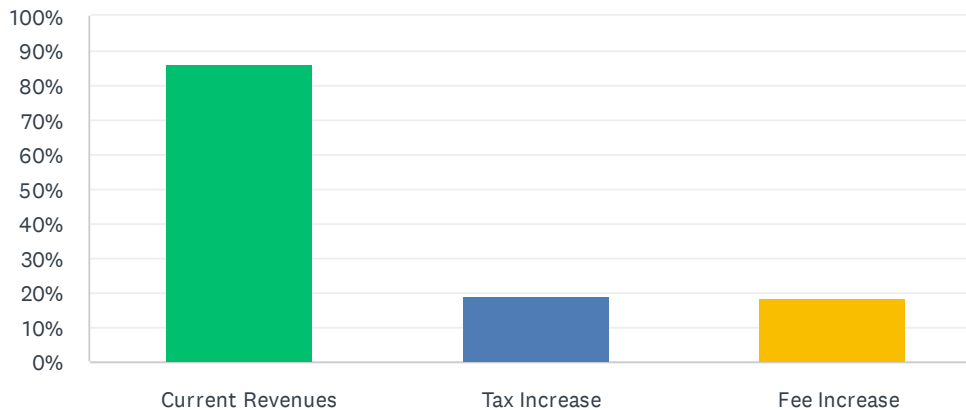

114	There needs to be paid PROFESSIONAL Firefighters in Charles County! You have Fire Departments like Company 12 that get out driver only on calls and that is not only a disservice for the residents but a safety issue. Volunteer Fire and EMS is dying and not being replenished at the rate they are losing members.	3/3/2024 10:06 AM
115	It is inevitable and the County is already behind the 8 ball with this. If we don't start the process soon it will be a very hard lesson to learn and likely someone or multiple people will die in the process. The volunteer system is outdated, extremely volatile, and completely unreliable. For a service that is literally "life and death" there needs to be a guaranteed response. We don't have that.	3/3/2024 9:45 AM
116	We need well trained and professional fire/ems. Having fire that is well trained, and units that are fully staffed 100% of the time is a necessity. The safety our families should not be left up to chance, we deserve someone to respond fast every time.	3/3/2024 9:42 AM
117	Needed to ensure life safety for all. Even PG refused to stop aiding St 3 fire for a while because they are dangerous.	3/3/2024 9:40 AM
118	This question is somewhat misleading as it implies that there is already a county funded chief for the current volunteer and paid EMS system. THIS is not the case. FOR clarity, I would NOT support a combined volunteer and paid fire service. I do NOT support a county funded Fire Chief position	3/3/2024 6:44 AM
119	They do get a substantial tax break for their volunteer service.	3/3/2024 6:20 AM
120	Charles County is growing, population and demographics is changing. When that happens you should allow for that growth.	3/3/2024 2:22 AM
121	Many firefighters are older what is going to happen when they retire or die. Younger people cannot work for free.	3/3/2024 12:04 AM
122	The volunteer system is at a decline however the EMS system isn't currently properly funded therefore a paid fire system won't be properly funded. I am against Charter Government.	3/2/2024 9:41 PM
123	How much will this cost the taxpayers?	3/2/2024 8:07 PM
124	It will be unavoidable. The more rural areas may be able to continue with volunteers but the large residential developments won't be able to. Residents commute long distances and cannot commit to this service. They also don't really understand the history and community.	3/2/2024 7:37 PM
125	No to charter government	3/2/2024 7:08 PM
126	Not sure at this time. Would the Fire chief be an appointed position or an elected position?	3/2/2024 7:03 PM
127	I can barely afford to live in this county now.	3/2/2024 5:08 PM
128	Just look at the news reports from PG County and see the potential issues this combined approach would bring does not bode well for this idea. If, in the future, there are gaps that the volunteer service cannot meet, then it might make sense to fill those gaps, similar to the EMS system, with professional support. However, I am opposed to adding more layers of bureaucracy to the existing system.	3/2/2024 4:53 PM
129	Yes, the 14 independent fire companies need one person in charge to establish long range strategic plans, set policy, determine staffing needs and coordinate the location and amount of apparatus needed to deliver services.	3/2/2024 2:40 PM
130	We need paid firefighters, the volunteers are not responding and other jurisdictions such as PG are coming into the county to supplement Charles county lack of staffing.	3/2/2024 2:11 PM
131	In addition to a paid fire chief, accountability of the volunteers need to be implemented until they can be supplemented/replaced with career staffing.	3/2/2024 1:54 PM
132	I think the current volunteer organization is doing an exceptable job for the most part. Some of the spending should be looked at closer and justified	3/2/2024 1:43 PM
133	Look at Prince George's county, idiots. Keep driving us volunteers away and wanting paid crews. Not only will the QUALITY of public service go down, the charter government will too.	3/2/2024 1:37 PM

Charter Board of Charles County Public Safety Survey

134	We do not need a paid fire department. The volunteers are amazing.	3/2/2024 1:32 PM
135	Want to hear what those currently running and working in the system think	3/2/2024 1:08 PM
136	I am against the charter altogether!!	3/2/2024 12:26 PM
137	I think this should be determined by the firefighters we currently have, not by any Joe Shmo off the street	3/2/2024 12:13 PM
138	Until they have trouble getting fire trucks out to calls I am just fine with volunteer fire service. What most don't realize is these volunteers are career officers on other departments and have great knowledge.	3/2/2024 11:44 AM
139	Same as my previous answer. I think we need to a fire department with full-time paid staff members. We can supplement with volunteers, as a reserve staff, but not base the fire department and services provided on those volunteers. Create and fund a Fire Department.	3/2/2024 11:29 AM
140	Do we have a paid rescue chief? We have been supplementing rescue with paid support for years. If we don't already have a paid rescue chief I see no reason why we should have a paid fire chief. We don't need EMS personnel fighting on scene like what happens in PG County due to the battle for control, recognition and funding. That's a charter FAIL	3/2/2024 11:22 AM
141	We should vote on charter after this cycle where we vote in our districts	3/2/2024 9:37 AM
142	The Charles County Volunteer Firemen's Association (CCVFA) should remain the governing body over all fire fighting services in Charles County. Meaning the CCVFA needs to be funded with a budget allowing the CCVFA to make decisions on when & where to start paying our volunteers for providing fire fighting services throughout Charles County. To include any Officer positions that should become paid in the future. Not a Charter Board or any other form of government.	3/2/2024 6:30 AM
143	No, because the back door deals are already in play for who's getting the position. If said individual is selected Charles County will turn into the dumpster fire like Prince George's County Fire and EMS.	3/1/2024 5:22 PM
144	That would be a huge tax increase	3/1/2024 3:47 PM
145	No to paid Fire!	3/1/2024 2:16 PM

Q5 If the county implements a combined paid and volunteer fire service, how would you suggest Charles County pay for any additional costs? (Check all that apply)

25	We don't need anything additional to raise our taxes	3/19/2024 12:18 PM
26	If you want to pay employees to do a job they were already doing for free, I need an explanation. Again, the answer it's the homeowner paying more in taxes.	3/19/2024 11:19 AM

34	There isn't a need to create. The cost would raise taxes very high.	3/16/2024 8:53 PM
35	I am firmly against a paid/volunteer service. This does not work. Volunteer fire service has been the back bone of the emergency service. It does not need to be changed.	3/16/2024 8:51 PM

42	No more taxes , no charter government	3/13/2024 8:24 PM
43	Do not raise taxes, especially since there is no need for it	3/13/2024 8:19 PM
44	None - the county already demonstrates poor administration in too many ways.	3/13/2024 3:09 PM
45	Stop trying to tax us even more.	3/12/2024 6:35 PM

Charter Board of Charles County Public Safety Survey

46	Currently, they are only 80% funded, perhaps we could use the additional 20% that they don't get now.	3/12/2024 3:06 PM
47	none of the above .The volunteers are only getting 82% with no tax increase for the past 21 years. even with equipment cost , building cost increasing 30-50%	3/12/2024 2:11 PM
48	That is such an odd question to ask. Who wants there taxes to increase? Who wants to pay additional fees? No matter what residents say or think. At the end of the day, the only thing that matters is, if we pay our taxes or our fees that will be assessed on us, because of the need for some to have HAVE POWER!	3/12/2024 1:23 PM
49	Restructure the distribution of fire tax money by requiring all volunteer companies to submit budget request like other agencies. Additional personnel, equipment and stations could be handled by increased taxes and fees for developers. This does not require Charter Government!	3/12/2024 9:59 AM
50	Rethink how the county is currently spending its finances.	3/11/2024 5:30 PM
51	Such an odd question.	3/11/2024 4:27 PM
52	Figure it out! Don't raise our taxes just to have a paid firefighters do what volunteers have been doing.	3/10/2024 11:29 PM

59	Take money from overpaid and not needed middle management personnel.	3/9/2024 10:26 AM
60	No tax increase. No charter. No more fancy vehicles. Why isn't the county buying base model Vehicles?	3/8/2024 10:40 PM
61	These additional services are not needed and the increased costs are not worth additional tax payer dollars	3/8/2024 8:09 PM
62	You cannot use the current fire tax (which is used to just pay for operations and maintenance) and try and pay for a new service. County Career EMS funding currently is almost \$18 million for just 143 people. They do not pay for buildings, insurance, supplies, electric, water and other monthly costs. It all adds up.	3/8/2024 2:34 PM
63	How about compensating the current volunteers? Did you know that volunteers LOSAP retirement is over 150.00 a month less than Calvert or PG county volunteers?	3/8/2024 11:10 AM
64	Don't"fix"it. It's not broke.	3/8/2024 10:01 AM
65	Charles county residents can not be taxed any more than they already are. All of the options would be tracing me or my property to the brink.	3/8/2024 9:07 AM
66	A tax increase should not be considered. Charles County taxes are already among the highest in the state. An increase on taxes would be a burden on the citizens and effect the citizens abilities to buy or purchase goods/services from Charles County businesses.	3/8/2024 8:18 AM
67	No tax increase!!!!!!!!!!!!!!	3/8/2024 6:13 AM
68	Our taxes are high enough. I don't even see what's happening with what we already pay. Take what we pay and work with that.	3/8/2024 5:56 AM

94	Volunteer only!	3/7/2024 7:26 AM
95	Do not raise taxes, they are too high now	3/6/2024 2:11 PM
96	Current county fees including service for water has gone up tremendously in the last few years. At a time where people are hurting for money to fill up their gas tanks and buy groceries and utilities, there is very little left over, if any and it is not a good time to increase taxes or fees. If the county cannot afford it on current revenues, then it should not be done.	3/6/2024 1:49 PM
97	Do not implement	3/6/2024 12:57 PM
98	No increase. You want to implement it, you fund it without additional increases to taxes or fees	3/6/2024 12:56 PM
99	I don't believe additional increases out of pocket along with changing the system in place is in our best interest.	3/6/2024 11:58 AM
100	Don't implement a paid fire service. Leave it how it is.	3/6/2024 11:23 AM
101	We pay enough taxes. Look where the taxes are currently going and reallocate from other areas. Give the people who pay the taxes the opportunity to say where THEIR money is going.	3/6/2024 10:53 AM
102	No additional costs wanted. No to Charter; it's nothing but a money suck for those who live here.	3/6/2024 10:24 AM

Charter Board of Charles County Public Safety Survey

103	I don't support it. This would cost too much and the county is operating fine right now. Stop trying to change things that don't need it and cost the county residents more money.	3/6/2024 9:15 AM
104	Do not create paid fire.	3/6/2024 9:08 AM

106	I do not support any increased taxes.	3/5/2024 10:44 PM
107	Don't do it! why spend the money.	3/5/2024 10:19 PM
108	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:52 PM
109	Charles county needs to attracte more businesses and manufacturing jobs so there are other options than raise taxes.	3/5/2024 7:44 PM
110	Don't want a charter government	3/5/2024 7:32 PM

113	Do not change the current system.	3/5/2024 6:11 PM
114	Don't raise taxes. There is no need for this	3/5/2024 5:52 PM
115	Do not raise taxes. Is this why you are pushing a charter government to easily raise taxes?	3/5/2024 5:48 PM
116	Please don't raise taxes for this if chosen. They get higher each year and it honestly is getting out of hand.	3/5/2024 5:46 PM

121	NO MORE TAXES! You buffoons are causing people to leave the county and you'll be left with PG County light.	3/5/2024 4:05 PM

123	bad idea	3/5/2024 3:12 PM
124	No increase, maybe the politicians can offer up thier salaries!	3/5/2024 1:47 PM
125	Leave it alone.	3/5/2024 1:41 PM
126	DO NOT DO IT. The people pay enough taxes. This will not serve the community, it will cost more, and not produce the results. These have been established is various locations, and been unsuccessful.	3/5/2024 1:33 PM
127	We are heavily taxed, I have been to county meetings and have observed different proposals that were granted money. Its laughable at times.	3/5/2024 1:19 PM

135	Garnish the charter wages and the county commissioners.	3/5/2024 12:04 PM
136	Use funds that are currently given to volunteer stations pay for salaries for career staff.	3/5/2024 11:50 AM
137	The Fire tax you allowed them to build palaces with instead of Fire Stations, so there must be plenty of Fire Tax monies.	3/5/2024 11:24 AM
138	Any tax increase or fees imposed would only hurt already struggling residents	3/5/2024 11:10 AM
139	Charles County taxes are astronomical as is. I am not in favor of increasing our taxes any higher. There are plenty of revenue streams. Reallocate necessary funding.	3/5/2024 11:07 AM
140	NO NEW TAXES!!! You take enough of our money.	3/5/2024 11:04 AM
141	None	3/5/2024 10:52 AM
142	NONE. I do not want my taxes to go up, as I already pay so much currently. I also do not want to increase any building in the county, as we have enough and are now overcrowding schools and the hospital.	3/5/2024 10:51 AM
143	N/A	3/5/2024 10:49 AM
144	The county residents are taxed to death and see nothing but more crime coming in and houses being built literally everywhere.	3/5/2024 10:49 AM

156	Hard bill frequent users of emergency services	3/4/2024 8:42 PM
157	We don't need one. If you took over the volunteer system you would have to raise taxes extraordinarily high to pay for apparatus alone.	3/4/2024 8:27 PM
158	The county is poor	3/4/2024 6:10 PM
159	We are already one of the highest taxed and you want to add more strain to an already diminishing budget. Quit wasting money and we can accomplish this.	3/4/2024 5:13 PM
160	Do not raise taxes to pay tens of thousands for staffing. Pay the existing fire stations 100 percent of their budget.	3/4/2024 4:05 PM
161	The county can't afford to give us volunteers any more money so how are we gonna afford a paid system	3/4/2024 1:12 PM

166	I'm a Life Long Resident of Charles County, Charles County is one of several counties that are currently the Highest Tax Counties in Maryland, the other few Counties already have Paid Fire and EMS, The Citizens of Charles County cannot afford higher taxes, The county Already has Home owners, Selling their Homes, And relocated to other states, If this form of government is passed, The county will turn in a county full of Homeless People and Rapid Poverty!	3/4/2024 8:44 AM
167	No more taxes	3/4/2024 8:04 AM
168	No paid fire service is needed. Adding taxes for government to waste is just stupid.	3/3/2024 11:17 PM
169	Paid firemen are not needed	3/3/2024 10:52 PM
170	None. This is a set up for grifting the citizens.	3/3/2024 10:46 PM
171	No Charter!	3/3/2024 10:01 PM
172	None of the above. Leave Fire and Rescue as it is now.	3/3/2024 9:29 PM
173	A combination of the above supported by a clear business case that also supports long term sustainability.	3/3/2024 9:22 PM
174	Keep the volunteer system in our taxes where they are at	3/3/2024 8:21 PM
175	As many residential buildings that are being built there should be plenty of revenue	3/3/2024 7:59 PM
176	In addition to the school excise tax, that's put on new construction. It would be incredibly helpful if the county included a public safety increase fee for all of the new homes that are coming into the county since All of those new homes are drastically, impacting our current resources, ability to do anything and successfully serve the county. The increase in revenue from that should help offset the cost of at least the set up for needed emergency services.	3/3/2024 7:45 PM
177	None this county charges enough fees we are taxed to our limits.	3/3/2024 6:17 PM
178	County commissioner money that was used for law suit when we sue for for wasting our tax payer money	3/3/2024 6:12 PM
179	Property taxes in this county are egregiously high, there has to be funds to support this need.	3/3/2024 6:10 PM
180	At this point. It's going to come down to all three if they don't get it together. Take examples from Alexandria fire dept. or even Montgomery.	3/3/2024 5:45 PM
181	Not needed	3/3/2024 5:32 PM
182	I don't support it	3/3/2024 4:59 PM

192	Any grant funding? How do volunteers buy new equipment? Just do what they do.	3/3/2024 1:14 PM

223	No tax increase. Charles county is so ridiculously taxed as is. I am against Charter Government.	3/2/2024 9:41 PM
224	Fee increases should occur for incidents that were purposeful or easily prevented.	3/2/2024 9:10 PM

227	Do not raise my taxes!! Paying too much already!	3/2/2024 8:07 PM
228	There is no way current revenue can cover the change to professional fire service. Look at salaries in the DMV. We will need to be at least competitive. Volunteer departments not only save money in salaries but in building and equipment costs. They are amazing fund raisers.	3/2/2024 7:37 PM
229	No career fire department	3/2/2024 7:08 PM

235	None of the above	3/2/2024 3:24 PM
236	Increased taxes for new homes and retail spaces that are currently being built. Like it was done with the school tax on new construction homes	3/2/2024 3:06 PM
237	It is my belief that the fire tax has not been raised since the 80's. I would split this cost with the remaining half be funded by reduction of the haz mat team and emergency preparedness. Maybe go back to having the positions funded partially by fema. The haz mat team in my opinion is a waste of many dollars when I believe it is ok to have 1 person take care of the scene mitigation but we should at this time rely on mutual aide agreements from full teams all over the metropolitan area. Most fire departments in the county to count for adequate staffing means they all have at a min of haz mat awareness and operations. That means the immediate threat can be identified, secede can me secure and deny entry until. A proper team and contractors for clean up arrive. FEMA grants could supplement a temporary cost as well Finally take from the sheriffs department on the speed cameras and use 25% of the income to support the funding for fire department career staffing. I would say on both side of the fire stations across the county install a camera and that too can be used to supplement the cost.	3/2/2024 2:58 PM
238	Funding should be controlled by the county and distributed as needed by call volume per station. No more of these Taj Mahal stations that can't even man apparatus. Update the older stations, especially the busier stations with modern buildings and amenities.	3/2/2024 2:52 PM
239	Also establish greater control over the distribution of fire tax funds by requiring volunteer companies to provide an annual budget.	3/2/2024 2:40 PM

262	Charles County is already one of the highest taxed counties in the state so there is no reason to raise taxes simply use the current taxes better and stop funding things that money was not intended to fund like legal fees for a racist commissioner that should already have been removed from office and use the money collected in taxes for what it was ear marked for in the first place. The current Volunteer Fire budget does not get 100% of the current funding from taxes now. The Volunteer Fire Budget shall be funded 100% with no reductions and with any increase or decrease in the budget only coming from a request of the CCVFA.	3/2/2024 6:30 AM

4	Must be a nominal increase. With the volume of homebuilding going on in here, impact fees an offset a lot of this.	3/22/2024 8:31 PM

16	The average home cost in Stonehaven is around 550k making the fee around 352 annually. Stonehaven has 1005 homesites.. But Lennar has about 6,500 in St Charles and counting.. 6,500 at 352 avg a year is 2.2 million just for Lennar homes.. That isn't any other builder and there are several who will all pay similar amounts. Again..show me the books and a breakdown.	3/19/2024 11:19 AM

25	Why do we need to pay more. Charles county keeps building so they will get more funds.	3/12/2024 6:35 PM
26	This county needs to look at the busier stations in the county and give them more money. Some of the stations in the southern part of the county have way too many pieces of apparatus and they spend too much money on things they don't need. Waldorf and LaPlata are the busiest areas and should get more yearly funding than any other stations because if you run the stats they run alot of calls monthly compared to a handful a month down south.	3/12/2024 4:50 PM
27	If the Volunteers were funded 100% instead of the 80% they are now funded at.	3/12/2024 3:06 PM
28	Let us be very clear/ This handpicked charter board was formed as a major power grab for corrupt sitting elected officials. They selected their friends and people they are extremely familiar with. The moment this was announced and the charter chair commented in support... many knew he would be selected to this board. He knew it also. The selection process was biased. The appearance of Improprieties were there and are there now. It is not a good look at all!!! It was also formed to lay the foundation, to make Waldorf a Municipality! This is why the conversations were started from the very beginning. Several that support charter has mentioned this a few times. Pay attention. I can guarantee you those that are supporting charter noun are going to lose their minds once their taxes start going up and they will go up!! Where will the staff be housed? Where good evening good is the money going to come from to support a new office building for the town of Waldorf? Police department?	3/12/2024 1:23 PM
29	No...current fire Tax that goes to volunteers is sufficient to purchase and maintain existing stations, trucks, and equipment, but it is not sufficient for new stations in the future or replacement of older existing stations. Although the Fire Tax rate has not increased, the amount of money collects has gone up significantly due to number of buildings being built and the increase in property values. Also, Ch. 54 needs to be changed to require budget request from each volunteer company. The current formula driven distribution system that does not require budgets is 60 years old and out dated. It simply is a formula of how to divide whatever	3/12/2024 9:59 AM

Fire Tax money that is collected between the volunteer companies. Using this method, some companies get too much and some get too little money based of the level of emergencies they respond to. This does not require Charter Government!

30	In order to own/buy a home, an individual must carry home owners insurance to cover the cost/loss of property. So why would additional funds be needed; especially given the fact that the county has increased the number of homes in the county and most are townhouses.	3/11/2024 5:30 PM
31	It does not matter if we support a tax increase or not.	3/11/2024 4:27 PM
32	I would support a small increase to cover the cost for paid fire service, but not additional monies to the volunteer service, due to questions about fiscal oversight.	3/11/2024 4:20 PM
33	Stop giving the volunteers money when they are no longer able to give back to their communities by properly staffing their units.	3/10/2024 8:31 PM
34	I have no problem supporting our local fire departments. But I have a problem with supporting their need to buy new apparatus with flashy chrome and looks. When new apparatus is procured it should be based on the needs and not the look. A lot of these fire departments buy for the new fireman's parade. Extra chrome does not fight a fire. Or driving the truck to ocean city for a fireman's parade. The wasted gas... make sure funds are staying at the fire house and utilized for the areas it serves.	3/10/2024 12:40 PM
35	I would consider an increase in taxes with more information on the amount of the increase and the exact language around the dissemination of funds.	3/10/2024 10:29 AM
36	but accountability for the tax dollars spent. If they were staffed 100% of the time give them 100% of the money that they are due. If they only are providing 50% coverage cut the funding in half. maybe then they will step up and cover more time if not then those funds can go to staffing. Also, i hope to see no more multi million dollar fire houses built with tax dollars. Where is the ROI on such extravagant purchases. \$50,000 bay doors at station 11 is a waste of money just for looks!	3/10/2024 8:45 AM

39	Every volunteer fire station sends out annual requests to residents in their first due. Like myself, many residents contribute to that. If you want to increase the revenue, charge every apartment complex unit \$275.00; let owners pay their fair share.	3/9/2024 10:26 AM

42	Maybe	3/8/2024 3:41 PM
43	The amount of funds that are put into escrow accounts for apparatus and buildings is not enough. Replacement of apparatus has increased by almost 50% within last few years and buildings have increased over 100% for new construction. Protective equipment have increased over 40% within last few years and the buying power has reduced greatly. You cannot be continue to be penny wise and pound foolish.	3/8/2024 2:34 PM

58	Charles County has the highest property tax in the state already	3/7/2024 2:28 PM
59	Again tired of the increases. Nobody is going to be able to afford this county	3/7/2024 1:30 PM
60	This county is getting impossible to be able to live in.	3/7/2024 1:08 PM
61	Only if they stayed all volunteer	3/7/2024 1:06 PM
62	See answer to # 6. Homes are currently over valued because of inflation and the taxes are high enough. I do not support any new tax increases.	3/6/2024 1:49 PM
63	Spend that money on paid employees, more jobs, better structure and unified response and operating procedures.	3/6/2024 12:14 PM
64	Property taxes are already ridiculously high. Again, reallocate current tax revenue.	3/6/2024 10:53 AM
65	Move money from other entities that aren't as important or benefit all of the citizens of Charles county.	3/6/2024 10:18 AM
66	Tax has not increased for over 20 years	3/6/2024 9:15 AM
67	There needs to be tighter control of the existing funds. There have been irresponsible decisions made through politics and the good ole boy system. There needs to be a standard of cover analysis done and resources need to be moved accordingly.	3/5/2024 10:44 PM
68	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:52 PM
69	See above	3/5/2024 7:44 PM
70	As long as it wasn't a lot more than \$266 annually, our Property Taxes are already too much.	3/5/2024 7:08 PM
71	Embezzlement	3/5/2024 6:25 PM
72	Do not raise taxes	3/5/2024 5:20 PM
73	No matter what this survey results are, we already know the county won't listen. This is a waste of time.	3/5/2024 4:15 PM
74	Where you finding a house in Charles County for \$415K that isn't a dump?	3/5/2024 4:05 PM
75	Within reason.	3/5/2024 2:59 PM
76	Only to fund the volunteers to help with the cost of inflation.	3/5/2024 1:41 PM
77	We have a large influx of people living here with new communities being built at every turn which will generate no shortage of volunteers.	3/5/2024 1:19 PM
78	The firehouses look like mansions now.	3/5/2024 12:40 PM
79	Other county service budgets need to be reassessed and redistributed. The tax payers of Charles County are already over taxed. And with the growth of the county, there should be plenty of monies being collected to fund this.	3/5/2024 12:04 PM
80	I would not support any tax increase, I would support a reallocation of county funding and major oversight of what is being spent and how it is being spent.	3/5/2024 10:50 AM

Charter Board of Charles County Public Safety Survey

81	The citizens of Charles pay enough taxes as is.	3/5/2024 10:48 AM
82	Leave things as they are	3/5/2024 10:46 AM
83	Why fix something that is not broken. Has there ever been a time that fire and medical service has not been provided	3/5/2024 10:42 AM
84	Only if the money goes to volunteer organizations.	3/5/2024 9:21 AM
85	We need to assist with funding these needed departments. Inflation has raised the cost of apparatus and training.	3/4/2024 8:27 PM
86	Apparatus costs have sky rocketed and you have done nothing to support volunteers.	3/4/2024 5:13 PM
87	.08 per 100	3/4/2024 4:05 PM
88	To support the volunteers only	3/4/2024 1:12 PM
89	As well as ensuring they receive 100% of their budget	3/4/2024 11:45 AM
90	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
91	Yes, IF the fire and EMS staff are 100% paid and held to professional standards.	3/4/2024 10:18 AM
92	ABSOLUTELY NOT	3/4/2024 8:44 AM
93	We are seniors and fell we have already gone beyond our means.	3/4/2024 8:10 AM
94	No Charter!	3/3/2024 10:01 PM
95	If a strong business case is rendered to support long term sustainability	3/3/2024 9:22 PM
96	The current Commissioners will use the money for their personal projects	3/3/2024 8:37 PM
97	Absolutely not	3/3/2024 8:21 PM
98	We are already taxed excessively.	3/3/2024 7:45 PM
99	I support our current form of government especially when the commissioner is elected only by members of their district	3/3/2024 6:12 PM
100	Reasonable	3/3/2024 4:57 PM
101	I am happy to pay additional property tax, so long as the money ACTUALLY goes to the volunteer service.	3/3/2024 3:51 PM
102	Our taxes are already horrible. It should be taken from other departments.	3/3/2024 3:46 PM
103	Build more houses, get more tax money. No need to increase F&R tax.	3/3/2024 2:38 PM
104	I think you could find less into the volunteer stations and fund more into getting paid personnel. If the volunteers are not riding the apparatus they should not receive the money.	3/3/2024 2:13 PM
105	I would expect the County Government to evaluate current appropriations and determine the best way to move forward.	3/3/2024 1:42 PM
106	Don't take my money because you are broke.	3/3/2024 1:30 PM
107	Don't neighboring counties of similar size supplement those systems with much higher fire EMS taxes?	3/3/2024 1:14 PM
108	Reasonable tax increases. But also proportionately decrease the amount of money given to volunteer agencies.	3/3/2024 11:22 AM
109	Take the money from the volunteer budget	3/3/2024 10:54 AM
110	It should be increased, but the funds should go to paid staffing.	3/3/2024 10:43 AM
111	We are already taxed to death find another way!	3/3/2024 10:43 AM
112	If I can afford a 1/2 million dollar house. I'm sure I can scrape up \$300	3/3/2024 10:32 AM
113	Less money to VFD and more to EMS. Most fire service related calls are EMS based. Also	3/3/2024 10:13 AM

Charter Board of Charles County Public Safety Survey

use funding increase to pay for fringe benefits to volunteers.

114	Unless this funding was to go to career service. The increase in funding to volunteers would be pointless as they have accounts already with PLENTY of money in them and they CANNOT provide any additional services for the increase. They already cannot support the system with the staffing they have now, why would you give them more money to spend freely without consequences.	3/3/2024 10:13 AM
115	I would support an increase to allow a paid combination fire department.	3/3/2024 10:06 AM
116	I would support this if the funding went towards career staffing.	3/3/2024 9:45 AM
117	Only if this is used for PAID fire/EMS. Multimillion dollar fire stations filled with millions of dollars in apparatus that is not 100% staffed needs to end.	3/3/2024 9:42 AM
118	They should not get money for calls responded understaffed and should be held more accountable for their wasteful spending.	3/3/2024 9:40 AM
119	This I would support because it goes to directly to fire service that already is in place	3/3/2024 9:05 AM
120	that is always your answer raise a tax. Stop... We are over taxed right now and taxes should be cut!!!!	3/3/2024 8:09 AM
121	Before we start having increases in taxes for Fire and Rescue, we need a new hospital. Why pay for more Fire and Rescue folks to rush us to a hospital and still wait for 6- 8 hours??	3/3/2024 12:29 AM
122	The volunteers in this county do not get the funding they need. It amazes me how counties like Calvert and st Mary's can afford so much more for the volunteer fire departments but it's like Charles county does not care	3/2/2024 8:27 PM
123	I would to see all fire departments as paid. I think it would raise the level of accountability	3/2/2024 7:38 PM
124	No to charter government	3/2/2024 7:08 PM
125	No increase until an independent review of the current funding is reviewed.	3/2/2024 7:02 PM
126	Vote No to charter	3/2/2024 6:23 PM
127	Marginally, relative to services provided. Taxes are already ridiculous relative to minimal and inadequate services.	3/2/2024 6:14 PM
128	For the county we already pay too much taxes	3/2/2024 5:58 PM
129	Unsure	3/2/2024 5:57 PM
130	I annoy afford to spend more money on this as well as everything else that is going up.	3/2/2024 5:08 PM
131	I'm sure you all will find a bureaucrat to funnel those funds through who will require a 6-figure income and then cry about how they need the county to raise taxes again. Not a fan.	3/2/2024 4:53 PM
132	Yes only for the volunteers.	3/2/2024 4:29 PM
133	These funds need to go to the government department of emergency services for their personnel and equipment. Volunteer Stations are becoming a thing of the past and should not be receiving this money.	3/2/2024 2:52 PM
134	The current funds distribution system is outdated and needs to be replaced with a budget for each company. Currently some companies get too much money and others not enough. They use a distribution formula rather than true budgeting. Each of these companies represent multi million dollar incorporated not for profit businesses.	3/2/2024 2:40 PM
135	Absolutely not! Our taxes are already too much	3/2/2024 2:11 PM
136	Charles County already pays enough in property taxes, only to have it used on County Commissioners attorneys fees.	3/2/2024 2:01 PM
137	Volunteers need to have a higher property tax write off without a max AGI like Calvert County has.	3/2/2024 1:55 PM
138	Volunteer fire departments in the area spend money frivolously on fire apparatus that is not needed, volunteer banquets (10s of thousands of dollars) and programs that are over funded.	3/2/2024 1:54 PM

Charter Board of Charles County Public Safety Survey

139	I believe there is a need to assess spending and distribution before increasing tax	3/2/2024 1:43 PM
140	Only if it stays as 100% volunteer service. I do not support a paid fire service	3/2/2024 1:41 PM
141	Support the busier companies by giving them the money the slower companies get. ITS THE SAME AMOUNT!	3/2/2024 1:37 PM
142	I'd love to give more money to my volunteer department. Not a paid department.	3/2/2024 1:32 PM
143	It depends	3/2/2024 1:08 PM
144	Stations that are on double dispatch (due to failed responses for service) they should be required to either forfeit funding from the county or pay a fine to the county for every failed or understaffed response. Stations that do not regularly respond to calls should be shut down or turned over to the county.	3/2/2024 12:56 PM
145	I am against the charter altogether!!	3/2/2024 12:26 PM
146	This County OVER TAXES its Citizens TOO much! aka: the new property assessments. The "leaders" who make these decisions are out of control & putting hardship on hard working, tax paying citizens. Lastly, these "leaders" & boards, counsils, committees mis-allocates the already received taxes to frivolous entities- aka: the legal fees of Commissioners who do FOUNDED wrongs against the citizens & employees of Charles County. Each & every "leader", department head, &/or authority in Charles County needs to reassess their spending of each & every dollar of tax money they request &/or granted with a prudent & conservative eye. The citizens of Charles County KNOW this doesn't happen, & they're sick & tired of it.	3/2/2024 11:37 AM
147	I would also support allowing EMS to have more fundraising opportunities. What happened to the Turkey Shoots?	3/2/2024 11:22 AM
148	The volunteers are not adequately funded and need a revenue increase.	3/2/2024 11:05 AM
149	Increase to support the system in place	3/2/2024 10:57 AM
150	As above raise fines and tax Mj in charles county	3/2/2024 9:37 AM
151	Maybe	3/2/2024 8:38 AM
152	Fund the current Volunteer Fire budget at 100% and stop reducing the budget to approximately 80% which has been down every year since the 1980s.	3/2/2024 6:30 AM
153	Increase in tax only to benefit volunteers- not to increase paid fire positions	3/1/2024 5:38 PM
154	Yes if goes to volunteers only.	3/1/2024 3:38 PM
155	If it goes to the volunteers than yes. If not, politicians can go pound sand.	3/1/2024 1:22 PM

1	This service is not needed. The volunteer companies get their personnel out when needed. Especially the Charles County Dive Team.	3/26/2024 11:12 AM
2	Incentives for volunteers	3/25/2024 12:01 PM
3	Maybe you've already done this but check other jurisdictions to see how paid versus vol. is handled and funded.	3/24/2024 1:10 PM
4	We don't have a Charter Board so how can they consider that	3/23/2024 5:56 PM
5	No charter	3/23/2024 5:49 PM
6	Strengthen the volunteer units already in place.	3/22/2024 8:29 PM
7	What we have is working and not broken. Support current volunteers with additional incentives which would encourage more to volunteer and be a better use of taxpayers dollars.	3/22/2024 7:17 PM
8	No charter government. You board was appointed by commissioners in which three of them have proven to be extremely unethical, the latest one suspended from his job	3/22/2024 3:40 PM
9	Stop funding the volunteers	3/22/2024 7:05 AM
10	None at this time	3/21/2024 3:48 PM
11	NO	3/21/2024 11:02 AM
12	I don't want a charter board form of government! There is already corruption (Coates, and Collins)and this would allow more!!	3/21/2024 10:19 AM
13	No charter govt	3/21/2024 6:55 AM
14	rere	3/21/2024 3:57 AM
15	No reason to form a charter.	3/20/2024 2:12 PM
16	Only if it improves current services	3/20/2024 1:36 PM
17	Vote no to charter... listening to everything... it's too shady...	3/20/2024 12:31 PM
18	They can give and produce ideas without any of our property taxes going up etc	3/20/2024 10:33 AM
19	Why try to fix what is not broken?	3/19/2024 10:05 PM
20	Stop destroying a system that works. Charter government takes the accountability from our elected representatives and stuffs it in a bucket for one person to decide. Stop trying to make this a good thing. It's the single worse decision this county has proposed.	3/19/2024 9:21 PM
21	Share resources with tri county, especially in southern end that seems forgotten by our elected officials.	3/19/2024 6:41 PM
22	No need for change... stop building in the county and start filling these empty building... and help the west side of the county...	3/19/2024 4:32 PM
23	They are should on a state pay system. So that our current person can state /live in the county instead of leaving to go to other places to work	3/19/2024 1:16 PM
24	NO CHARTER	3/19/2024 12:46 PM
25	Don't mess with what's not broken	3/19/2024 12:18 PM

26	None	3/19/2024 10:55 AM
27	I believe the charter should focus on improving EMS by staffing every EMS station before jumping into the fire side	3/19/2024 10:53 AM
28	Drop the idea	3/19/2024 10:47 AM
29	Na	3/19/2024 10:46 AM

31	I DO NOT WANT A CHARTER GOVERNMENT!! WHAT DO YOU NOT UNDERSTAND????????	3/19/2024 10:19 AM
32	Volunteer services provide sufficient services to the county including all EMS services mentioned under DES	3/18/2024 6:33 PM
33	no charter board	3/18/2024 5:27 PM
34	Career department brings more professionalism	3/18/2024 3:37 PM
35	Combined paid and volunteer fire/EMS.	3/18/2024 1:06 PM
36	See previous comment	3/17/2024 1:01 PM
37	A mechanism needs to be developed to tax renters/apartment dwellers who benefit from fire and rescue operations to supplement property owner taxes.	3/17/2024 12:50 PM
38	County Govnment is responsible for public safety but currently takes no role in determining what is adequate protection. County Government needs to establish performance expectations (i.e. - staffing, response times, exceptable level of missed calls, etc.) for both fire and EMS service and then create reasonable and measurable metrics to determine if the expectations are being met. Also, establish a strategic plan that outlines trigger points and what actions will be taken in order to meet the established performance criteria.	3/16/2024 3:09 PM
39	Let each fire company pay per call for their members.	3/16/2024 8:14 AM
40	I would like the charter board to be dissolved, it's just a power play and will cost county residents more in taxes.	3/15/2024 1:23 PM
41	Give volunteers tax breaks ! You would get more volunteers if you take care of them in a small way!	3/15/2024 11:59 AM
42	I would like to see comparison with other area fire services (all volunteer vs combination paid and volunteer) to be better informed on the issues and recommended solutions.	3/15/2024 6:44 AM
43	Absolutely! Consider all options.	3/14/2024 10:38 PM
44	Use gambling revenue	3/14/2024 10:02 PM
45	No charter govt	3/14/2024 9:23 PM
46	Status Quo	3/14/2024 9:18 PM
47	In other counties (ie, PG, etc) are firefighters paid? Does it make for a better force?	3/14/2024 7:05 PM
48	Yes, no ideas right now	3/14/2024 7:00 PM
49	No more tax hikes, since you are asking that means this would happen, therefore no to a charter government	3/13/2024 8:24 PM
50	Pay the volunteers better.	3/13/2024 3:09 PM
51	Keep the volunteers and offer a better incentive to volunteer.	3/12/2024 6:35 PM
52	Again, I do not think Charter Government is a good idea. As someone who has lived here all my life and did not think I would ever leave, and as a retiree Charter Government would seriously make me consider moving from Maryland because it will be too expensive to live here.	3/12/2024 3:06 PM
53	increase funding and provide tax credits with no income restrictions of the \$2500.00 dollars that is on the books that our commissioners cut to \$500.00 with restrictions	3/12/2024 2:11 PM

Charter Board of Charles County Public Safety Survey

54	I DONT WANT A CHARTER BOARD	3/12/2024 1:44 PM
55	See all the above comments... None of this requires Charter Government!!!	3/12/2024 9:59 AM
56	From what I have seen on the questions provided in this survey, it appears that all the Charter Board is doing is looking for more ways to get money from the residents of this county. Not one thing in this survey has shown what the "Charter Board" is going to to to assist the people of this county.	3/11/2024 5:30 PM
57	We all understand why the Charter Board was created. The foundation is being laid to make Waldorf a Municipality. All those supporting this effort will have a change in their tune when taxes begin to rise and taxes will rise. How else will the town of Waldorf exist? Who will pay for the building to house the local government? Police force?	3/11/2024 4:27 PM
58	None.	3/10/2024 5:11 PM
59	Bring paid EMS back to Cobb Island	3/10/2024 2:41 PM
60	Provide incentives to volunteer.	3/10/2024 12:40 PM
61	Consider sharing information on already existing programs such as the retirement program and property tax credit.	3/10/2024 10:29 AM
62	From the top a Chief of DES then 3 branches Fire, EMS, SOD, all 3 chiefs in charge of career and volly staff. all staff held to the same training and appearance and safety standards.	3/10/2024 8:45 AM
63	There is money through county and State that never gets prioritized..extra in the kitty**.let say by an individual that passes away with no family..that money and or property goes where?? It should ultimately go to things such as Volunteer Fire dept. Why should State get it..and we never no where it goes.	3/9/2024 5:57 PM
64	Leave EMS alone.	3/9/2024 5:32 PM
65	The volunteer system is also a great resource for the youth of our community, and could be expanded and provided a great avenue to keep our youth on the right path. A small amount of paid firefighters would be needed and placed as a central location in our county. These personnel would be the trained in the Hazmat and other specific felids within the fire service to ensure these advanced skills are meet. Creating a large scale paid system is not necessary nor is desirable to raise the county tax any higher then they all already are!	3/9/2024 2:00 PM
66	How you going to pay for fire service.... It takes millions up to billions of dollars to start one... where's the money coming from... volunteer services has saved the county millions of dollars... I'm good with it... 100%..	3/9/2024 1:57 PM
67	There's no need for a "proposed Charter Government" to add or alternate anything. The government is fine the way it is and the Fire & EMS system is adequate as it operates now.	3/9/2024 11:41 AM
68	Better Tax credit for volunteering.	3/8/2024 10:40 PM
69	I believe we are adequately served by our current emergency services system	3/8/2024 8:09 PM

99	I do not want any additional or alternative ideas	3/7/2024 11:34 AM
100	Paid fire personnel should be focused in areas of specialized training I.e Hazardous Materials, confined space rescue etc. with being stationed in a central location in the county. The paid fire personnel would assist the well established volunteer system currently in place as needed on calls for service, and create a 24 hour buffer for emergency personnel. The county doesn't need to dismantle or overtake a well established and functioning volunteer organization, and incur additional costs at the taxpayer expense.	3/7/2024 9:54 AM

164	There needs to be a study on mutual aid services provided to St. Mary's County and the financial burden it places on the Charles County emergency services system. Are our Charles County taxpayers funding their failed system? The next thing that needs to be considered is a reduced cost tuition to the University of Maryland to obtain a college degree for volunteers. The current system for volunteers and career personnel offers substandard incentives compared to other states and even other counties within Maryland. This results in those who have obtained training in Charles County to seek out other opportunities. The last thing that needs to be addressed is those who abuse the 911 system. Other jurisdictions put together action teams involving law enforcement and social services to address situations where 911 is being abused and it results in numerous ambulance calls to the same residence or facility. This is often a negligence situation that requires the intervention of social services and law enforcement. While the initial answer for the board may be to expand or change the services provided, the issues that plague the system need to be addressed. The last thing that needs to be addressed is failing fire departments. When bad leadership runs all of the volunteers out, the bad leadership needs to be removed. There needs to be outside oversight over failing fire & EMS department. Toxic leadership causes our military, law enforcement, and fire & EMS departments to fail. This results in tax dollars needlessly being spent to recruit, retrain, and	3/5/2024 9:21 AM

207	You need to pay attention to minimum staffing levels in 911 and Police Communications. Currently minimum staffing for Police Communications is 3. That means one dispatcher for each channel, and a supervisor. That current call volume is about 700 to 1000 calls in 24 hours. The supervisor is left to answer phones, run tags and names, call tow trucks and more with minimum staffing at 3. This leaves no room for actual supervising. 4 would be better, 5 would be ideal. In past years dedicated individuals and young adults had the time to devote to maintaining a job, raising a family all while still living a comfortable life both time and finance wise working an average job. In todays society and economy the lack of interest as well as time has created a void in the quantitative (volume to staffing) and qualitative (quality to staffing) data of emergency calls being answered efficiently. 242	A fire chief they reports to DES would be a good start. The Vol Stations should be accountable to the Fire Chief, Director of DES, Co Admin, and ultimately the County Commissioners. We don't need full career right now, but we need to be prepared for the future by aligning the oversight of the fire service now and in coordination with current volunteer leadership.	3/3/2024 9:51 AM

244	The safety and security of Charles County citizens should be paramount. The volunteer fire/ems service is not able to provide the service anymore. Combination volunteer/paid for both fire and EMS. I would suggest a Monday-Friday staff for fire departments to allow the volunteer system to still exist while providing staffing during times where there is not any at the volunteer stations.	3/3/2024 9:42 AM
245	Properly fund our under supported volunteer system. The current funding for new apparatus and operating budget is so outdated and underfunded that it leaves volunteer companies to struggle to keep up with surviving financially. As for staffing departments; Look at Calvert County they offer massive benefits to their volunteers to support their staffing to include, massive property tax breaks and assistance with childcare for volunteers which cause huge staffing benefits. This whole process hasn't been viewed at from what have been the flaws from the county causing volunteer stations to struggle. Also remember to ask yourself why is spending more money on an already struggling paid DES staffing. Struggling so bad that they allowed temporary employees to lighten the load of the beat down they were receiving and you want to make it worse by expanding the paid system?..... There has been little support from the county for the volunteers and that needs to change.	3/3/2024 9:42 AM

Q8 In counties that have both a police department (appointed by and reports to the elected county executive and confirmed by the elected county council) and a sheriff’s office (independently elected), the police department is responsible for law enforcement while the Sheriff’s Office is responsible for court duties, civil process, and detention. Would you support the addition of a police department to Charles County Government?

1	They do a fine job at this time. But the sheriff office and officer also need more money and incentives	3/23/2024 6:11 PM
2	It all works so no charter	3/23/2024 5:51 PM
3	ABSOLUTELY NOT. This is completely unnecessary. The LAST thing this county needs is for the elected officials to hand pick the head of law enforcement for the County. That makes the police chief beholden to the Council, and not the People. It removes the voters ability to have a direct say in their police leadership. A lot of added cost (the hiring process alone will cost a FORTUNE, not to mention the cost of doubling the administration). I like the checks and balances we enjoy now.	3/22/2024 8:57 PM
4	The current system works well due to the fact that the Sheriff is elected by and answers to the citizens. If a police department and an appointed police chief were to be added that chief would only answer to the county executive and not the people. This county government proves every day that they are corrupt and should not be trusted with such an important duty. Leave well enough alone.	3/22/2024 8:47 PM

5	No police department	3/21/2024 10:55 PM
6	Since the county continues to grow, we need a new body of people to oversee the functions of the police department and provide a more visible police community. More policing is needed for aggressive and reckless driving along with an increase in illegal driving habits. People are running red lights, failing to stop at stop signs, failing to stop on red before turning right and passing cars on the shoulder in addition to passing on solid yellow lines. Racing motorcycles and cars on residential streets and roads. We have popup gun shooting ranges in neighborhoods and uncontrolled loud vibrating music at outdoor venues and vibrating loud music in cars passing by. WE need more policing.	3/19/2024 11:48 PM
7	Cost and again, electing who serves by the community instead of appointment that doesn't have community input is a bad decision for the community	3/19/2024 9:25 PM
8	The number of paid officers is a lot when you look at the numbers but they never seem to be proactive	3/19/2024 6:43 PM
9	The Sheriff should continue to be elected by the citizens. The county government doesn't have the LE expertise or operational experience to oversee a police department. Guaranteed to become political and not benefit the citizens	3/19/2024 6:43 PM
10	No need for police department	3/19/2024 4:33 PM
11	Absolutely no!!!!	3/19/2024 3:37 PM
12	Are you stating that the current sheriff's office cannot perform their current duties competently? If so, why is that? Why do you believe separate of duties will be the fix we need.	3/19/2024 12:19 PM

16	The sheriffs office is without a doubt the most efficient and effective segment of Charles County Government. Providing an executive the power to hire and fire a police chief is a terrible idea and only provides a scape goat to failed policy.	3/19/2024 10:25 AM

23	I'm not sure what we are trying to fix with creating a separate police department, what are pros and cons and cost for this?	3/15/2024 6:48 AM
24	The charter should forbid the creation of a police department. The sheriff is accountable to the people and a police chief is not.	3/14/2024 9:19 PM

32	There is no articulable reason for a new police department in Charles County. Doing so is a mismanagement of tax funds that are already stretched thin.	3/12/2024 11:57 AM
33	NO NEED! SHERIFF is sufficient.	3/12/2024 11:42 AM
34	There's no reason to have a police department in this county at this time. Realistically, almost all of the personnel for a county police department would come from CCSO - which renders making the change effectively pointless. Charles County is not big enough to require a separate Sheriff's Office and Police Department, and we're already struggling to get enough officers in the first place. Before complicating things by introducing another agency to the county, we need to solve staffing issues with what we already have.	3/12/2024 10:31 AM
35	The CCSO does a great job...another police department with added cost for adminstraion and overhead is NOT NECESSARY. This does not require Charter Government!	3/12/2024 10:03 AM
36	The Sheriff Department is doing a great job. Why bring a Police Chief in to only report to elected officials. Again. Thw Sheriff is appointed by the people he/she serves.	3/10/2024 11:33 PM
37	Nothing wrong with CCSO other than understaffed.	3/10/2024 8:32 PM
38	No thanks. It's cool to have the freedom to vote for our sheriff.	3/10/2024 12:25 PM
39	Our sheriff's do an awesome job and need to be taken better care of.	3/10/2024 11:44 AM
40	With all the home building going on, we'll be another "Waldorf" very soon with all the traffic it generates! We'll need a full on police department to handle the problems that brings to LaPlata & surrounding areas!	3/10/2024 10:33 AM
41	CCSO is doing a good job.	3/10/2024 8:46 AM
42	Absolutely NOT!!!! This is completely not necessary, we have great law enforcement in our county, if any tax payer money that needs to be spent should be done to full support a well established and extremely well respected law enforcement agency.	3/9/2024 2:20 PM
43	Hell no 100%	3/9/2024 2:00 PM
44	Don't support a change. It's working just fine.	3/9/2024 11:49 AM
45	It'll cost tax payers more money.	3/9/2024 11:43 AM
46	We are just fine with the more than capable law enforcement that we have. If we can get bond commissioners and judges to hold those arrested instead of catch and release, there would be less repeat offenders.	3/9/2024 10:28 AM
47	CCSO is one of the best in the state and the Country. Why mess up a good thing? I'm sure Collins has a buddy he wants to appoint, but he needs to keep looking.	3/8/2024 10:42 PM
48	I don't want my government to be in control of the police department. I want to elect the police chief aka the sheriff. Stop trying to turn us into PG county	3/8/2024 7:54 PM
49	Horrible idea. Look at Prince George's County who has both, would you say they are doing great? No, me either. Why in the world would you want to model something like that and risk failure when our Sheriff's Office is doing great and is incredible. So you can have control??	3/8/2024 7:30 PM
50	additional departments would not benefit the community. The Sheriff's Office is currently providing the services we need without additional unnecessary bureaucracy further adding costs to the tax payers of the county while providing the same services. The system we have is not broken and does not need to be changed.	3/8/2024 7:10 PM
51	The Charles County Sheriff's Office is a fully functional police agency that handles all police functions to include court duties, civil process and detention. If it is not broken, don't try to fix it.	3/8/2024 5:51 PM
52	The Sheriff does an outstanding job!	3/8/2024 11:28 AM
53	The extremely high cost of starting a seperate police dept would be an unfair burden to the citizens. The sheriff's office does an outstanding job protecting the citizens. Additionally, the county is currently unable to hire and fund the sheriff's office so they can be fully staffed. We are not even keeping up with attrition. I do not see how the county would be able to support the sheriff's office and a seperate police department. The county govt should focus on supporting and funding the sheriff's office so they can reach full staffing.	3/8/2024 8:24 AM

54	However, would this mean an increase in our taxes?	3/8/2024 5:57 AM

60	We already have a functional sheriff's office. Don't need more layers of high paid people.	3/7/2024 6:09 PM
61	The cost would be too much . The cost just for a new police chief, plus the search, would be in the mid 6 figures.	3/7/2024 5:45 PM
62	Our sheriff's dept is doing the job already	3/7/2024 5:29 PM
63	Crazy talk. Must be kept separate from political agendas.	3/7/2024 4:03 PM
64	What the heck, what sense does this make? Another layer? No.	3/7/2024 4:02 PM
65	Absolutely not	3/7/2024 3:45 PM
66	Keep things the way they are! We need to have a voice in who is in office.	3/7/2024 3:28 PM
67	If you would prosecute per the constitution, there would be less crime and less criminals on the street, and therefore crime would go down, and we would not need any additional police force.	3/7/2024 3:00 PM
68	Leave it ALONE	3/7/2024 2:55 PM
69	No need for another police department. Fund the one we have properly.	3/7/2024 2:47 PM
70	Why break up the sheriff's office when they actually are doing a great job.	3/7/2024 1:31 PM
71	I believe that the system that is in place is great.	3/7/2024 1:00 PM
72	A police department is just another way for the County Commissioners to gain control. The Sheriff's Office does an excellent job as is and is underappreciated in this county. If you go to a police department, you will 100% lose many of the great police officers currently employed by the Charles County Sheriff's Office.	3/7/2024 12:56 PM
73	The current law enforcement system in place in our county is excellent. There is no reason to create another redundant system. If anything the county needs to plan increasing the Sheriff's Office size to match the growth of the county's population. Money used to fund a "police department" could be spent on matters such as overcrowded schools/ shortage of qualified teachers, the fact our county only has one hospital that is overcrowded, the increasing homeless population in our county / lack of mental health services Obviously the only logical reason to take on this extremely expensive task and dismantle an effective law enforcement agency is to take away the public's ability to choose its head law enforcement figure and give that power to a county executive.	3/7/2024 10:27 AM
74	The current Sheriff's Office does a great job already. We do not need a Charter Board.	3/7/2024 9:58 AM
75	We already have both, the Sheriffs Police. This system is working just fine. There is no need for double duty. Our county cannot support both.	3/7/2024 9:29 AM
76	Say no to the charter board.	3/7/2024 7:35 AM
77	Charles County does NOT need a police department! The Charles County Sheriff's Office is the best in the state of Maryland! I do NOT support a police department!	3/7/2024 7:29 AM
78	Our current Sheriff's office does an amazing job.	3/6/2024 8:11 PM
79	The Charles County Sherrifs office does a good job with public safety.	3/6/2024 4:24 PM
80	The Charles County Sheriff's Office is one of the largest and best Sheriff's Offices in the State of Maryland. They provide excellent services and the Sheriff serves at the pleasure of the voters, as does the county council. A county police department puts the police chief at the	3/6/2024 2:21 PM

Charter Board of Charles County Public Safety Survey

mercy of the county council and he's only accountable to 5 people. They can change who it is at will and this leads to disfunction, lack of continuity, and corruption in the county council as they control who the police chief is and are not accountable to law enforcement. See Jack Johnson in Prince George's County a number of years ago. The FBI had to get involved to set it straight. There was also a great deal of drama between Wayne Curry and the Sheriff of Prince George's County after Wayne Curry got elected. He had a grudge against the Sheriff who had previously caught him illegally carrying a gun into the courthouse while he was an attorney. He cut funding for the Sheriff's Office to the bone and service to the citizens suffered. At one point there were 45,000 unserved warrants and crime was rampant. Similar to my answer about the fire chief, the only reason for a police department and chief is to consolidate power at the county seat for the benefit of the council. Under the current system, the voters elect the Sheriff, but the council must fund the Sheriff's Office. The council and Sheriff must work together professionally and council members are still subject to the rule of law. If the Sheriff does not perform his duties, then the voters get rid of him, not the council on a whim or perceived slight. Sheriff Berry served many years in internal affairs and keeps the Sheriff's Office running according to regulation. Bad apples don't last. Don't fix what isn't broken.

81	No broke don't touch	3/6/2024 12:57 PM
82	What a stupid question. Why would we need a police department when we already have good policing in Charles County?	3/6/2024 10:28 AM
83	Sheriff can handle, no need to increase size of government when it is not needed.	3/6/2024 9:18 AM
84	The current Sheriff's Office does a great job of protecting and serving this county. There is no need to raise taxes to bring in another department when we have town and county police.	3/6/2024 8:51 AM
85	There are already multiple law enforcement agencies operating within the county.	3/6/2024 8:29 AM
86	The sheriffs office does an outstanding job!!	3/6/2024 5:39 AM
87	The Charles County Sheriff's Office does a great job solving crime and preventing it. coming from a county where it take 15 to 20 mins just to get a 911 call in. Again, why would we add when they are going the job and doing it well without costing tax payers more.	3/5/2024 10:24 PM
88	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
89	If this is what a charter government is for, i don't want a charter government.	3/5/2024 7:53 PM
90	Having a separate police force makes it so the county commissioners cannot strong arm or make changes they deem necessary.	3/5/2024 7:48 PM
91	Don't want a charter government	3/5/2024 7:33 PM
92	The structure of the current law enforcement agency for the county, the Sheriff's Office, works. I DO NOT support changing from our current Sheriff's Office model. As county residence, we have the privilege to elect a new Sheriff every four years if we don't line the direction the elected sheriff is going we can vote them out. If the board elects to create a police department, it would no longer be a choice for the voter. Plus, the current Law Enforcement system if an elected Sheriff with a Sheriff's Office as the primary law enforcement for the county works, if you change that you break it. You don't have to look far at how it's failing in other jurisdictions like PG County, Montgomery County, Washington, DC. Folks from PG County and DC like our model so much they are moving to Charles County in droves.	3/5/2024 7:22 PM
93	Horrible idea. We have a great sheriffs office.	3/5/2024 6:44 PM
94	There is nothing wrong with the Sheriff's Office we have. The environment and working conditions are second to none. The Officers are dedicated employees. But this based on this people are saying a Charter Gov't will be no added expense. How can you have two police departments, but yet at no added costs?	3/5/2024 6:25 PM
95	Absolutely not. Why be different and change something that is not broken. CCSO handles all law enforcement, outside of La Plata without any issues.	3/5/2024 5:48 PM
96	Our sheriff office is considered one of the best, why are you looking to destroy that.	3/5/2024 5:45 PM
97	The Sheriff's Office is very good. An appointed police chief is a political position who doesn't do what's best for the county but what those who appoint him desire. I do not support the	3/5/2024 5:33 PM

formation of a police department. Additional the cost or creating a police department out way any possible benefit. Keep the Sheriff's Office

98	I want my law enforcement head to be accountable to the people and not an individual executive. Answering to a county executive creates a higher possibility of unethical or corruption, look no further than the other counties with police departments, their politicians aren't policed by the police allowing for more corruption.	3/5/2024 5:33 PM
99	Law enforcement should be served and headed by an elected official who will lead the way the voters support. An appointed chief will serve the needs of his boss, which is not the electorate.	3/5/2024 5:21 PM
100	The sheriff's office is the best in the state.	3/5/2024 4:37 PM
101	The Chief law enforcement officer in the county needs to be voted in by the people.	3/5/2024 4:36 PM
102	The Charles County Sheriff's Office is a great law enforcement agency compared to any other agency in the state. This request for a Police Department sounds like a county executive who wants the power to dictate the path of a police department. Right now, as it should be, the Sheriff is elected to and responsible to the people in the county. Not one person. This is a power grab the new County Executive wants and there is no other reason for it.	3/5/2024 4:32 PM
103	NO	3/5/2024 4:17 PM
104	Why take accountability away from the taxpayers? So we'll have one guy/gal deciding our law enforcement? No thanks. Already have one racist on the board and a thief. I don't want them deciding on the chief law enforcement officer of the county.	3/5/2024 4:10 PM
105	The Charles County Sheriffs Office does an excellent job of handling all tasks given.	3/5/2024 4:06 PM
106	The work the Sheriff's Office is doing currently is working just fine. We do not need to add any new departments to the agency.	3/5/2024 3:46 PM
107	No, the Charles County Sheriff's Office is the best sheriff's office in the State. Do not destroy something that is not broken. We already have La Plata Town Police, Maryland State and CCSO - another police department is NOT needed.	3/5/2024 3:21 PM
108	bad idea	3/5/2024 3:13 PM
109	The sheriff's office does not have the approval to hire enough officers to keep up with the county's constant growth in neighborhoods and population. Adding another law enforcement agency would not solve this problem. Properly fund the law enforcement agency that is in place.	3/5/2024 2:49 PM
110	The current sheriffs office does an excellent job for the county	3/5/2024 2:27 PM
111	Why is this even necessary? This would be such a waste of tax payer money.	3/5/2024 1:55 PM
112	Not needed	3/5/2024 1:48 PM
113	We have the best Sheriff's Office in Maryland, there is no need to change what they do	3/5/2024 1:36 PM
114	It would cost too much, and the Sheriff's Office is currently doing an outstanding job. There is no need or want for two police departments in the county.	3/5/2024 1:35 PM
115	Again I don't understand why you are trying to reinvent the wheel. What is the reason that you need to change a law enforcement institute that has had an outstanding reputation for serving its community. I moved here from an area that did not reflect the same reputation. 8. Having an elected official for Sheriff is more comforting than an appointed chief of police.	3/5/2024 1:27 PM
116	No what's wrong with the one we got now	3/5/2024 1:18 PM
117	Absolutely not!	3/5/2024 1:02 PM
118	It is a waste of public dollars to transfer to an additional law enforcement agency when all needs are being covered now.	3/5/2024 12:59 PM
119	Why pay for law enforcement services twice???	3/5/2024 12:59 PM
120	I like our Sheriffs Office	3/5/2024 12:39 PM
121	The Sheriff's Office has a proven record of providing excellent service and a police department would cost too much money and serve no additional purpose other than spending taxpayer	3/5/2024 12:38 PM

money. I think we could use the money for better services.

122	Sheriff Troy Berry and the Charles County Sheriffs Office do an outstanding job policing and enforcing law in the county.	3/5/2024 12:35 PM
123	Why would we need 2 county police agencies? There is MSP and LPPD as well as CCSO. The board even says it, CCSO is a full service agency and does a fine job.	3/5/2024 12:19 PM
124	The Charles County Sheriff's Office is a full service Agency that takes care of all the needs you just listed. Why would anyone want to spend millions of additional tax dollars just so the Commissioners could control the Chief of Police. The Sheriff is elected directly by the residents of this county. There is no benefit to splitting up these duties and charging the residents more in tax dollars just so the County Commissioners can grab more control!!! That would be ludicrous.....	3/5/2024 12:16 PM
125	the Sheriff's Office does a great job for the community.	3/5/2024 12:05 PM
126	The ccso is one of the best law enforcement agencies in the country. Making a police chief would take the policing decision out of the hands of an elected poloce poloce official and into the hands of a politician.	3/5/2024 11:56 AM
127	The Sheriff is an EXPERIENCED AND SWORN LAW ENFORCEMENT OFFICIAL, elected by the citizens of Charles County. THE Sheriff answers to the citizens. The Sheriff has the ability to employ his/her experiences and skills for combating crime and improving the citizen's quality of life. The County Commissioners usually are not experienced with Law Enforcement. A Police Department has an Appointed Chief who does not answer to the public, but to the County Executive. This Sheriff's Office is sound and the best form of Law Enforcement around. The Charles County Sheriff's Office is also the best law enforcement agency in the state of Maryland. The counties which have a police department, are for a much larger population with large commercial infrastructures such as Montgomery County. And, it just doesn't work for the betterment of the voting citizens. We do not need another government entity in between an elected Sheriff and the voting citizens of Charles County.	3/5/2024 11:51 AM
128	The Sheriff's Office is very well-respected and operates effectively. The functions of the Sheriff's Office as is work appropriately, and there is no need to fix a system that is not broken.	3/5/2024 11:33 AM
129	The addition of a police department to Charles County would long term be detrimental to the citizenry of Charles County. Not that the problem is universal but in some areas with police chiefs or police superintendents who answer directly to a city or county council, administrator, mayor, executive, etc, they are having major issues with crime or in some cases being misused by the elected city or county officials to harass the citizens. The Charles County Sheriff's Office does a stellar job of working for and with the citizens of Charles County. If ANY additional funding is to be considered for Law Enforcement in CC, it should go to the Sheriff's Office and La Plata Town PD. The creation of an entire new countywide police force would be an immensely expensive project that Charles County is not ready for. The government would have to fund new facilities, personnel, firearms, vehicles, equipment, training facilities, etc. What is currently available is adequate and could honestly use MORE financial support from the county... not a entirely new police department. Do not try to fix something that is NOT broken.	3/5/2024 11:26 AM
130	We have a first class law enforcement agency already!	3/5/2024 11:25 AM
131	I do not support this in the least. There are over 300+ Officers on a fully operational Sheriff's Office now, in addition to countless support personnel, and those within specialty units ranging from Forensic Science, Drone Operations, Digital Forensics, K9, Criminal Investigations, and School Resources. The entire law enforcement infrastructure is in place - and the idea would be to what, make them responsible for court and detention? This seems completely ineffective.	3/5/2024 11:22 AM
132	Charles County has one of the best Sheriff's Office in the vicinity. We already have a small Town PD that still defers to CCSO on most calls. Overall satisfied with current operations of the Sheriff's Office	3/5/2024 11:17 AM
133	Our law enforcement is currently accountable to the voters and taxpayers and this should not change. If we do not like the direction our law enforcement is going, we can elect a new leader. With a chief he/she is only accountable to the county executive. You are attempting to fix something that is not broke.	3/5/2024 11:12 AM

134	DON'T FIX WHAT ISN'T BROKEN!	3/5/2024 11:02 AM
135	Adding a police department poses no benefit to the people as we already have the Sheriff's office who does a great job. Adding an additional department only causes for more cost with no true benefits.	3/5/2024 11:01 AM
136	Those duties are being handles well already. The implication would be a burden to the tax payer.	3/5/2024 10:59 AM
137	The Charles County sheriffs office does a great job. There's no need to fix something that isn't broken there's a national shortage of police officers currently, how would you even employ more police without lowering standards?	3/5/2024 10:57 AM
138	The Sheriff's Office has done well by this county. A Police department would only allow the "Charter Members" to have control and added much needed, unnecessary taxes on citizens. This idea is ridiculous.	3/5/2024 10:54 AM
139	The Sheriff's Office functions now just fine. I like that I can elect my Sheriff. I like that its ONE unit. It makes things less confusing for an average citizen, they go to ONE place. I also don't think you'd find enough employees to staff ANOTHER agency.	3/5/2024 10:54 AM
140	Why would you want to ruin one of the oldest Sheriff's departments?	3/5/2024 10:54 AM
141	I want my law enforcement official accountable to the the people not a county executive. No police department	3/5/2024 10:52 AM
142	What we have is working very well.	3/5/2024 10:51 AM
143	We do not need a police department. The Sheriffs office needs more officers since the county is constantly expanding and bringing more houses and crime to the county. Better pay equals better candidates for both police and correctional officers.	3/5/2024 10:51 AM
144	Charles County has the best sheriff's office in the state and there is no reason to destroy something that isn't broken.	3/5/2024 10:48 AM
145	This always turns into a department where everyone is unhappy and swamped with bureaucratic hurdles where nothing gets done. Moral always drops, and crime increases.	3/5/2024 10:48 AM
146	The Sheriff's Office serves the needs of the county just fine. The sheriff is also elected by the people. Not controlled by the government.	3/5/2024 10:45 AM
147	Why incur the additional expense when we have a law enforcement function that is outstanding.	3/5/2024 10:44 AM
148	Don't change what is already working.	3/5/2024 10:43 AM
149	We don't need a police dept. ccso is the best	3/5/2024 10:41 AM
150	The sheriffs office provides excellent law enforcement services and the county does not require a police department. If the county goes to create a county police department it will go the way that Prince George's and Montgomery has, where the residents get fed up with the county service and hire town police to patrol their jurisdictions. When this happens, the county will lose tax revenue and be forced to cut their services, which are often viewed as substandard in those jurisdictions. Take Bowie City for example. The residents there do not under any circumstances want Prince George's County Police patrolling or investigating in their city. What the county officials must ask, is do they want Charles County to be filled with townships and cities with municipal police and fire departments? Mark my words, this is what will happen. Additionally, the county commissioners will have to deal with a police union. The sheriffs office often keeps police unions at bay. Is Charles County ready to deal with a law enforcement officers labor organization that's more vocal on how things are running?	3/5/2024 9:32 AM
151	Not necessarily at this time; however Council snd Executive should have the authority to do so when deemed necessary	3/4/2024 8:59 PM
152	A police chief is a puppet to your antics. An elected sheriff must do good by the constituents and does not report to you, therefore must do good by the community.	3/4/2024 5:14 PM
153	The police are treated the same as the volunteer firefighters so once again how are you gonna afford all of this if no one can get more money now	3/4/2024 1:18 PM

154	I believe the Sheriff's Office is capable and has proved it can provide both functions with out the cost of an additional County Police Dept.	3/4/2024 11:02 AM
155	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
156	No! NO! NO! A duly elected Constitutional Sheriff is more than sufficient for Charles County. We do not need, nor want a personal police force for the commissioners.	3/4/2024 10:22 AM
157	Our Current Law Enforcement, including our Sheriff's Department, local town police departments and State Police departments are working Well Together!	3/4/2024 8:47 AM
158	This is not Prince George's County. Our sheriffs do a fine job. Hire more police to help crime prevention and actually hold criminals accountable instead of releasing them on their own reconnaissance. I do not see the police not doing their jobs but I can't say the same for most elected county officials. Do better....	3/4/2024 6:43 AM
159	Only if the fire and EMS side are fully paid positions first.	3/3/2024 11:46 PM
160	Boost the numbers in the current sheriffs office who are under the control of an elected official not an appointed police chief.	3/3/2024 11:00 PM
161	Appointed law enforcement by administration will serve who appointed them, not the citizens who have no vote for them.	3/3/2024 10:49 PM
162	No Charter!	3/3/2024 10:02 PM
163	The current Sheriff's Office is effective and efficient.	3/3/2024 8:39 PM
164	Charles County sheriff department does an amazing job in crime and being active in our community	3/3/2024 8:26 PM
165	The sheriffs office is one of the finest in the state why fix it if it ain't broke. Leave the sheriffs office alone	3/3/2024 8:01 PM
166	The current sheriffs office operates well but could also benefit from additional resources!	3/3/2024 7:46 PM
167	Absolutely unnecessary. I don't want council members or county executives hand picking a puppet police chief	3/3/2024 5:48 PM
168	Our county sheriffs department is enough.	3/3/2024 4:11 PM
169	This seems like a good idea, but there is no need for it. Besides, CCSO can barely stay staffed, how in the works would you staff a whole new department?	3/3/2024 3:55 PM
170	The Power of the Elected Sheriff is Omnipotent - Degrading the Sheriff would be a shame	3/3/2024 2:50 PM
171	We have a Sheriff who is doing a great job. Why spend more money on a police department? It doesn't make sense.	3/3/2024 2:43 PM
172	No. But please add to the existing Sheriff department. We never see any law enforcement on Cobb Island.	3/3/2024 2:31 PM
173	"addition of police department " to do what? Most of the deputies and police officers in Charles county are friends or associates with residents and they don't uphold the law. Charles county has slowly become a run-down, drug and crime infested place. Despite the number of new businesses, Charles County is starting to have the same crime problems of neighboring DC and Baltimore. Hire law enforcement personnel of INTEGRITY who will put the law first instead of law enforcement personnel who "hook up" and "watch out for" their friends, partners, homeboys, and neighbors.	3/3/2024 2:23 PM
174	Our sheriff dept already does a great job	3/3/2024 2:14 PM
175	Again, you need to better explain how this new police department and what it's pros and cons are. I don't understand why a new police department is needed if the current CCSO serves this function.	3/3/2024 1:44 PM
176	I think the current structure works fine.	3/3/2024 1:33 PM
177	There is nothing wrong with the Sheriff's office	3/3/2024 1:18 PM
178	I do not support more politics in law enforcement. A PD would have a Chief appointed by a	3/3/2024 1:18 PM

politician/political body. That could mean a police state or selective law enforcement based on the whims of the appointing authority. I prefer the elected Sheriff for law enforcement. No need to create another high paying government employee. The voters will determine whether a Sheriff is doing an acceptable job. Creating a PD only creates some duplication of duties and more cost to the taxpayers.

179	I wasn't aware that CCSO was failing to meet the law enforcement needs of the county.	3/3/2024 1:16 PM
180	I dont want the county politics to be able to destory another efficient agency. At least the sheriff doesnt have to kiss the counties politicians asses	3/3/2024 1:15 PM
181	There is no need for this.	3/3/2024 12:15 PM
182	Leave as is	3/3/2024 12:03 PM
183	Better oversight	3/3/2024 10:59 AM
184	Only if the court system will stop letting criminals out. More police doesn't mean a better justice system.	3/3/2024 10:49 AM
185	Enhance what we have	3/3/2024 10:45 AM
186	Or get volunteer sworn police officers??? There's a reason the states don't have volunteer police. They have auxiliary police. Hence the reason we should have paid Firefighters that are supplemented by the volunteer system.	3/3/2024 10:35 AM
187	The ccso has been very good to this community.	3/3/2024 10:27 AM
188	Keep the Sheriff, this type of position should be elected not selected.	3/3/2024 10:15 AM
189	Already have CCSO	3/3/2024 10:14 AM
190	Sheriff does a great job. Just support them.	3/3/2024 9:08 AM
191	Another tax & control issue. No, No, No...	3/3/2024 8:11 AM
192	I see this option as just more bureaucracy, personnel, and cost with no net increase in public safety	3/3/2024 6:50 AM
193	Perhaps in the future. Population matters too. Income matters too. Is the County receiving the correct funding that's needed for our citizens?	3/3/2024 2:37 AM
194	The more officers the better! It will also provide additional opportunities for local students to serve their communities.	3/3/2024 12:44 AM
195	Nah I think they already don't understand the lines and cross them to many times now.	3/3/2024 12:05 AM
196	Again, our taxes are high enough already.	3/2/2024 9:02 PM
197	Our Sheriff is doing a fabulous job. We do not need a Police Department.	3/2/2024 8:14 PM
198	There are a lot of facets to this. Not a yes/no question.	3/2/2024 7:37 PM
199	No to charter government	3/2/2024 7:08 PM

201	What happened to the police station that was set up behind the local Burger King in Bryans Road? That presence needs to be here.	3/2/2024 6:50 PM
202	I don't believe that Charles County is in need of a police department. Our Sheriff's Department has done and is doing a great job. Don't try to fix something that's not broken. What we really need is additional FTEs for the department to keep up with our growth!	3/2/2024 6:48 PM
203	No to Charter Govt	3/2/2024 6:24 PM
204	It is very much needed.	3/2/2024 5:59 PM
205	I think it needs to stay a separate entity. Stop trying to make county government bigger and more expensive. I think a county executive will have too much power. Charter board is not what the people want and not what we voted for.	3/2/2024 5:12 PM
206	The sheriff department has served us well since it's inception. The sheriff needs to be	3/2/2024 4:59 PM

accountable to the residents not the politicians and bureaucrats. There is no need for two departments with split duties. This would just be another expense that we, the tax payers would have to pay for.

207	What we have is adequate. It's the court system that needs attention. The police do their job but then the court system fails to punish offenders	3/2/2024 3:09 PM
208	Where do you think the funds are coming from to support this?	3/2/2024 2:12 PM
209	We already have a good Sheriff's office. If people here want two then move back to wherever they came from. I've lived here 53 years and we don't need Charter Govt.	3/2/2024 2:04 PM
210	An elected sherriff works for the people to enforce the constituional law. A police department works for one executive and enforces policy with no commitment to the constitution of this country.	3/2/2024 2:00 PM
211	I do not know what the benefit would be, so it's impossible to say whether or not I would support this.	3/2/2024 1:25 PM
212	The CCSO is fine just as it is.	3/2/2024 1:20 PM
213	Have you thought about how much it is going to cost the county's tax payers to have another police department? Are you out of your fucking minds. Say no to charter.	3/2/2024 12:37 PM
214	I am against the charter altogether!!	3/2/2024 12:26 PM
215	ONLY if the monies are taken from the tax funded legal fees the Commissioners enjoy.	3/2/2024 11:53 AM
216	The Sheriff's office has done a great job and continues to do a great job day in and day out. This is just a power grab by local government to have control of the Chief. The sheriff does not answer to local government, he answers to the public in which he serves.	3/2/2024 11:51 AM
217	With an increase in crime that many residents seem to complain about, an additional police force would be welcomed. La Plata currently has a Police Department, County Sheriff Department, and Maryland State Police. That seems to work for them.	3/2/2024 11:40 AM
218	The cost to add a police department will be expensive. It would add additional executive staff salaries, additional buildings needed as well as additional officers with no guarantee the current CCSO officers would transition to a police dept.	3/2/2024 11:03 AM
219	In time yes, but let's get the charter structure in place first and in the future voters can choose to add a police department as the need becomes more clear	3/2/2024 9:08 AM
220	Why?	3/2/2024 8:40 AM
221	The Sheriff is elected by the citizens of Charles County and is not appointed by some corrupt government entity. There is to much government overreach in Charles County now we do not need to add any additional government agencies especially an armed force solely run and operated by the government. The Charles County Sheriff's office is more than sufficient in providing law enforcement to the county. There is absolutely no reason to have an additional police force that would be 100% government owned and operated. Any funding that was or is being considered for any additional Police force needs to go to the Charles County Sheriff's office 100%.	3/2/2024 7:04 AM
222	They are doing a great job no need to	3/1/2024 3:48 PM
223	Not needed. Where will the money come from to create such a department. Our taxes are high enough as it is.	3/1/2024 2:28 AM

Q9 If this change is implemented under charter, how would you suggest Charles County pay for the additional costs? (Check all that apply)

89	I do support a change.	3/7/2024 11:30 AM
90	Not supporting this. We are one of the highest taxed countries in the state. My property tax assessment here in Charles County just doubled this year. Even proposing this additional expense on the taxpayers of this county, in such a time of high inflation, high interest rates, shows a very sad disconnect in our leadership. Hard working residents of this county are struggling to buy housing, groceries, and cover their monthly bills..	3/7/2024 10:27 AM
91	none	3/7/2024 7:44 AM
92	I do not support the implementation of a police department. The services currently provided by the Charles County Sheriff's Office are more than satisfactory and our county does not need this additional expense.	3/7/2024 7:38 AM
93	NO POLICE DEPARTMENT!	3/7/2024 7:29 AM
94	Let those who want this pay for. Not needed. Stop trying to make Charles county bigger than it is.	3/6/2024 8:29 PM
95	Do not want a tax increase	3/6/2024 4:24 PM
96	I don't support it	3/6/2024 2:34 PM
97	Just as my answer was for the fire department, people are strapped for money and can't afford fee or tax increases. If you can't afford the change with current revenues, then it shouldn't be done.	3/6/2024 2:21 PM
98	Do not raise taxes. There is no need for a police department and it would be a waste of tax payers money	3/6/2024 2:14 PM
99	Don't touch	3/6/2024 12:57 PM
100	We have a great department in place. I don't see any need to change what is in place.	3/6/2024 11:59 AM
101	No changes. The Charles County Sheriff's Office does a great job with all elements of policing.	3/6/2024 11:29 AM
102	I do not support this change	3/6/2024 10:54 AM
103	NO to Charter; nO to putting a heavier tax load on those already paying high taxes.	3/6/2024 10:28 AM
104	Do not do it. We have a full service sheriff's office right now. We don't need to spend a bunch of money to change the name and control of the police when we already have them.	3/6/2024 9:20 AM
105	Do not add a police department	3/6/2024 9:18 AM
106	Do not do it.	3/6/2024 9:08 AM

110	None of the above.	3/5/2024 10:45 PM
111	DONT DO IT!	3/5/2024 10:24 PM
112	Dumbest idea ever!	3/5/2024 8:10 PM
113	A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
114	I do not want this there fore I shouldn't have to pay for it. It is hard enough to staff the sheriffs office. Where do you suppose this new force will come from. The Detention Center is over 40 officers short. Do something about that.	3/5/2024 7:48 PM
115	Don't want a charter government	3/5/2024 7:33 PM
116	I don't want them increasing	3/5/2024 7:29 PM
117	I do not support the change and I don't want you to make residence pay more for something I don't agree with.	3/5/2024 7:22 PM
118	None	3/5/2024 6:44 PM
119	Do not do it and not worry about having to pay for it.	3/5/2024 6:25 PM
120	There is not a need to change our government. Our Sheriff's office is the finest around and this whole idea of changing things is nothing but a power grab.	3/5/2024 6:12 PM
121	Don't raise taxes for something that is not needed.	3/5/2024 5:55 PM
122	Non of the above. It is honestly a horrible idea.	3/5/2024 5:48 PM
123	Do not raise taxes. A police department is a waste of tax payer money	3/5/2024 5:45 PM
124	No police department. It's needless use of tax payer money	3/5/2024 5:33 PM
125	If it's not broke don't try to fix it. There for leave it as it is,	3/5/2024 5:32 PM
126	I don't want a police department. The sheriffs office is fine the way it is.	3/5/2024 5:21 PM
127	Do not support	3/5/2024 5:21 PM
128	If left as it currently is, there would not be a need to increase taxes.	3/5/2024 4:46 PM
129	Residents should not be additionally taxed for a new department that is not needed. The Sheriff is elected by the people to serve the people. This is a power grab for a new county executive and relates to Rueben Collins not getting along with Sheriff Berry because he cant tell him what to do.	3/5/2024 4:32 PM
130	Stop taxing us and trying to grow our government.	3/5/2024 4:17 PM
131	Always looking for ways to tax us. Just once, I'd like a decrease. When there is surplus, it should be given back to the taxpayers.	3/5/2024 4:10 PM
132	The Sheriff's office does a great job already. They just need more officers and an increased budget.	3/5/2024 3:57 PM
133	Again, I do not support a Charter for the policing of Charles County	3/5/2024 3:46 PM
134	This change should NOT be implemented. The citizens are happy with the way things are now. We pay alot in taxes as it is, probably one of the highest taxed counties in the immediate area. Stop robbing the citizens with taxes and leave the Sheriff's Office alone. It's a strong organization and servicing the citizens wonderfully.	3/5/2024 3:21 PM
135	bad idea	3/5/2024 3:13 PM
136	Allow gambling/slots	3/5/2024 2:37 PM
137	No charter government should be formed therefore no new takes will be needed for a police department that isn't needed.	3/5/2024 2:27 PM
138	I hope this does NOT happen	3/5/2024 1:55 PM

139	Politician salaries	3/5/2024 1:48 PM
140	Don't change it	3/5/2024 1:42 PM
141	DO NOT CHANGE IT. There is no need for an additional police force. Give the Sheriff's Office more money to hire more police.	3/5/2024 1:35 PM
142	The amount of money required to start up a brand new law enforcement agency has got to be large. If you want to seriously purpose this, I wouldn't do a survey, but a day that the community can meet and hear why it is you want these changes so earnestly.	3/5/2024 1:27 PM
143	I do not support a Police Department	3/5/2024 1:14 PM
144	Some other family that will be living in my house because I'm out!	3/5/2024 1:02 PM
145	I do not want to fund an unnecessary government action.	3/5/2024 12:59 PM
146	No change to law enforcement services and no new tax increases!!!	3/5/2024 12:59 PM
147	Take it out of the board of education budget.	3/5/2024 12:41 PM
148	I pray this doesn't happen. We do not have the money. I will be taxed out of the county soon enough.	3/5/2024 12:38 PM
149	I think this would be a detriment to Charles County and would be a great cost to the residence of Charles County!	3/5/2024 12:35 PM
150	DO NOT IMPLEMENT THIS CHARTER FORM OF LAW ENFORCEMENT.	3/5/2024 12:16 PM
151	I don't support the additional costs of another county police department at all.	3/5/2024 12:10 PM
152	No way the county can afford to do this without a tax and fee increase.	3/5/2024 12:05 PM
153	No Change is needed.	3/5/2024 11:53 AM
154	If the current form of government was left alone, there would be no need to increase fees or taxes to fund "extra costs". To go to a Charter Government and create a Police Department, this will cost the county residents hundreds of millions of dollars extra, which will drive up taxes tremendously.	3/5/2024 11:51 AM
155	No more money, aren't we the highest taxed County in the Stsye.	3/5/2024 11:25 AM
156	The cost of establishing a fully functional police department from the ground up, plus recruiting officers at a time when no one wants to work in law enforcement, is crazy. How does the Charter expect the citizens of Charles County to pay for this when some cannot even afford to pay for their electric bill, or their enormous property tax bill? Why not consider putting more resources into the law enforcement agency that you current have????	3/5/2024 11:22 AM
157	NO NEW TAXES!! You take enough of our money.	3/5/2024 11:12 AM
158	I don't support this	3/5/2024 11:10 AM
159	Don't change it.	3/5/2024 11:04 AM
160	NO CHANGE NEEDED	3/5/2024 11:02 AM
161	If the government wishes to add another law enforcement agency then it should not be the people's responsibility to fund a second law enforcement agency	3/5/2024 11:01 AM
162	Wouldn't change it. There's no reason to.	3/5/2024 10:59 AM
163	No need for a police department	3/5/2024 10:58 AM
164	I would like to see an amount that it would cost the citizens because i feel this would be astronomical.	3/5/2024 10:54 AM
165	none!!! NO MORE FEES- WE PAY ENOUGH!!!!	3/5/2024 10:54 AM

176	I do not support a county police department. I do not support unnecessary tax increases to pay for additional county agencies.	3/5/2024 9:32 AM
177	No new taxes	3/5/2024 6:17 AM
178	No	3/5/2024 6:05 AM
179	Don't need it. Waste of money	3/5/2024 5:40 AM
180	N/A, no duplicate systems should be created. We already have Sheriffs, La Plata Town Police, and State Troopers. It's inefficient & very expensive to operate multiple law enforcement agencies.	3/4/2024 10:27 PM
181	As need would arise for police chief/dept Coubty would HOPEFULLY have raised the tax base to add more Non residential tax paying entities.	3/4/2024 8:59 PM
182	Do not do it the current law enforcement system works fine	3/4/2024 8:43 PM

193	None. This is not needed	3/3/2024 10:49 PM
194	No Charter!	3/3/2024 10:02 PM
195	None of the above. We pay enough taxes and fees as is. Taking more out of current revenues is a waste of money that could be going toward other needs. Charter seems to be a money suck for residents.	3/3/2024 9:36 PM

211	It would have to be current revenue since taxes are already high in Charle County	3/3/2024 2:30 PM

1	I have not had occasion to call them.	3/24/2024 1:25 PM
2	Influx of horrible residents from surrounding areas have increased crime...including from our awful commissioners that refuse to leave their positions.	3/22/2024 9:02 PM
3	As far as I can tell, the Sheriffs Office functions exceptionally well. If it doesn't, I get to vote to replace the Sheriff every 4 years, and the Sheriff knows it. I can see no practical reason to grant the authority to pick a Police Chief to conduct all primary law enforcement for the County, while relegating the Sheriff, whom the voters select, to a vastly reduced role. What we have works. What's the logic in taking power from the voters and giving it to a small group of elected council members, each with their own agendas? Put simply, the Sheriff does what the PEOPLE want (within the law), the Police Chief will do what the COUNCIL wants (to keep his paycheck coming). And if the Chief won't....then we get the carousel of chiefs from the non-stop firings and resignations. Dysfunction defined.	3/22/2024 8:57 PM

9	I'd like to see community policing to enforce the gun shooting ranges in our community, loud vibrating outdoor music for commercial venues and the racing of anything on wheels flying by our homes daily. We have more aggressive and illegal drivers who run red lights, pass on double yellow lines, pass on the road shoulder and fail to stop at stop signs. There are not enough policing for our growing and reckless drivers in our community.	3/19/2024 11:48 PM

11	Law enforcement Yes, courts no.	3/19/2024 6:43 PM
12	We rarely see coverage in my area. Not even drive throughs. Thankfully we are not being overtaken over by all the shenanigans that Waldorf is enduring.	3/19/2024 3:26 PM
13	CCSO DOES A FANTASTIC JOB AT POLICING CHARLES COUNTY AND HAS DOES SO FOR MANY YEARS	3/19/2024 2:53 PM
14	Yes and no. Certain activities that have been going on lately that is beyond law enforcement but will be put on law enforcement anyway. I think we need law enforcement at our mall. Security is not what we need because they do not have the tools needed.	3/19/2024 12:19 PM
15	I've had to call 911 once, it was for a violent fight that happened at one of my neighbors house, they never showed.	3/19/2024 11:16 AM
16	Never used these services.	3/19/2024 11:08 AM
17	Having not had a personal need, I'm confident needs would be met. In observation in my community and neighborhood, I would say needs are being met.	3/19/2024 10:58 AM
18	They don't patrol neighborhoods	3/19/2024 10:24 AM
19	mINE ARE BECAUSE I'M NOT A CRIMINAL!	3/19/2024 10:24 AM
20	we need more law enforcement presence at the schools and school activities. Also, speeders on the highways is a serious problem.	3/18/2024 1:23 PM
21	Our department is a wonderful group of men an women LEAVE THEM ALONE.	3/16/2024 8:53 PM
22	Law Enforcement officers need to be respected, charges need to be held and not dismissed!	3/15/2024 12:02 PM
23	Sheriff Troy Berry is doing a great job for Charles County!	3/14/2024 9:24 PM
24	However, traffic enforcement is overzealous. These fines should cover additional costs.	3/14/2024 6:45 PM
25	We they are allowed to do their job.	3/13/2024 2:57 PM
26	We have a speeding problem on Cobb Island and no one wants to write the speeders tickets. This county can benefit by giving out tickets and using that money to help with funding.	3/12/2024 4:54 PM
27	Many break ins. Not too many patrols	3/10/2024 11:39 PM
28	YES, they are being meet! So thankful to live in this county, instead of county with a "Police Department" with extremely high crime. Look at the crime rates in surrounding areas with police departments. How can you justify a need to take away from what is working here in our county???	3/9/2024 2:20 PM
29	Law Enforcement - yes. Courts - absolutely not; need to curtail catch and release.	3/9/2024 10:28 AM
30	CCSO is amazing!	3/8/2024 10:42 PM
31	Too much lawlessness. Drivers using turning lanes to bypass traffic then cut in front, teenagers allowed to harass neighborhoods. They need to enforce all laws more	3/8/2024 8:05 PM
32	The officers now are overwhelmed and underpaid. The more residents you drive in from PG county the worse crime is getting. I don't see how you people don't see the correlation. As well as the blatant disrespect for any person of authority. But go ahead and keep building your houses. Also go ahead and keep letting criminals off out into the streets. The judges around here already suck. Charles county would not be safe with any commissioner in power of the police department. All of these people are untrustworthy and abusive of their power.	3/8/2024 7:54 PM
33	100% by the most trusted agency I have ever been serviced by. They are great.	3/8/2024 7:30 PM

34	Charles County Sheriff's Office go above and beyond to perform their duties while serving the communities within.	3/8/2024 5:51 PM
35	routine community patrols are needed for visibility and deterrence for youth how continue to smoke weed openly, gambling, and destroy public property	3/8/2024 4:51 PM
36	Yes, currently. However more population will require a change. Limit the population by stopping all the new homes in the county.	3/7/2024 7:20 PM
37	Cc Sheriff's Office is the best of the best.	3/7/2024 7:14 PM
38	Our police are great. Problem is the legal system. Catch and release approach needs to stop.	3/7/2024 4:03 PM
39	There seems to be a good presence of policing in the county	3/7/2024 3:45 PM
40	Because we don't let them do their jobs.	3/7/2024 3:20 PM
41	Hire more sheriffs deputies. Having we do not need larger government involvement, just fund what we have!	3/7/2024 11:30 AM
42	Yes! I am well traveled for my work. Our Sheriff's Office is excellent. I have seen dysfunctional and corrupt police departments, and want no part of this having a possibility to occur where me and my family live.	3/7/2024 10:27 AM
43	The Sherrifs do a good job in Charles County.	3/6/2024 4:24 PM
44	Need more police	3/5/2024 9:58 PM
45	Charles County has one of the best trained and best LE services in the country, a police dept would ruin that and bring in union officers that protect bad cops and hurt good cops, hurt response times and citizen/officer relations. Let the people choose their top cop not a board!!! A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
46	Don't want a charter government	3/5/2024 7:33 PM
47	Yes, they have been met and exceeded. That's why I find this hard to believe the thought of this County wants another Police Dept.	3/5/2024 6:25 PM
48	Never an issue with CCSO.	3/5/2024 5:48 PM
49	Absolutely, compared to police departments in the state we have one of the finest law enforcement agency in the state. Why are you looking to destroy that. Police department fall under the authority of a county executive not the people that elect him/ her. That creates a more favorable atmosphere for unethical behavior and 3 of our current commissioners have shown questionable ethical behavior. The most ethical politician we have is our sheriff, we need that to balance the power.	3/5/2024 5:45 PM
50	A police department is a waste of tax payer money and would allow for greater unethical behavior by our government officials.	3/5/2024 5:33 PM
51	The do a fine job.	3/5/2024 5:32 PM
52	Sheriff Berry is an honorable man unlike our current BOC. Bowling and Stewart at least try, the rest are garbage. Yes, I said garbage.	3/5/2024 4:10 PM
53	Need more officers	3/5/2024 4:04 PM
54	Absolutely!!	3/5/2024 3:46 PM
55	The CCSO provides excellent service.	3/5/2024 1:55 PM
56	Have you taken a look at everything they do, and to maintain favor in the community is amazing. Look north and see what messes exist.	3/5/2024 1:27 PM
57	I picked yes, but the way some juveniles act is concerning.	3/5/2024 1:02 PM
58	The Charles County Sheriff's Office is doing a great job!	3/5/2024 12:59 PM
59	Don't tax the citizens with something that's not needed, just because you have no control over another elected official!	3/5/2024 12:50 PM

60	The Sheriff's Office provides great service.	3/5/2024 12:38 PM
61	The Charles County Sheriff's Office is a top notch agency and an example for other agencies around the county to model themselves after.	3/5/2024 12:35 PM
62	Like with the EMS/fire... this county is growing exponentially, and all first responders are struggling to keep up. Maybe stop the growth of housing and dangerous intersections, and work on keeping crime out to put less force on the police agencies in this county.	3/5/2024 12:19 PM
63	The Charles County Sheriff's Office is a premiere Law Enforcement Agency in this state and throughout the country. What is really going on with the County Commissioners that they would want to change something that has worked for more than 370 years? It's not broken, leave it alone.	3/5/2024 12:16 PM
64	The Sheriff's department does an outstanding job. They need the support of the commissioners to stop letting criminals go without penalty.	3/5/2024 12:10 PM
65	Compared to other counties, our crime is significantly lower. Serious crimes are solved faster and investigated thoroughly. The sheriff's office is doing a great job, better than most police departments in the area. I do not see the needs to implement a police department when the one we have is efficient and effective. Also, the cost to create a new department will only increase the cost to live in the county.	3/5/2024 11:41 AM
66	I am extremely pleased with the services being provided by my Sheriff's Office.	3/5/2024 11:22 AM
67	Other than incarcerated individuals being released either by the Commissioner or Courts (since COVID to current) for charges they should be held in jail, the officers are doing their job appropriately	3/5/2024 11:17 AM
68	The sheriff's office is top notch. As stated before why would we want them accountable to an elected official and not the voters and taxpayers? PG Co is a mess and it looks like some want more government. That is the last thing we need as too much government is the reason we are in a this mess now.	3/5/2024 11:12 AM
69	We need more officers	3/5/2024 11:10 AM
70	More than met	3/5/2024 10:54 AM
71	I HAVE FULL FAITH IN MY SHERIFFS OFFICE. Those men/women do an awesome job - don't fix something that isn't broken!!!	3/5/2024 10:54 AM
72	Absolutely sheriff Berry has been the most ethical politician we have in the county. He needs to be the law enforcement official in the county. No police department	3/5/2024 10:52 AM
73	We have an awesome Sheriff's Department and do not need to add to the County	3/5/2024 10:51 AM
74	Charles County has the best sheriff's office in the state and there is no reason to destroy something that isn't broken.	3/5/2024 10:48 AM
75	Charles County Sheriff's Office does a fantastic job.	3/5/2024 10:46 AM
76	Again has there ever been a service failure of the sheriffs office and providing services	3/5/2024 10:44 AM
77	Sheriff Troy Berry and prior sheriff Rex Coffey have provided quality law enforcement services to the citizens of our county for decades. Why are we going to try and fix what isn't broken?	3/5/2024 9:32 AM
78	This is a hard question, yes they are doing their best with what they have. But more is needed. More officers for sure.	3/4/2024 8:44 PM
79	This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link.	3/4/2024 10:29 AM
80	Yes, with a caveat, you cannot lower standards to bring in more officers. Pay and benefits needs to be addressed, and most importantly, support and back the sheriff's department officers!! The "defund" movement is a complete and utter FAILURE!	3/4/2024 10:22 AM
81	Law enforcement are doing their job; the judicial system is not.	3/4/2024 8:12 AM

84	No Charter!	3/3/2024 10:02 PM
85	Increased presence needed in communities.	3/3/2024 9:24 PM
86	Absolutely Charles County sheriff department does an amazing job with police presence, response, time, and community events that focus on engaging with the community and the youth. More importantly, our resource officers doing an amazing job in the schools helping keep our school safe.	3/3/2024 8:26 PM
87	No to charter	3/3/2024 6:31 PM
88	It takes to long for deputies to get to my address.	3/3/2024 6:17 PM
89	I have never used CC law enforcement. So I am not equipped to respond to this question	3/3/2024 6:11 PM
90	The Sheriffs Office does a great job. Why pay more to fund two different departments to do the same work? It's not broken. Don't fix it. The VOTERS should pick their law enforcement leader, and keep the ability to vote them out if we aren't satisfied. If the public wants one thing, but the council and executive want another, which one will do the people's will? And which one will do what will keep their paycheck? NO POLICE DEPARTMENT OR POLICE CHIEF!	3/3/2024 5:48 PM
91	Have not had need	3/3/2024 2:31 PM
92	The county is too lax in handling juvenile crime	3/3/2024 2:30 PM
93	People with nothing to lose come from urban areas trying to break into cars and homes. Noise complaints aren't addressed, but instead laughed off. Single mothers leave elementary school aged children home unattended for extended (up to 3 hours or longer) periods of time. People who don't live in communities, park their cars in communities and get high.	3/3/2024 2:23 PM
94	Definitely not. They suck. They only care for themselves and do not help anyone.	3/3/2024 1:31 PM
95	CCSO is doing a great job. Give them more positions.	3/3/2024 1:29 PM
96	Generally yes. If I have a problem, the current Sheriff adequately addresses it. He has to do so to keep the voters confidence to be reelected. A Police Chief may not be as accommodating.	3/3/2024 1:18 PM
97	Could still use more officers.	3/3/2024 1:15 PM
98	Try hire enough officer don't need another department.	3/3/2024 11:45 AM
99	I'm creased call volumes, greater response times lack of paid officers on duty.	3/3/2024 11:13 AM
100	For now.	3/3/2024 10:45 AM
101	THEY DO MORE FOR SO LITTLE.	3/3/2024 10:36 AM
102	They need to be better taken care of when they retire	3/3/2024 10:31 AM
103	Yes	3/3/2024 10:27 AM
104	Stop building and bringing in trash residents and low income housing.	3/3/2024 10:07 AM
105	CCSO leadership does not do a good job of ensuring that they are engaged in the whole operation. They are very silo-ed and doesn't coordinate well with other responder agencies. My recommendation is to create the police dept, strip the majority of funding from CCSO for the police dept. This dept needs to be accountable to Co Admin and Commissioners.	3/3/2024 9:56 AM
106	It's been said "Charles County does not have high number of crimes."	3/3/2024 2:37 AM
107	I would like to see community policing especially in elderly communities and especially on the western county side.	3/3/2024 12:44 AM
108	Yes but I live in La Plata so I'm ok with the towns police officers.	3/3/2024 12:05 AM
109	Yes	3/2/2024 9:41 PM
110	Sheriff Troy Berry is doing a fabulous job!!	3/2/2024 8:14 PM
111	Excellent sheriff's department generally. The laws are too soft on criminals, especially juveniles.	3/2/2024 7:39 PM

112	No to charter government	3/2/2024 7:08 PM
113	Sometimes. The current agency works great but there are times where i wish there was more patrol officers in communities.	3/2/2024 6:25 PM
114	Catch & release back on the street is BS why should tax payers absorb this	3/2/2024 6:22 PM

116	Unsure as I haven't needed to use the services.	3/2/2024 5:59 PM
117	However I don't see as much police presence in some areas. For instance in district 4 the Smallwood village shopping center has a lot of people hangout around stores. I contacted the owner of the property they have security the drives around the shopping center. I was told that they offered the Sheriff department an office space that they could use that would have police presence on the premises. They declined. What a missed opportunity.	3/2/2024 5:35 PM
118	Our law enforcement does a great job in our county.	3/2/2024 5:12 PM
119	The Charles County Sheriff Dept is a top quality organization that serves our county well. I am very pleased with the services they provide.	3/2/2024 4:59 PM
120	More officers are needed.	3/2/2024 3:15 PM
121	Minimally	3/2/2024 2:42 PM
122	If you're a law abiding citizen you really shouldn't need then.	3/2/2024 2:04 PM
123	What's the point of calling them? If someone is breaking the law, they're released a day if not hours after they're arrested.	3/2/2024 1:39 PM
124	I am not having issues but I am very concerned about what I am hearing elsewhere in the county. It is not clear to me whether this is a law enforcement issue, a prosecution issue, a combination of those, or something else.	3/2/2024 1:07 PM
125	I am against the charter altogether!!	3/2/2024 12:26 PM
126	They do a phenomenal job	3/2/2024 11:51 AM
127	Why is this question last in the Sheriffs question but first on the EMS question?	3/2/2024 11:49 AM
128	I believe the sheriffs office is doing thier job but the system allows too many offenders out to do more harm before their court date	3/2/2024 10:41 AM
129	We have a great force We have bad judges letting criminals loose	3/2/2024 9:39 AM
130	Very little police presence in the southern area of the county.	3/1/2024 2:28 AM

1	Crime is running rampant in the county due to criminals moving in from other areas because they are released on their own recognisance without paying a bond and they are free to commit other crimes. This county use to be quiet and there wasn't much crime. Replace the sheriff he is worthless.	3/26/2024 11:15 AM
2	There is too much crime and not enough enforcement of the laws now	3/23/2024 6:11 PM
3	You are building way too many apartments and houses... officials are ruining la plata with all the building!!	3/21/2024 10:20 AM

5	I find that officers are not well trained and we need more diversity.	3/20/2024 7:47 PM
6	My neighborhood is not patrolled often enough and petty crimes have occurred too frequently. If this is allowed to continue, my family and I fear greater crimes will follow. We bought our home here and plan to stay for many years into the future, but, we will leave if this area continues to grow exponentially without a strong safety (police) enforcement plan.	3/20/2024 6:12 PM

11	Crime is increasing in the county.	3/20/2024 7:18 AM
12	To many times people in the area are being told law enforcement cannot do anything. They seem useless, like safety patrols.	3/20/2024 6:30 AM
13	Not paying more taxes	3/19/2024 10:08 PM
14	How about "if Yes why"? This is a biased survey to entice buy in from members of the community who don't know better. The current Sheriff structure works and is a representation of the community with which they serve.	3/19/2024 9:25 PM
15	Need more staffing	3/19/2024 9:19 PM
16	The county does not seem to be prepared for the influx of residents that have migrated to the county from DC in the past year.	3/19/2024 6:53 PM
17	We rarely see a l/e presents in the Hughesville end of the county.	3/19/2024 3:26 PM

24	It seems the crime rate has increased. I feel unsafe at times.	3/15/2024 12:55 PM
25	Too much crime and no support for police when arresting this officers cannot do their jobs. Urbanization of Charles County with increased crime requires stronger enforcement and consequences for violations. Illegal immigration into suburbs must be monitored more effectively. The exodus should be evaluated to incentivize not penalize long standing residents.	3/15/2024 6:13 AM
26	Sheriff Berry and the sheriff's office are doing a great job!	3/14/2024 9:19 PM
27	The courts are not locking ppl up	3/14/2024 8:49 PM
28	Many government buildings lack law enforcement. As a safety precaution, either a police officer or sheriff's deputy should be assigned to each government building in the county.	3/14/2024 9:48 AM
29	This county is full of aggressive and speeding drivers. also alot of people text while driving, last time I checked no texting while driving. Officers start writing tickets you can make alot of money.	3/12/2024 4:54 PM
30	Why do you provide this block for law enforcement but you did not provide the same block for Fire and EMS? Strange.	3/12/2024 11:57 AM
31	The crime in Waldorf seems to be getting out of hand with the growing development. Where are the cops? There needs to be more of a police presence. Hire more cops. Patrolling the neighborhoods. Interacting with citizens and businesses.	3/12/2024 10:32 AM
32	I would like to see more traffic control. Overall I think we have a fine Sheriff's Department with good men and women who care about our county.	3/12/2024 9:41 AM
33	Many break ins. Not too many patrols	3/10/2024 11:39 PM
34	They keep adding housing but not supporting that crime is also growing	3/10/2024 5:48 AM
35	Not enough law enforcement on the roads. They are being dispatched too often for canine detail versus being in our communities building teust and ensuring our safety. Also too many panhandling now in shopping centers etc. parking lots in our local grocery stores are scary.	3/9/2024 9:03 PM
36	N/A, Give the Sheriff's Office more resources to build upon the great job they are doing already!!!! You should be standing by the Sheriff and sporting him and highlighting the good work him and his employees do!	3/9/2024 2:20 PM
37	To many robberies, no one receiving traffic violations, not a lot of police patrolling the areas	3/9/2024 2:10 PM
38	Too much lawlessness. Drivers using turning lanes to bypass traffic then cut in front, teenagers allowed to harass neighborhoods. They need to enforce all laws more. Billingsley and mattawoman intersection is the worst, need a permanent cop there every morning fining all these reckless dangerous drivers	3/8/2024 8:05 PM
39	People breaking the law, even minors, need to have consequences , doesn't seem there any. Teens out of control	3/8/2024 4:34 PM

139	Residents have little to no input through their Charles County govt or elected officials on how police resources are allocated across communities.	3/2/2024 9:08 AM
140	Why??? Because of the political landscape in the county with Sheriff's office not being allowed to do their job to the fullest extent anymore. For instance not being allowed to chase and apprehend the individuals on dirt bikes, four wheelers or any other none road worthy vehicle that is being operated on the roadways in the county. Also not being allowed to chase and use pit maneuvers any longer to stop reckless operations of any vehicles on the roadway of Charles County.	3/2/2024 7:04 AM

1	Don't know why Charles County has Sheriffs instead of police anyway but having both sounds redundant...and expensive.	3/24/2024 1:25 PM
2	We don't have a Charter Board Enforce the laws on the books and sentence criminals to the extent of the law. Tax payers should not pay for Thomacina Coats defense. That money should go to the good of Charles County.	3/23/2024 6:11 PM
3	Why are you even entertaining a police department? That makes me not vote for charter government	3/23/2024 3:34 PM
4	The fact you are pushing for a police department, when the sheriff's office is one of the most respected law enforcement agency in the metro area, makes me question your true motive of a police department. Charter government doesn't create accountability it allows for more cover up	3/23/2024 12:01 PM
5	The simple answer is that the Board should exempt law enforcement from the Charter. The current structure provides a great balance of power, so that the Council cannot exert pressure on the Chief to make decisions to save their position, rather than doing what is right for the PEOPLE.	3/22/2024 8:57 PM
6	Make it an offense equally as severe as drunk driving to those that choose to travel our roads smoking marijuana without racializing the issue. Impaired driving is impaired driving!!.	3/22/2024 8:47 PM
7	The current fire and ems has operated each year at the same percentage of property tax funding per county law Chapter 54 with no change or increase in the formula for approximately 25 years. No need for charter government — increase formula to enhance and improve volunteer fire and ems as it current operates.	3/22/2024 7:30 PM
8	No charter board	3/22/2024 7:28 PM
9	No charter government. You board was appointed by commissioners in which three of them have proven to be extremely unethical, the latest one suspended from his job	3/22/2024 3:42 PM
10	The only way I would vote for a charter government that plans to waste money on a police department is if Sheriff Troy Berry runs for county executive, he's the only politician that reaches the majority of the citizens and is an example of true integrity	3/21/2024 10:55 PM

18	More policing for the removal of gun shooting ranges in our community, quiet the loud outdoor music at commercial venues in the community, Stop the racing of anything on wheels flying by our homes daily. (especially during warmer weather). Ticket and fine the illegal drivers who fail many highway laws daily. Not enough visible policing on the highways.	3/19/2024 11:48 PM

23	More community policing.	3/19/2024 6:43 PM
24	None needed...	3/19/2024 4:33 PM
25	I don't believe that another police department is need for the county. The only thing I would suggest is adding additional officers on the current Sheriff's Department.	3/19/2024 3:26 PM

31	Keep it as it is ,	3/19/2024 10:52 AM
32	Independent review board consisting of 3 equal areas of concern. 1/3 elected by county, 1/3 appointed by state, and 1/3 private interest focused on law enforcement.	3/19/2024 10:51 AM
33	NO FUCKING CHARTER GOVERNMENT! TIRED OF SAYING IT AND TIRED OF THIS "SURVEY" ACTING LIKE IT IS A DONE DEAL, WHEN IT IS NOT YET! UNFORTUNATE BUT PROBABLE	3/19/2024 10:24 AM

38	NO CHARTER GOVT>	3/16/2024 3:10 PM
39	The Sheriff's office is controlled by an elected Sheriff. The citizens have the power to elect a new Sheriff is they are not satisfied. A charter board would take that away from the citizens to directly elect the person in charge of the county's law enforcement.	3/15/2024 4:10 PM
40	Dissolve the charter board, it is a costly un-needed power play. You will see long time residents leave your precious tax base and move away if this goes through.	3/15/2024 1:26 PM
41	I agree with establishing a separate law enforcement agency.	3/14/2024 10:41 PM
42	If it's not broken, why try to fix it	3/14/2024 9:34 PM
43	No county govt	3/14/2024 9:25 PM

45	No change	3/14/2024 9:18 PM
46	Mental health services	3/14/2024 6:51 PM
47	I will not support a charter government if there is even a possibility of a police department. sheriff Berry is the most ethical politician in the county, he needs to remain the law enforcement head for the county. No police department	3/13/2024 8:30 PM
48	If this inflation police department I will not vote for a charter government unless sheriff Berry runs for county executive	3/13/2024 8:21 PM
49	Dissolve La Plata PD, and bring them on to CCSO. Incorporate more sections of the county,	3/13/2024 3:14 PM

and if they need a police force, let them build one. Examples: Nanjemoy/Ironsides/Port Tobacco, Hughesville/Charlotte Hall/Bryantown/Dentsville.

50	I don't want the Charter either. Take your "bright" ideas back to all the other counties you have destroyed with Charter Government.	3/12/2024 6:38 PM
51	Again the above statement makes it seem that the Charter Government is a done deal and I as a citizen have no say, this disturbs me greatly.	3/12/2024 3:14 PM
52	Charles County does not need or want charter government	3/12/2024 2:18 PM
53	NO TO CHARTER GOVERNMENT.	3/12/2024 2:00 PM
54	Additional funding for law enforcement in Charles County NOW! The amount of building going on in the county at this time is not keeping up with the amount of county services being provided. Changing the shape or form of government is not going to change your present course of action.	3/12/2024 11:57 AM
55	Increase the police presence and have community involvement. Bring back the bicycle cops in the neighborhoods. The mall should have a better police presence. Inside and out. Maybe increase their pay so they give a damn.	3/12/2024 10:32 AM
56	Devote more resources to CCSO so they can properly hire and fill out critical positions within the agency (as well as retain those hired), especially in sections like Communications, which is critically low on staffing at this point.	3/12/2024 10:31 AM
57	Charles County does not need a Charter Government!	3/12/2024 10:03 AM
58	See above response. This question is acting on the assumption that the Charter Board will be approved.	3/11/2024 5:38 PM
59	Leave the Sheriff Department alone. They are doing a great job	3/10/2024 11:33 PM
60	Investing resources into social safety net for low-income households would help reduce crime. Spend less on law enforcement and more on deeply affordable housing and workforce development opportunities for livable wage employment.	3/10/2024 10:39 PM
61	None.	3/10/2024 5:14 PM
62	I do not support a charter gov with it current commissioners Three already show biased opinions.	3/10/2024 11:44 AM
63	Leave law enforcement alone.	3/9/2024 5:32 PM
64	Our county needs things such as, more schools with qualified teachers to staff them, another hospital to help the only over run one we have, More resources for mental health, and the every increasing homeless population in our county, that every one see daily while driving through our county. You are taking about creating new and adding very expensive things without fixing the problems that effect every citizen of this county every day first. PLEASE !!!! do not destroy something that is working, only to give you more power and control. It is very apparent this is the only reason this would be considered.	3/9/2024 2:20 PM
65	No to charter...	3/9/2024 2:00 PM
66	No, the "Proposed Charter Government" do not need to add or alter any thing. Our government is fine the way it is and our law enforcement is sufficient as is.	3/9/2024 11:43 AM
67	Charter board sucks ass	3/8/2024 7:54 PM
68	Do not explore options for your personal agenda. Unless something is broke do not try to fix it.	3/8/2024 7:30 PM
69	Keep it like it is! No need to fix what is not broken	3/8/2024 11:28 AM
70	No to charter government	3/8/2024 11:11 AM
71	NO CHARTER BOARD	3/8/2024 9:09 AM
72	Fund the sheriff's office so they are able to reach full staffing. Then added more authorized positions to them so they can be properly staffed to keep up with the increase in the counties population. An additional law enforcement agency for the county is unnecessary. Any thing that would require an increase to county taxes would unfairly burden the citizens who struggle to keep up with inflation and increased cost for daily life.	3/8/2024 8:24 AM

87	I do not want a charter government. I think it's a bad idea. Law enforcement now needs a raise. 109	Sheriff Troy Berry is one of the most ethical politician in the county. He should be and remain the head law enforcement official in the county. A police chief would have to answer to politician and not directly to the people that elected him/her. Keep the sheriff office as the only law enforcement agency in the county.	3/6/2024 2:14 PM

115	What you are not telling people is that a charter government would impact the current Sheriff's Office as it falls under the county government. It's not right to mislead people. All the people answering they are satisfied with current services should be told that all those providing these services may have to reapply for their positions which will impact the services they are happy with.	3/6/2024 8:29 AM

119	Add more officers to the current sheriff's office!!!	3/5/2024 8:10 PM
120	Charles County has one of the best trained and best LE services in the country, a police dept would ruin that and bring in union officers that protect bad cops and hurt good cops, hurt response times and citizen/officer relations. Let the people choose their top cop not a board!!! A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county.	3/5/2024 7:58 PM
121	If this is what a charter government board wants to do, raise taxes to start a police department then I don't want a charter government.	3/5/2024 7:53 PM

125	I believe this is a waste of taxpayer funds. Are we trying to emulate Prince Georges County? I hope not. Their form of Govt is a laughing stock, and I do not want to be like PG. If I did I would move and work in that County.	3/5/2024 6:25 PM

126	Do not change our current system.	3/5/2024 6:12 PM
127	Stop trying to destroy what's working. Our law enforcement is one of the most ethical agencies in the state. Plus an elected sheriff answers to the people they served not a politician with questionable ethics.	3/5/2024 5:55 PM

136	Stop trying to fix stuff that isn't broke. This is just a power grab by some. Collins hates the fact he cannot tell the elected sheriff what to do. Let the taxpayers and voters have their say with our law enforcement. Collins has already proven he can't be trusted as he used his county issued credit card for personal use. Anyone else would have been charged with a crime. Can't wait to move from this disaster you created.	3/5/2024 4:10 PM

law enforcement officer of the county not someone who is appointed working at the pleasure of an administrator.

156	No need for another law enforcement agency in Charles County. We already have La Plata Town Police and the Sheriff's Office. One more police agency will mean citizens being ticketed for the same infraction across multiple agencies for simply driving from Waldorf to LaPlata.	3/5/2024 12:30 PM
157	CCSO is an amazing agency. They care about the community, they are actively community policing. They are trying their absolute hardest in the schools, despite the ridiculously relaxed laws. The "catch and release" cycle of arresting and the criminals being released is exhausting, but they still stop the "bad guys" ... Between CCSO, MSP, and LPPD in this county, along with the MdTA, why would there need to be more? These agencies work together amazingly.	3/5/2024 12:19 PM
158	Leave Law Enforcement alone in Charles County, it works as it was designed. There is nothing to gain for the citizens; only the Commissioners.	3/5/2024 12:16 PM
159	Support the law enforcement of this county when they do their job. When a criminal is charged and found guilty, hold them accountable. Our county would have less crime if fewer criminals were on the streets.	3/5/2024 12:10 PM

164	The Charter Government can do as other counties which are larger then Charles County (Hartford and Fredrick) who have kept their Sheriff's Office as the primary body of Law Enforcement. There is no need for a County Police when the Sheriff's Office is doing a sufficient job.	3/5/2024 11:53 AM

170	As mentioned above, additional funding and modernization efforts for both the Charles County Sheriff's Office AND La Plata Town PD would be the best solution.	3/5/2024 11:26 AM
171	Instead of devoting time and attention to starting a Police Department, why not invest in developing the current infrastructure of the Sheriff's Office? It seems that there is an inefficient use of resources being dedicated to one idea, but not the other. If someone is unhappy with the current state, why not look to improve rather than completely start over?	3/5/2024 11:22 AM
172	Don't fix something that is not broken. Look around the country and see how these carpetbagging chiefs make their way around the circuit. The sheriff is elected by the people who pay their salary, why take this away?? And how much is this going to cost? I guess it's easy when it's other people's money. Shameful.	3/5/2024 11:12 AM

192	The sheriffs office isn't broken, so don't try to fix it. We have officers from all other agencies, including out of state agencies that come here because they have a better quality of life with the agency. We already have a hiring issue in the county because no one wants to become the police because of how badly they're treated. We WILL NOT have enough applicants to have a sheriffs office AND a police department. This plan is ridiculous. Keep what you have.	3/5/2024 10:46 AM

203	The county should focus on continuing to have a mixture of county sheriffs and state law enforcement to continue to patrol the county. It has worked for decades. Implementing a system that has failed Prince George's, DC, and Montgomery Counties will not improve the quality of life. Charles County doesn't need more or less law enforcement. It needs quality law enforcement. The Maryland State Police and Charles County Sheriffs provide quality law enforcement as it stands now.	3/5/2024 9:32 AM

293	Changing the damn judges and commissioners in this county	3/2/2024 1:39 PM
294	Let the law enforcement agency that has existed for many years do their job and fund them properly to insure the needs are met without increasing taxes.	3/2/2024 1:27 PM
295	Don't. Stop trying to and let this be.	3/2/2024 1:20 PM

Charter Board of Charles County Public Safety Survey

296	Say no to charter. You will ruin the careers of so many CCSO employees.	3/2/2024 12:37 PM
297	I am against the charter altogether!!	3/2/2024 12:26 PM
298	Volunteer police officers like in Fairfax Co. and mental health training such as CIT	3/2/2024 12:22 PM
299	With the shocking, staggering crime rate in Charles County, every community needs additional Police. But rather than taxing the citizens AGAIN, & frivolous County spending of tax dollars, the monies required to build or construct additional Police Departments, should be reevaluated in how our tax money has been spent - especially in the recent past. Charles County is one of the richest counties in Maryland - we should be, we're taxed outrageously. There SHOULD be money for these needs IF the County was/had been responsible in allocating tax dollars in the first place. Go back "to the drawing board", Board. Figure something out that won't, once again, require another tax increase from its citizens.	3/2/2024 11:53 AM
300	Leave it alone and carve out law enforcement on charter form of government.	3/2/2024 11:51 AM
301	If you really want to deal with law enforcement issues, vote for legislators who support holding people responsible for their actions instead of bowing down to constituents by telling them nothing is their fault. Their ad kids are their fault. Their poor decision making that gets them arrested is their fault and their inability to get a job because they are always breaking the law is their fault. Not the schools, not the police and not the government.	3/2/2024 11:49 AM
302	Don't change what is already working especially if it means spending millions in tax payer funds to establish a police department	3/2/2024 11:44 AM
303	Create and fund a new Police Department.	3/2/2024 11:40 AM
304	Leave it ALONE! We need the courts to do their job! Prosecute!	3/2/2024 11:23 AM
305	Keep it as it is.	3/2/2024 11:06 AM
306	Leave Fire, EMS and Sheriff's Office as is.	3/2/2024 11:03 AM
307	I am not for charter government - I am for stricter penalties for crimes in our county.	3/2/2024 10:41 AM
308	Residents should think beyond who the current Sheriff is and instead think longer-term about how institutions that serve us regardless of the people in place. Police Chiefs and Police Officers are respected across the state of Maryland. And those positions are more accountable to residents if wrong doing occurs. The elected Sheriff in Frederick is facing federal gun charges and refused to step down for the good of the county. Residents in Frederick have no recourse. In contrast, qualified, trained police officers can be appointed by and executive and confirmed by a council. If wrong doing, poor policing, or questions arise, those departments have to answer public questions from the Executive and the Council on behalf of residents. That is more accountability for the public	3/2/2024 9:08 AM
309	Take the restraints off of the Sheriff's officers, protect them from wrongful law suits and allow them to get back to doing their job to the fullest extent of the constitutionally approved laws of the land.	3/2/2024 7:04 AM
310	No. Our law enforcement does a fantastic job. Leave them alone.	3/2/2024 12:05 AM
311	Actually hold criminals to harsher sentenced	3/1/2024 10:15 PM
312	No to charter	3/1/2024 9:01 PM

315	Increase in pay	3/1/2024 4:42 PM
316	STOP CATCHING CRIMINALS AND THEN RELEASING THEM!	3/1/2024 4:01 PM
317	No	3/1/2024 4:00 PM
318	MSP and Sherrifs are doing just fine. Stop trying to put your friends in positions	3/1/2024 3:42 PM
319	Sheriffs office is providing a great service to the county we shouldn't change to police department just to have 2 agencies providing the same services	3/1/2024 3:29 PM
