## Emergency Services

### What's in the FY2022 Proposed Budget?

- Funding for a new Health and Safety Officer position is included. This position will focus on specialized Emergency Services safety and health issues with the intent to save not only personnel injuries but also lower the overall cost of "on the job" injuries.
- Funding for a new Animal Control Officer to assist with providing coverage and to help with the increasing workload.
- Includes the full year impact of the thirteen (13) new positions approved during the FY2021 budget adoption which provided an additional EMS crew.
- Includes the impact of the classification and compensation study that was approved mid-year during FY2021.
