Dear Charles County Board of Commessioners, i hope this message finds you well. I would like to propose a consideration for a property tax credit program specifically tailored for veterans with disabilities, based on their VA disability ratings not to include only 100 percent members. Could the board explore the feasibility of implementing such a program to provide financial relief for our veterans who have sacrificed so much for our country? This initiative could significantly benefit those living with disabilities, helping them maintain their homes and improve their quality of life. Thank you for your attention to this matter. I look forward to your response.
