response to coronavirus disease 2019.

The guidance is based on what is currently known about the transmission and severity of coronavirus disease. Residents in retirement communities and independent living facilities are considered to be at higher risk of severe COVID-19 outcomes because of older age and because they may have underlying health conditions.

Social Services	<p><i>Coordinating to provide shelter for vulnerable populations with Lifestyles, Emergency Services, and the Health Department.</i></p> <p>Charles County Department of Social Services is closed <u>TO THE PUBLIC</u>. We continue to provide services such as :</p> <ul style="list-style-type: none"> • SNAP (food stamps) • Temporary Cash Assistance (TCA) to families • Short-term disability (TDAP) • Emergency Assistance for rent, foreclosure, burial, and other day-to-day needs (These funds are VERY limited) • Child Support - both new applications and action to collect • Homelessness services (limited to temporary and emergency sheltering for those NOT exhibiting COVID-19 symptoms) <p>We will continue conducting in-home and in-facility investigations on reports of child abuse and neglect and adult abuse/neglect and financial exploitation.</p> <p>CCDSS staff remain available to you should you have questions about services, need us to contact a constituent, or wish to include us in planning for the longer-term problems we will all need to address inflicted by COVID-19.</p>
Community Services:	<p>Childcare Options with AlphaBest which is the on site program at the Port Tobacco community center. This arrangement is a “last option” for parents who don’t have other childcare options, but work in essential healthcare (local hospital, our area nursing homes), 911/dispatch, EMS, CCSO, etc. The Port Tobacco site is not very large & will still need to practice appropriate social distancing, so we expect to use this option for those essential staff who may not otherwise be able to come to work. There will be a daily drop-in fee, which we hope will make it more affordable for employees who do shift work & therefore may not need typical Mon-Fri weekly care.</p> <p>The phone number for the childcare site is 301-934-0104, if parents have questions about the paperwork, fees, etc.</p> <p>Community available Wifi from xfinity see below:</p> <p>https://wifi.xfinity.com/?INTCMP=ILC:XA:GEN:GEN5bfebd84b5e3a</p>
