

Keep your workplace safe, and keep the virus on the run.

# Clean Up Daily At Work

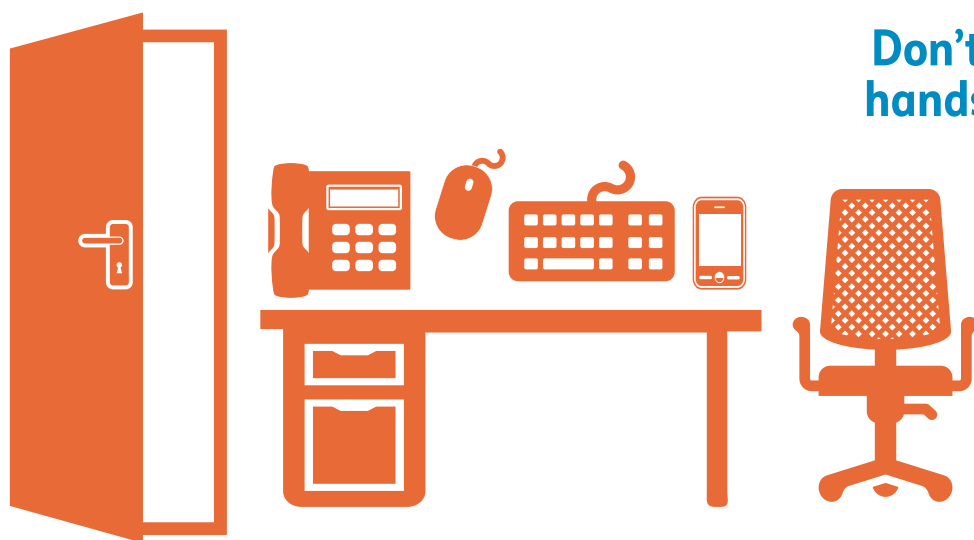

Your Frontline Arsenal to Fight COVID-19  
Take Steps to Protect Everyone

## Disinfectant Spray • Disinfectant Wipes

The few extra steps that you take every workday to clean your area could be the biggest step to win against COVID-19!

Before you leave for the day, please wipe down or spray:  
**Your doorknob, chair, desk and cell phone, and your keyboard and mouse**

Don't forget to wash your hands when you are done.
