Commissioners held an open session to receive public comments on any issue. This agenda item was added for the Commissioners to listen to feedback only, twice each month during their regular meetings.

There were seven (7) people who provided comments in person and one (1) person who provided virtual comments. Any written comments received were added to the website for the public to view.

**Summary of Public Comments**

**In Person:**

- The speaker expressed gratitude for the proposed project labor agreement policy but raised serious concerns regarding hostile collective bargaining negotiations and a lack of transparency within the library's leadership and board.

Regular Meeting of County Commissioners  
Tuesday February 24, 2026 (Legislative Day)

- The speaker formally called for the extension of collective bargaining rights to all county workers through The American Federation of State, County and Municipal Employees (AFSCME) Maryland Council to ensure respect, stability, and fair input in workplace policies.
- The speaker advocated for a fair labor code and collective bargaining, noting that hardworking staff often leave for other opportunities due to ineffective internal policies and uncompetitive pay.
- The speaker questioned the lack of a feasibility study for the proposed Sports and Wellness complex and criticized the push for a community task force on data centers, arguing that such work is the responsibility of the established Planning Commission.
- The speaker stood in solidarity with organized labor efforts and urged the County to pause data center approvals until more research is conducted and proper infrastructure is in place.
- The speaker voiced strong community support for County workers' collective bargaining rights and warned that the County must address the looming water supply deficit in Waldorf before moving forward with massive data center projects.
- The speaker praised the board for the speed and success of the Mill Hill area road widening project but requested a traffic safety study to explore alternative exits for the Avalon West and North Point communities.

Virtual:

- The Speaker requested full transparency regarding the County's interactions with data center companies and asked for a public list of the ten plus (10+) companies that have reportedly met with the government over the last eighteen (18) months

Commissioner's Responses

Commissioner Bowling: Stated that he has always supported unions, believes employees have the right to organize, appreciates their participation, and emphasized transparency and proper process regarding data centers.

Commissioner Stewart: Stated that she has long supported employees' union efforts, encouraged restarting the formal process, committed to following up on traffic safety concerns, and thanked participants for a productive meeting.

Commissioner Coates: Expressed support for collective bargaining, highlighted ongoing work on traffic safety, supported the Sports and Wellness Center study, and thanked residents for engaging in complex County issues.

Commissioner Patterson: Voiced support for employees seeking collective bargaining, stressed thoughtful planning for community facilities, supported improving public engagement opportunities, and called for due diligence regarding TeraWulf.
