I am writing to express my strong support for the proposed Community Development Block Grants (CDBG) being considered at the upcoming Public Hearing scheduled for Tuesday, May 7, 2024. The initiatives outlined in Application #1 and #2 signify crucial steps toward addressing pressing needs within our community. Application #1 seeks funds to acquire a residence designated as a domestic violence shelter for women in Charles County, Maryland. This project represents a vital resource for individuals and families in our community who are in urgent need of safe and supportive environments during times of crisis. Providing a dedicated shelter for survivors of domestic violence is not only a moral imperative but also a critical component of ensuring the well-being and security of all members of our community. Similarly, Application #2 requests funds to acquire land for an affordable housing development at the intersection of Oriole Lane and Magnolia Drive in La Plata, Maryland. Establishing affordable housing options is essential for fostering inclusive and equitable communities. By increasing access to safe and affordable housing, we can promote

economic stability, enhance quality of life, and strengthen the fabric of our community. As a resident of Charles County, I wholeheartedly endorse these projects and commend the efforts of the County Commissioners in prioritizing initiatives that address the diverse needs of our community members. I urge the Commissioners to approve the proposed Community Development Block Grants and allocate resources toward these worthy endeavors. I am grateful for the opportunity to express my support for these impactful projects and look forward to witnessing the positive outcomes they will undoubtedly generate for our community.
