Closure:

Nothing new to report.

State Superintendent of Schools Karen Salmon announced all Maryland public schools will remain closed until the end of the 2019-20 school year. Distance learning will continue for Charles County Public Schools students. All schools, buildings and centers will remain closed to the public.

Instruction:

The final round of learning packets for elementary school students will be at meal sites starting May 28. There are no additional packets for secondary students. Starting on June 1, middle and high school teachers will use Teams for the final two weeks of instruction. Teams lessons are canceled for high school students on the day of their school's in-person graduation event. This includes Henry E. Lackey and Maurice J. McDonough high schools on June 1, Thomas Stone and Westlake high schools on June 2, La Plata and St. Charles high schools on June 3, and North Point High School on June 4.

As Charles County Public Schools (CCPS) moves into the fifth and sixth weeks of distance learning, new assignments are now available for students online at www.ccboe.com. Paper packets with the new material are available at our 11 meal distribution sites. New paper packets are being distributed May 18-29.

Access point equipment has not arrived in shipping as of yet. No construction on this project has begun.

Installation will begin once equipment arrives at Dr. Mudd Elementary, Somers Middle School, and Gail Bailey Elementary School, adding to the other four hot spots of Piccowaxen Middle School, Henson Middle School, TC Martin Elementary School, and Mt. Hope Nanjemoy Elementary School.

Misc:

DC Public schools announced they will begin classes, either in person or distance learning, 8/31/20.
