Commercial Hauler- Landfill Usage and Permits

The Charles County Landfill is open Monday - Saturday from 7:30 a.m. until 4:00 p.m. **After 3:30 p.m., no vehicles weighing over 10,000 lbs. will be weighed in.** All patrons must exit the landfill by 4 p.m. Failure to follow landfill times and rules can result in revocation of the permit and restricting access.

Please note that all commercial haulers must be registered and have a Landfill Usage Permit for each vehicle that will utilize the landfill. The Landfill Usage Permit is \$25.00 per vehicle and covers July 1 – June 30. Please include a check or money order with this application. If you would like to make this payment using a credit card, please ask a Scale House representative to process your credit card payment when you return this completed application.

Vehicles hauling garbage* must be inspected by the Charles County Health Department to be certified to haul garbage within Charles County. The Health Department inspection is \$120.00. Payment is due at the time of inspection.

The Charles County Sanitary Landfill accepts waste only generated within Charles County. Any company found with waste generated outside of Charles County will be subject to violations and fines under the County code.

We encourage all commercial haulers to establish a Credit Account. If you are interested in applying for a Credit Account, please ask a Scale House representative for a Credit Account Application.

Please complete all pages of this application. Incomplete applications will not be processed. Registration is not complete until the \$25.00 per vehicle commercial permit fee is received.

**Garbage is defined as refuse, and any animal or vegetable matter from a kitchen, market, or store.*
