

County Commissioners of Charles County

PROCLAMATION 2025-63

National Cybersecurity Awareness Month

WHEREAS, cybersecurity and online safety are vital to the personal and financial security of individuals, families, businesses, and government institutions; and

WHEREAS, the Department of Homeland Security, the Cybersecurity and Infrastructure Security Agency (CISA), and national partners have designated October as National Cybersecurity Awareness Month to educate the public about the importance of cybersecurity and to ensure that all Americans have the resources needed for a secure digital environment; and

WHEREAS, protecting against cyber threats requires proactive measures, including education on strong passwords, multi-factor authentication, safe online practices, and timely software updates; and

WHEREAS, this year's theme is, "Building a Cyber Strong America", which emphasizes the shared responsibility of all citizens and organizations to adopt safe online practices and to strengthen the resilience of our communities against cyber risks; and

WHEREAS, Charles County recognizes the increasing use of technology in every aspect of daily life and is committed to safeguarding digital infrastructure and ensuring that residents, schools, and businesses are equipped with the knowledge and resources needed to protect against evolving cyber risks.

NOW, THEREFORE, WE, THE COUNTY COMMISSIONERS OF CHARLES COUNTY, MARYLAND, do hereby proclaim October 2025 as National Cybersecurity Awareness Month in Charles County and encourage our residents to learn and practice cybersecurity daily.
