Dear Charles County Council, I have learned that the Piscataway Conoy people have been presented with an opportunity of having land donated to the tribe as a permanent home. It is my understanding that this will result in the Piscataway people officially being a land base people in their traditional homeland. I am not a Charles County resident but I am fully aware of the importance of having a place for all tribal events including cultural classes, singing and drumming, dancing, festivals, and powwow's etc. The Piscataway people I have met have opened their hearts and shared culture with everyone and I can only imagine this would benefit everyone. I am hopeful for the best outcome for the Piscataway tribe.
