

CODE OF CONDUCT

Participation in sports can be a great learning experience for players, coaches, referees, parents and administrators alike. These experiences often transfer into our daily lives at home, at school and in the office during our recreational time.

Charles County Recreation Parks & Tourism has developed the following codes of conduct to establish standards for participation in all sports programs. All participants are encouraged to adopt these policies in order to provide a positive and rewarding experience for everybody involved in the programs. These codes of conduct are based on sportsmanship and fair play while creating a fun and positive environment for all involved.

Anyone who deviates from this code of conduct may be removed from the program.
