Charles County Sign Contractor Certification

Permit Number: _____

Permit Address: _____

Sign Text (as it appears on sign): _____

I hereby certify that the permitting building wall sign and its associated electrical components have been installed in accordance with the applicable building and electrical codes, as well as the approved and issued Charles County designs. It will be the responsibility of the contractor to have the necessary Charles County approved designs on site for the required final inspection. Any determined deviation from the above-mentioned installation criteria that causes a failure of the sign, or its associated components, shall be corrected, at no cost to the tenant or property owner, by the installation contractor and/or the subcontractor(s). **This signed certification will be presented to the field inspector on site at the time of inspection to provide signature approval.**
