<u>OPERATIONS</u>	
Peer Support Team: Will be reporting weekly on Mondays.	<p>despeersupport@charlescountymd.gov **NEW NUMBER** - 240-532-0558 Video about Peer Support: https://youtu.be/EIML_RnIdAY</p> <p><i>Face-to-Face visits: 52 employees All shifts in communications were visited</i></p> <p><i>Phone Contacts: 57 employees</i></p> <p><i>Social Media: Courtney and Debi continue to monitor social media posts. Several Facebook posts to encourage and engage employees with coping.</i></p> <p><i>General Impression: Employees seem to be focusing on the fatigue of COVID-19 and how they are “just over it.” Employees were receptive and appreciative to the encouragement bags we made. Several employees reached out later on after receiving their bags to express their appreciation again, stating it was a boost they needed.</i></p> <p><i>CISM: CISM and Peer Support were provided during the funeral arrangements for Marcus Paxton. Peer Support was provided for approximately 25-30 people. CISM was provided to an individual from a volunteer station during the virtual viewing.</i></p> <p><i>CISM was also provided to CCSO for an incident involving an officer shooting. Nine people attended.</i></p> <p><i>Concerns: We have referred an additional 2 people for a higher level of care this week. We are continuing to monitor the 2 employees previously referred. As many are expressing their frustrated fatigue of COVID-19, we are working to find ways to help give employees the extra push they need to get through the fatigue. We have been following other hot spots for insight on the mental health portion. One thing many places are starting to see is the increase of suicide rates in health care workers. As things are starting to slow down in hot spots, many are talking about the “emotional crash” of being on heightened alert for so long and then getting to “relax.” We are currently working to update all of suicide prevention information to start providing it proactively.</i></p>

OFFICE OF LEGAL COUNSEL

INTERPRETIVE GUIDANCE

Number: COVID19-12

Date: May 4, 2020

Re: Order of the Governor of the State of Maryland, Number 20-04-29-03, dated April 29, 2020,
Prohibiting Garnishment of CARES Act Recovery Rebates

At this time, the Office of Legal Counsel (“OLC”) recommends that the Administration interpret the above-referenced Order as follows:

1. **Transition Matters.** OLC recommends that enforcement action not be taken against a financial institution if:
 - a. prior to receiving notice of the Order and having a reasonable opportunity to act on it, the financial institution (i) subjected a customer’s CARES Act Recovery Rebate (as defined in the Order) to Garnishment (as defined in the Order), and (ii) paid such portion of the CARES Act Recovery Rebate to the judgment creditor pursuant to a judgment entered against the financial institution as garnishee;
 - b. prior to receiving notice of the Order and having a reasonable opportunity to act on it, the financial institution (i) subjected a customer’s CARES Act Recovery Rebate to Garnishment and (ii) has not paid such portion of the CARES Act Recovery Rebate to the judgment creditor, provided that the financial institution returns such portion of the CARES Act Recovery Rebate to the customer’s account; or
 - c. after receiving notice of the Order, the financial institution subjected a customer’s CARES Act Recovery Rebate to Garnishment due to bona fide operational limitations (e.g., the inability of the financial institution’s technology systems to identify CARES Act Recovery Rebates as such), provided that the financial institution (i) returns such portion of the CARES Act Recovery Rebate to the customer’s account, and (ii) makes all reasonable efforts to eliminate, or develop work-arounds for such operational limitations, to enable the financial institution to comply with the Order.
2. **Overdrawn Accounts.** If a customer’s CARES Act Recovery Rebate is deposited in an account that is overdrawn, application of such deposit to the negative balance in that account is not considered the exercise of a lien or right of setoff for purposes of paragraph II.b of the Order.
3. **Applicability to Credit Unions.** For avoidance of doubt, paragraph II.a of the Order applies to both federally-chartered and state-chartered credit unions.

ORDER OF THE GOVERNOR OF THE STATE OF MARYLAND

NUMBER 20-04-29-03

PROHIBITING GARNISHMENT OF CARES ACT RECOVERY REBATES

WHEREAS, A state of emergency and catastrophic health emergency was proclaimed on March 5, 2020, renewed on March 17, 2020, and renewed again on April 10, 2020, to control and prevent the spread of COVID-19 within the state, and the state of emergency and catastrophic health emergency still exists;

WHEREAS, COVID-19, a respiratory disease that spreads easily from person to person and may result in serious illness or death, is a public health catastrophe and has been confirmed throughout Maryland;

WHEREAS, COVID-19 has resulted in loss of employment and other detrimental economic impact for many Marylanders;

WHEREAS, The federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law Number 116-136, provides emergency financial assistance that will help Marylanders continue to pay for housing, food, and other essential needs; and

WHEREAS, It is reasonable to prohibit certain garnishments, liens, and set-offs against the emergency financial assistance paid to Marylanders under the CARES Act, to ensure that Marylanders may use the full benefit of that financial assistance to protect their lives and property;

- c. The underlined paragraph headings in this Order are for convenience of reference only and shall not affect the interpretation of this Order.
- d. If any provision of this Order or its application to any person, entity, or circumstance is held invalid by any court of competent jurisdiction, all other provisions or applications of the Order shall remain in effect to the extent possible without the invalid provision or application. To achieve this purpose, the provisions of this Order are severable.
