April 1, 2020 ~ COVID 19

	<ul style="list-style-type: none">Confirmed positive cases of COVID-19 patient admissions in-house 3/31/2020 = 10PUI's in-house 3/31/2020 = 9Of the PUI patients transported by EMS yesterday 3/30/2020, three (3) of the patients tested resulted as positive for COVID-19.The remaining PUI's admitted to CRMC were not transferred to hospital by EMS and their tests results have not been received.Effective 3/31/2020 at 2:00 pm CRMC ED staff will come out to the Ambulance area and receive patients until further notice. There will no longer be any need for EMS to enter the building. If for some reason an EMS person does enter the building, they must be wearing a mask. It is requested by CRMC that EMS make contact with the hospital main desk upon their arrival. That number is (301) 609-4160.The hospital has three (3) surge tents set up near the ED and Outpatient Entrance Area. The surge tents are not yet in use, except for occasional "First Look" Triage Tent (20'x20'), which is located closest to the building and on the sidewalk between the 2 entrances mentioned above.<ul style="list-style-type: none">Once surge tents are activated, the largest one (20'x40') will be used for patients needing respiratory treatment, but will not require admission to the hospital. The smaller tent (20'x20') will be used for minor treatments of non respiratory conditions that will not require admission to the hospital.The trigger point to open the other tents for use has not yet been determined and is in the planning stage.The hospital census for today 3/30/2020 is 73Confirmed positive cases of COVID in-house = 11PUI's in-house = 14Cannot confirm today which patients were brought in by ambulance. Will start submitting this information on the daily reports tomorrow 3/31/2020.The ED Waiting area has been separated with screening so that patients with ILI go to one side and regular patients not suspected of ILI wait on the other side of the waiting room.
