Fiscal Year 2027 Capital Improvement Program Budget Calendar

(Adopted September 9, 2025)

The Capital Improvement Program (CIP) is a long-term planning and budget process which is reviewed annually to assist county officials with the task of planning, constructing, and financing public infrastructure. These projects are planned in five-year increments. Budget funds are appropriated by the County Commissioners for the most current fiscal year of the CIP (fiscal year 2027). The CIP is broken down into Governmental and Enterprise fund projects.

Governmental projects are supported by General Fund revenues:

- Board of Education
- Parks
- College of Southern Maryland
- Transportation
- General Government (buildings, land preservation)

Enterprise fund projects are funded by self-supporting user fees:

- Water
- Sewer
- Stormwater
- Landfill
- Environmental Services
