I am an enrolled Piscataway Conoy Tribal Elder and I stand in OPPOSITION of this land transfer and anything whatsoever that has to do with the Fake representative Francis Gray. I did not vote for him in either election, I wasn't made aware of any election, and I don't know anyone who voted for him. He is falsely representing this community and has been holding this community hostage with his dictatorship. STOP THE MADNESS! We didn't want him, don't want him and don't support him. That is why he seeks outsiders as the majority of the tribal community does not support him! We support Chief Jesse James Swann Jr and ask that you make NO DECISIONS regarding this land transfer until our tribal community lawsuit is over and all appeals have been exhausted -as we mean to stop Mr. Gray with any means necessary.
