Re: St. Charles Community, Charles County, Maryland

Dear Commissioner President Collins:

In June of 1992, the Lord spoke to me and told me that He was going to bless me and instructed me to go into "uncharted areas". That journey led my wife and me to 3040 Leonardtown Road in Charles County; a county of great historical significance not just for the State but for the Nation. Since that time we have had the distinct pleasure of helping countless families in several different ways.

Today, I am blessed to have three loving children: Maurice, Michael, and Kimberly; two God-given daughters-in-law; and my four beautiful grandchildren of whom I am so proud. As a resident of Charles County, I am blessed to have a family flourish in this community and I am proud to support the expansion of this flourishing community so that others may share in the experiences that my family and I have enjoyed all these years. Initiatives like this pave the way for Charles County to grow and allow for people of various backgrounds to have a place and share in a community that despite having such a rich history, has so much valuable growth in its future.

In conclusion, I am grateful for the opportunity to weigh in and hopeful that the commissioners will pave the way for the expansion of this beautiful community.

God Bless

Pastor Willie R. Hunt
