As president of INMAN Utilities (INMAN supplies water to 38 homes). I am very much in favor of this of this bill, which will allow any balances occurred during the conversion of Charles Co. taking over the supply of our water to our neighborhood of Indian Head Manor in Bryans Road. Which will allow balances to be transferred to new buyers if the properties are sold prior to the loan being completely paid. If these loans are not transferable with the sale of the homes, it would be a great hardship to many. As it is now these loans will increase our monthly house payment. Having to include the remaining balance on top of the cost of the home would make it extremely difficult for many to be able to sell their property without a loss.
